Letter from MaxoTel

1723 October 2024

Dear Vonex Shareholder

I am pleased to present this offer (the **Offer**) by Maxo Telecommunications Pty. Ltd. ACN 129 852 526 (**MaxoTel**), to acquire all of your Vonex Shares for A\$0.042044 (4.24 cents) per Vonex Share in cash (the **Offer Price**), which provides you with an attractive, certain and immediate value for your Vonex Shares.

With the Offer being an on-market cash bid, it will allow you to have a clean and simple exit from your investment in Vonex with certainty as to the cash value of your Vonex Shares.

The Offer Price of \$0.042044 per Vonex Share represents:

- a premium of 133144% to the closing price of Vonex Shares of 1.80 cents on 24 June 2024, being the last closing price prior to the announcement of the Scheme (**Undisturbed Share Price Date**); and
- a premium of 131142% to the 30-day VWAP of Vonex Shares to the Undisturbed Share Price Date of 1.82 cents.

Background

As you may be aware, MaxoTel and Vonex Limited ACN 063 074 635 (**Vonex**) entered into a scheme implementation deed on 25 June 2024 (subsequently varied by deed on 19 August 2024 and 12 September 2024) (**Implementation Deed**) in relation to the proposed acquisition by MaxoTel of all of the ordinary shares in the capital of Vonex at a cash price of \$0.0419 for each Vonex Share by way of scheme of arrangement (**Scheme**).

~~In light of this Offer, MaxoTel intends to request that Vonex seek the approval of On 22 October 2024, the Court to defer made an order that the date of the Scheme Meeting of Vonex Shareholders, to approve the Scheme, which is currently scheduled to be convened on 23 October 2024. Subject to the approval of the Court, MaxoTel intends to seek Vonex's agreement that the Scheme Meeting be deferred until such be postponed to 11.00am (Brisbane time following the close of the Offer Period and finalisation of this Offer, being in or around) on Monday, 9 December 2024. Subject to the Scheme proceeding, MaxoTel intends to carry out all its obligations under the Implementation Deed and progress the Scheme concurrently with the Offer.~~

On 6 September 2024, Vonex announced it had received a non-binding indicative and conditional offer from Swoop Holdings Limited (**Swoop**) to acquire all the Vonex Shares at a nominal offer price of \$0.04 (4 cents) per Vonex Share, payable as a combination of cash and scrip with a maximum of 25% cash and the remainder in fully paid shares in Swoop (**Swoop Shares**) valued at \$0.23 per Swoop Share. The Swoop proposal was conditional on, amongst other things, Swoop receiving credit approval from Swoop's lender and the execution of a binding scheme implementation deed.

As announced to market on 11 September 2024, the Vonex Board did not consider the Swoop proposal to be superior to MaxoTel's offer under the Scheme, when the price offered by MaxoTel under the Scheme was \$0.0375 (3.75 cents) per Vonex Share, payable fully in cash. MaxoTel has subsequently increased the offer price under the Scheme to \$0.0419 (4.19 cents) per Vonex Share.

~~There is no assurance that the Swoop proposal will result in a further formal offer capable of acceptance that offers consideration valued at greater than \$0.04 (4 cents) per Vonex Share. Furthermore, as previously announced, MaxoTel and 12223 Pty Ltd ACN 643 965 477 (each of which is controlled by Alexander Rich) together have a Relevant Interest in 66,710,352 Vonex Shares, representing 18.44% of the total Vonex Shares on issue.~~

~~Accordingly, even if an improved Swoop proposal materialised, MaxoTel will vote its 18.44% of Vonex~~

~~Shares against any Swoop scheme of arrangement at a price of \$0.042 per Vonex Share (payable as a combination of cash and scrip in the form of Swoop Shares). Consequently, it is highly likely that a Swoop scheme of arrangement at a price of \$0.042 per Vonex Share (payable as a combination of cash and scrip) will fail, should one be proposed.~~

~~**Rather than waiting for a possible Swoop scheme of arrangement to fail (if any is proposed),**~~ On 18 October 2024, Swoop announced its intention to make an off-market takeover bid to acquire all the Vonex Shares, payable 100% as scrip in fully paid shares in Swoop (**Swoop Shares**) on the basis of 1 Swoop Share for every 4.2 Vonex Shares (**Swoop Takeover Bid**).

As announced to market on 18 October 2024 following receipt of the Swoop Takeover Bid, the Vonex Board observes that the implied value of Vonex Shares under the Swoop Takeover Bid of \$0.05 (5 cents) per Vonex Share, is based on a VWAP of Swoop Shares that is above the closing price of Swoop Shares on the last Trading Day immediately prior to the announcement of the Swoop Takeover Bid. The Vonex Directors otherwise recommended that Vonex Shareholders take no action in relation to the Swoop Takeover Bid.

Vonex Shareholders should ACCEPT this Offer now and receive \$0.042044** per Vonex Share in 2 Trading Days after your acceptance.**

Details of the Offer

As mentioned above, the Offer Price is \$0.042**044** per Vonex Share. The full terms of the Offer are set out in Section 10 of this Bidder's Statement.

A summary of the key reasons for accepting the Offer are as follows:

- The Offer Price represents fair value given that it is a premium of ~~133~~**144**% to the closing price of Vonex Shares on 24 June 2024 of 1.80 cents, being the last closing price prior to the announcement of the Scheme and as concluded to be fair, reasonable and therefore in the best interests of Vonex Shareholders as stated in the Independent Expert's Report included in Vonex's Supplementary Scheme Booklet.
- The Offer Price will be paid to you in cash, providing you with certain value for your Vonex Shares.
- As the Offer is unconditional, you can sell some or all of your Vonex Shares for 100% cash consideration at the Offer Price to MaxoTel immediately on ASX and receive cash 2 Trading Days (T+2) after your acceptance.
- Accepting the Offer and selling your Vonex Shares now removes any risks that could otherwise affect the future value of your Vonex Shares.
- The Offer provides Vonex Shareholders the opportunity to sell their Vonex Shares and receive cash proceeds of \$0.042**044** (4.**24** cents) per Vonex Share on an expedited timetable compared to cash consideration of \$0.0419 (4.19 cents) per Vonex Share under the Scheme (assuming the Scheme is successful).

The Offer may only be accepted by selling your Vonex Shares on-market on the ASX. You can do this through your Broker. Morgans has been appointed by MaxoTel as Broker to the Offer. A summary of how to sell your Vonex Shares to MaxoTel is set out in Section 2.

The Offer is scheduled to close at 4.00pm (Melbourne time) on 2 December 2024 unless extended.

Should you not accept the Offer and it lapses, the Vonex Share price may drop to or below levels prior to the Undisturbed Share Price Date with a reduced level of trading liquidity. Some consequences of not accepting the Offer are set out in Section 1.

If you have any questions or require any further information in relation to the Offer, please contact

Michael Blake on +61(8) 7123 4115 between 9:00am to 5.00pm (AEDT) on Business Days, or contact your legal, financial or other professional adviser.

For the reasons outlined above, and detailed in this Bidder's Statement, I strongly encourage you to carefully read this Bidder's Statement and then contact your chosen Broker to **ACCEPT** this Offer, which delivers you certain value for your Vonex Shares.

Yours faithfully,

Alex Rich
Sole Director
Maxo Telecommunications Pty. Ltd.

1. Why you should ACCEPT the Offer

1.1 The Offer Price represents a premium to Vonex's historic trading prices

MaxoTel is offering 100% cash consideration to Vonex Shareholders of A\$0.~~042~~044 (4.~~24~~ cents) cash per Vonex Share. The Offer values the equity of Vonex at approximately A\$15,~~496,802.04~~920,459.28 on an undiluted basis.

The all-cash Offer represents a premium to Vonex's last closing share price and volume weighted average price (**VWAP**) of Vonex Shares as follows:

- (a) a premium of ~~133~~144% to the closing price of Vonex Shares of 1.80 cents on 24 June 2024, being the last closing price prior to the announcement of the Scheme (**Undisturbed Share Price Date**); and
- (b) a premium of ~~131~~142% to the 30-day VWAP of Vonex Shares to the Undisturbed Share Price Date of 1.82 cents.

1.2 You will receive certain and immediate value for your Vonex Shares through a 100% cash consideration payable on a T+2 basis

Key attributes of the Offer are:

- (a) the Offer consists of 100% cash consideration of A\$0.~~042~~044 (4.~~24~~ cents) per Vonex Share;
- (b) the Offer is unconditional, which provides additional certainty in respect of receiving your cash consideration;
- (c) you may sell your Vonex Shares on-market at the Offer Price immediately from the Announcement Date of 17 October 2024 until the Offer closes at 4.00pm (Melbourne time) 2 December 2024 unless the Offer Period is extended or the Offer is withdrawn. The Offer Period officially commences at 10:00am (Melbourne time) on 31 October 2024;
- (d) you will receive a cash payment on a T+2 basis (being 2 Trading Days after your acceptance); and
- (e) the Offer is fully funded at A\$0.~~042~~044 (4.~~24~~ cents) per Vonex Share for all remaining Vonex Shares that MaxoTel does not own, enabling Vonex Shareholders to dispose of large parcels of Vonex Shares for certain and attractive value without any liquidity concerns.

The certainty of this receipt of the all-cash Offer should be compared against the uncertainties of, and risks associated with, remaining a Vonex Shareholder in the current uncertain economic environment. Some key risks include, but are not limited to:

- (a) **(risks of being a minority shareholder)**: if you do not accept the Offer and MaxoTel acquires more than 50% of the Vonex Shares (on a fully diluted basis) but does not achieve the threshold for compulsory acquisition (and assuming the Scheme is not successful):
 - (i) you may be left with a small shareholding in Vonex;
 - (ii) the Vonex Shareholder spread after the Offer is completed may be less than required under the Listing Rules; and
 - (iii) ASX may choose to suspend or de-list Vonex in which case, the liquidity in Vonex Shares may be severely impacted;

- (b) **(market risk)**: recent global economic events have contributed to greater uncertainty, volatility and a general 'risk-off' sentiment in financial markets. There continues to be speculation surrounding movement in the global economy;
- (c) **(uncertainty)**: uncertainty about the effects of the Offer may adversely affect the business and operations of Vonex and which may in turn affect your investment in Vonex particularly if you remain a minority shareholder;
- (d) **(share price volatility)**: the potential risk of share price falls due to a number of factors including those mentioned in this Section 1; and
- (e) **(liquidity risk)**: depending on the level of acceptances MaxoTel receives under the Offer, the market for Vonex Shares may become even less liquid than at present. This could make it more difficult for you to sell your Vonex Shares at an attractive price in the future.

You can choose, in effect, between the all-cash unconditional Offer of certain value which is available now and future uncertain value by retaining your Vonex Shares.

The Offer also provides Vonex Shareholders the opportunity to sell their Vonex Shares and receive cash proceeds of \$0.042044 (4.24 cents) per Vonex Share on an expedited timetable compared to cash consideration of \$0.0419 (4.19 cents) per Vonex Share under the Scheme (assuming the Scheme is successful).

1.3 Consequences of not accepting

MaxoTel believes that the Offer for Vonex Shares is attractive and represents fair value. However, if you choose not to accept the Offer and the Scheme is unsuccessful, there are certain risks of which you should be aware, including:

- (a) following the close of the Offer, the Vonex Share price may drop to pre-Offer levels with a reduced level of trading liquidity;
- (b) if MaxoTel acquires control of Vonex but does not proceed to compulsory acquisition, you will become a minority shareholder in Vonex with limited influence in the running of the business;
- (c) even if MaxoTel does not proceed to compulsory acquisition at the end of the Offer Period, subject to meeting the eligibility requirements of the Listing Rules, MaxoTel may seek to have Vonex removed from the official list of the ASX. Should this occur, remaining as a minority shareholder in an unlisted company presents you with additional risks including significant difficulty in selling your Vonex Shares at the current price levels in the future; and
- (d) if MaxoTel becomes entitled to acquire your Vonex Shares compulsorily and the Scheme is not proceeding, it intends to exercise those rights (however, it has not yet formed a conclusive position on whether it will or not). If your Vonex Shares are compulsorily acquired by MaxoTel, you will be paid the Offer consideration of A\$0.042044 (4.24 cents) cash for each of your Vonex Shares. However, you will receive the money later than the Vonex Shareholders who choose to accept the Offer.

MaxoTel intends to carry out all its obligations under the Implementation Deed and progress the Scheme concurrently with the Offer. You should consult with your Broker or financial or other professional advisers to ascertain the impact of the risks outlined above on the value of your Vonex Shares.

1.4 There is no superior or alternative proposal for your Vonex Shares

~~MaxoTel's Offer is~~ On 18 October 2024, Swoop announced its intention to make the ~~only offer~~ Swoop Takeover Bid, being an off-market takeover bid to acquire ~~you~~ all the Vonex Shares ~~at the date~~, payable 100% as scrip in fully paid shares in Swoop (**Swoop Shares**) on the basis of 1 Swoop Share for every 4.2 Vonex Shares.

As subsequently announced to market by Vonex on 18 October 2024, Swoop's announcement of the intention to make the Swoop Takeover Bid is not presently an offer that Vonex Shareholders can consider or accept. In the same announcement, the Vonex Directors stated their belief that even if the Swoop Takeover Bid proceeds to become a formal offer, the Swoop Takeover Bid cannot be readily compared with this Bidder's Offer, as the Vonex Directors believe that MaxoTel's Offer is certain, immediate and for cash, which Offer is now being increased to 4.4 cents under this Bidder's Statement.

If no other offers are made for your Vonex Shares, Vonex's share price may fall below the Offer Price after the Offer closes.

1.5 No stamp duty or GST in accepting the Offer

You will not pay stamp duty or GST on the disposal of your Vonex Shares if you accept the Offer (other than GST payable by your Broker in respect of brokerage fees, if any, charged to you).

2. How to accept the Offer

You may sell your Vonex Shares to MaxoTel on-market by offering to sell some or all of your Vonex Shares on ASX at the Offer Price on and from the Announcement Date until the end of the Offer Period.

Morgans will stand in the market to acquire, on behalf of MaxoTel, all Vonex Shares offered at the Offer Price during normal trading on and from the Announcement Date, as follows:

(a) **Issuer Sponsored Holding**

If your Vonex Shares are registered in an Issuer Sponsored Holding (i.e. your Security Reference Number starts with an "I"), you must instruct any Broker (which may also include Morgans, where Morgans is your existing Broker or you appoint Morgans as your Broker) to sell your Vonex Shares on-market at the Offer Price before the end of the Offer Period.

(b) **CHESS Holding**

If your Vonex Shares are in a CHESS Holding (i.e. your Holder Identification Number starts with an "X"), you must instruct your Broker (your Controlling Participant) to sell your Vonex Shares on-market at the Offer Price before the end of the Offer Period.

(c) **Broker or Controlling Participant**

If you are a Broker or a Controlling Participant, to sell your Vonex Shares to MaxoTel you must initiate acceptance in accordance with the ASX Settlement Operating Rules before the end of the Offer Period.

(d) **Beneficial Owner**

If you are a beneficial owner of Vonex Shares registered in the name of a Broker, investment dealer, bank, trust company or other nominee, you should contact that nominee for assistance in accepting the Offer.

Vonex's growth strategy has included M&A, targeting profitable IT and telco businesses that offer potential for growth through further product expansion, scale and cross-selling.

Vonex provides advanced technology as well as scalable and customisable products to thousands of Australian businesses and residential users, including providing the following services across three key markets:

- (a) **Small & Medium Business (SMB):** Provides a full range of communications services including, hosted PBX, IP voice, mobile services, NBN and Fibre data networks (broadband and SD-WAN), inbound services and hosting.

- (c) **Residential:** Provides a full range of communications products including VoIP, NBN, mobile and home phone services.

- and which is not offered to all Vonex Shareholders under the Offer.

6. Bidder's intentions

This Section 6 sets out the intentions of MaxoTel on the basis of the facts and information concerning Vonex and the existing circumstances affecting the business of Vonex which are known to MaxoTel at the time of preparation of this Bidder's Statement, in relation to the following:

- (a) the continuation of the business of Vonex;
- (b) any major changes to be made to the business of Vonex, including any redeployment of fixed assets of Vonex; and
- (c) the future employment of the present employees of Vonex.

While MaxoTel has undertaken limited due diligence investigations on Vonex, MaxoTel does not currently have full knowledge of all material information, facts and circumstances that are necessary to assess the operational, commercial, tax and financial implications of its current intentions.

MaxoTel will only reach final decisions regarding these matters in light of material facts and circumstances at the relevant time. Accordingly, the statements set out in this Section 6 are statements of current intentions only which may vary as new information becomes available or circumstances change.

6.3 Intentions generally

Except for the changes and intentions set out in this Section 6, MaxoTel intends:

- (a) to continue on the business of Vonex;
- (b) not to make any major changes to the nature of the business of Vonex; and
- (c) not to make any major changes to the future employment of the present Vonex employees.

6.4 Intentions if 50% or less of Vonex is acquired

Unless otherwise indicated in Section 6, if MaxoTel acquires 50% or less of Vonex Shares and the Scheme does not proceed, MaxoTel intends to procure the appointment of a MaxoTel nominee (or nominees) to the Vonex Board. Through this, MaxoTel hopes to gain a more detailed understanding of the corporate structure, assets, businesses, personnel, financing, capital structure and operations of Vonex. MaxoTel would then be in a better position to evaluate, and contribute to, the performance, profitability and prospects of Vonex in light of the information then available to MaxoTel and provide input into the strategic direction of the organisation.

MaxoTel may also not wish to participate in further capital raisings if it does not agree with the existing strategy of Vonex. However, MaxoTel reserves its right to make such decisions at the relevant time. If MaxoTel does not participate in further capital raisings, and Vonex is unable to secure adequate underwriting for such capital raisings, MaxoTel considers that Vonex may incur difficulties in maintaining its current operations.

6.5 Intentions upon ownership of 50.1% or more of Vonex but less than 90%

This Section 6.5 sets out MaxoTel's current intentions if Vonex becomes controlled by MaxoTel (i.e. MaxoTel and its related entities acquire 50.1% or more of Vonex), but MaxoTel is not entitled to proceed to compulsory acquisition in accordance with Part 6A.1 of the Corporations Act and the Scheme does not proceed.

In that circumstance, MaxoTel's intentions are as follows:

(a) **Directors**

MaxoTel intends to procure the appointment of a MaxoTel nominee (or nominees) to the Vonex Board to better understand the Vonex business and operations as noted in Section 6.4.

MaxoTel intends to undertake a review of the skills matrix of the Vonex Directors and may make appropriate adjustments to the composition of the Vonex Board following completion of that review. Upon completion of the review, MaxoTel may in the future reconstitute the Vonex Board with additional nominees of MaxoTel, taking into account a variety of factors including governance and oversight by MaxoTel and the experience of such nominees.

The relevant nominees have not yet been identified by MaxoTel. A final decision on the selection of MaxoTel's nominees will be made in light of the circumstances at the relevant time.

(b) **Review**

MaxoTel will propose, through its nominee(s) on the Vonex Board, that a review of Vonex, of the type referred to in Section 6.5(c) below, be undertaken.

(c) **Capital structure**

MaxoTel also intends to conduct a review of the operations, assets, structure and employees of Vonex in light of that information to identify:

- (i) business opportunities and areas of revenue generation which may provide overall strategic operational benefit;
- (ii) areas of costs saving which may provide overall strategic and operational benefit; and
- (iii) any business or businesses which do not fit into the strategic plan for Vonex and to evaluate the best and most appropriate way of organising such business or businesses.

Final decisions will only be reached after that review and in light of all material facts and circumstances.

While MaxoTel does not currently have any specific intentions in relation to this review or its outcomes, its current expectation is that the review will focus on identifying the most effective means of utilising Vonex's assets and maximising the investment MaxoTel has made in Vonex.

That review will consider Vonex's need to retain sufficient funds to meet its ongoing activities and requirements for additional capital, as well as whether Vonex's capital structure is efficient and maximises shareholder value.

(d) **Employees**

MaxoTel understands that Vonex's management and employees have contributed to Vonex's success and are key to Vonex's ability to service customers and clients. Accordingly, MaxoTel does not intend to make significant changes to the employment of the present employees of Vonex, where possible. Nonetheless, following the end of the Offer Period, MaxoTel would review the future employment of the present employees of Vonex, having regard to its plans for Vonex and upon completing the review referred to above at Section 6.5(c). It is the current intention of MaxoTel to keep all employees that are necessary for the Vonex's operations.

(e) **Listing on ASX**

MaxoTel may consider the removal of Vonex from the official list of ASX. Such consideration will have regard to, among other things, MaxoTel's interest and Voting Power in Vonex, the spread and volume of Vonex Shareholders at the end of the Offer Period, and whether all of the requirements necessary to delist Vonex can be satisfied.

(f) **Further acquisitions of Vonex Shares**

MaxoTel may acquire additional Vonex Shares under the "creep" provisions of the Corporations Act. In summary, those provisions would permit MaxoTel and its Associates to acquire up to 3% of Vonex Shares every 6 months. MaxoTel has not yet decided whether it will acquire further Vonex Shares under the "creep" provisions in the future, as that will be dependent upon (among other things) the extent of Voting Power of MaxoTel and its Associates in Vonex and market conditions at the time.

If MaxoTel becomes entitled to give notices to compulsorily acquire any outstanding Vonex Shares in accordance with section 664C of the Corporations Act (general compulsory acquisition power) as a result of acquisitions of additional Vonex Shares, MaxoTel may give such notices.

(g) **Longreach Facility**

As announced to market by Vonex on 8 February 2024, Vonex entered into a revised facility agreement with its financier, Longreach Credit Investors (**Longreach**) to extend the term of its existing debt facility to 1 October 2025 (**Longreach Facility**).

Among other things, if Vonex becomes controlled by MaxoTel (i.e. MaxoTel and its related entities acquire 50.1% or more of Vonex) in conjunction with the Offer without Longreach's prior written consent, the following implications will arise in relation to the Longreach Facility:

- (i) Vonex will be deemed to have committed an event of default under the Longreach Facility;
- (ii) all outstanding amounts under the Longreach Facility will be repayable immediately; and
- (iii) an exit fee of up to \$550,000 (excluding GST) will be payable to Longreach (**Longreach Fee**).

To address the above implications, Longreach has provided its written consent in favour of Vonex (**Longreach Consent**), whereby Longreach consents to the change of control of Vonex arising under the Offer and waives any default, event of default or any other right of cancellation or repayment arising under the

Longreach Facility as a result of the Offer.

The Longreach Consent is subject to Vonex complying with its obligations under the Facility Agreement and Vonex agreeing to repay amounts owing under the Longreach Facility within 3 months following MaxoTel acquiring control of Vonex which period may be extended by an additional 3 months in circumstances where MaxoTel is actively pursuing 100% control of Vonex. If MaxoTel becomes entitled to compulsorily acquire the remaining shares in Vonex following the Offer and MaxoTel exercises such right, the repayment date will be automatically extended to completion of the compulsory acquisition.

Furthermore and subject to the same conditions, the Longreach Consent also provides for the Longreach Fee to be payable in two tranches whereby \$350,000 (excluding GST) (**Upfront Longreach Fee**) will be payable within 7 days of MaxoTel acquiring control of Vonex, while the remaining \$200,000 (excluding GST) (**Deferred Longreach Fee**) will be payable only if the Longreach Facility is not fully repaid within 3 months following MaxoTel acquiring control of Vonex or, if MaxoTel becomes entitled to compulsorily acquire the remaining Vonex Shares on issue following the Offer and has commenced the relevant process prior to such time, the date that MaxoTel completes such compulsory acquisition (whichever is later).

Accordingly, if MaxoTel and its related entities acquire Voting Power in Vonex Shares of at least 50.1%, MaxoTel intends to procure that Vonex pay the Upfront Longreach Fee and otherwise, that Vonex immediately refinances the Longreach Facility such that Vonex's obligation to pay the Deferred Longreach Fee is not materialised.

(h) **Limitations on intentions**

The implementation of MaxoTel's intentions in the event of less than 100% ownership of Vonex will be subject to the Corporations Act, the Listing Rules and the Vonex constitution, and to the obligations of the Vonex Directors to act in the best interests of Vonex and all Vonex Shareholders.

In particular, if MaxoTel obtains control (but not 100%) of Vonex, the "related party" provisions of Chapter 2E of the Corporations Act (and the Listing Rules) will apply.

MaxoTel would only make a decision on its courses of action in these circumstances after it receives appropriate legal and financial advice on such matters, including in relation to any requirements for Vonex Shareholder approval.

6.6 Intentions upon becoming able to compulsorily acquire Vonex Shares

This Section sets out MaxoTel's current intentions if it and its Associates have a Relevant Interest in 90% or more of all Vonex Shares and are entitled to proceed to compulsory acquisition of the outstanding Vonex Shares on issue.

(a) **Compulsory acquisition**

If it becomes entitled to do so under the Corporations Act, MaxoTel may:

- (i) give notices to compulsorily acquire any outstanding Vonex Shares in accordance with section 661B of the Corporations Act (compulsory acquisition power following takeover bid), including any Vonex Shares which are issued as a result of the vesting and exercise of Vonex Performance Rights after the end of the Offer Period and in the 6 weeks after MaxoTel gives the compulsory acquisition notices; and

- (ii) if necessary, give notices to compulsorily acquire any outstanding Vonex Shares in accordance with section 664C of the Corporations Act (general compulsory acquisition power).

If it is required to do so under section 662A and section 663A of the Corporations Act, MaxoTel intends to give notices to Vonex Shareholders offering to acquire their Vonex Shares, in accordance with section 662B and section 663C of the Corporations Act.

(b) **Directors**

MaxoTel intends to review the composition of the Vonex Board and may reconstitute the Vonex Board with nominees of MaxoTel. At the date of this Bidder's Statement, MaxoTel intends to appoint the following persons to the Vonex Board – Alex Rich and current employees of MaxoTel, Michael Blake and Elyse Rich. However, a final decision on the selection of MaxoTel's nominees will be made in light of the circumstances at the relevant time.

(c) **Listing on ASX**

Upon acquiring ownership of 100% of Vonex, MaxoTel intends to have Vonex removed from the official list of ASX.

(d) **Longreach Facility**

As noted in Section ~~Error! Reference source not found.~~6.5(g) above, there will be various implications upon MaxoTel acquiring control of Vonex, ie where MaxoTel and its related entities acquire Voting Power of at least 50.1% in Vonex Shares. Accordingly, the implications outlined in Section ~~Error! Reference source not found.~~6.5(g) will equally apply where MaxoTel and its Associates have a Relevant Interest in 90% or more of all Vonex Shares following the Offer and are entitled to proceed to compulsory acquisition of the outstanding Vonex Shares on issue.

If MaxoTel elects to compulsorily acquire the remaining Vonex Shares in such circumstances, the date for repayment of the outstanding amounts under the Longreach Facility and payment of the Deferred Longreach Fee will be automatically extended to the date that is 3 months following completion of the compulsory acquisition process, which period may be further extended by an additional 3 months in circumstances where MaxoTel is actively pursuing 100% control of Vonex.

In these circumstances, as sole shareholder of Vonex, MaxoTel intends to fund payment of the Upfront Longreach Fee from its existing cash reserves and will otherwise immediately refinance the Longreach Facility (whether from its existing cash reserves or via alternative financing arrangements) such that Vonex's obligation to pay the Deferred Longreach Fee is not materialised.

(e) **Operational review**

Following the close of the Offer, if MaxoTel and its Associates are entitled to proceed to compulsory acquisition, MaxoTel intends to conduct a review of the operations, assets, structure and employees of Vonex in light of that information to identify:

- (i) business opportunities and areas of revenue generation which may provide overall strategic operational benefit;
- (ii) areas of costs saving which may provide overall strategic and operational benefit; and

- (iii) any business or businesses which do not fit into the strategic plan for Vonex and to evaluate the best and most appropriate way of organising such business or businesses.

MaxoTel currently intends to maintain Vonex's current strategic direction with an investment case based on furthering its position as a leading owner and operator of a telecommunications business across Australia.

MaxoTel will undertake a full review of Vonex's business, operations, assets and employees following the close of the Offer to determine how best to execute Vonex's strategy and develop and grow Vonex. MaxoTel does not intend to make significant changes to Vonex's business and given that Vonex has recently restructured its business, MaxoTel does not expect to implement any material changes regarding Vonex's employees for the first 12 months following the close of the Offer, other than potentially in relation to senior, management-level employees where there is any duplication of roles within the merged group. Accordingly, given MaxoTel intends to maintain much of Vonex's existing business structure and strategic direction, MaxoTel does not presently intend to undertake any redeployment of Vonex's fixed assets if MaxoTel becomes entitled to compulsorily acquire Vonex Shares.

However, final decisions will only be reached after that review and in light of all material facts and circumstances.

6.7 Limitations on intentions

The intentions and statements of future conduct set out in this Section 6 must be read as being subject to:

- (a) the law (including the Corporations Act) and the Listing Rules, including, in particular, the requirements of the Corporations Act and the Listing Rules in relation to conflicts of interest and "related party" transactions given that, if MaxoTel obtains control of Vonex but does not acquire all of the Vonex Shares, it will be treated as a related party of Vonex for these purposes;
- (b) the legal obligation of the Vonex Directors at the time, including any nominees of MaxoTel, to act in good faith, in the best interest of Vonex and for the proper purposes and to have regard to the interests of Vonex Shareholders; and
- (c) the outcome of reviews referred to in Sections 6.4, 6.5(b) and 6.5(d).

Accordingly, this Section 6 must be read and understood on this basis.

7. Funding of cash consideration

7.1 Consideration under the Offer

The consideration for the acquisition of Vonex Shares to which the Offer relates will be satisfied by the payment of cash (in Australian dollars).

Based on the number of Vonex Shares and, Vonex Performance Rights on issue as at the date of ~~the Announcement~~[this Bidder's Statement](#), and noting that MaxoTel already has 66,710,352 Vonex Shares as at the date of the Announcement, the maximum amount of cash consideration that would be payable by MaxoTel under the Offer if all Vonex Performance Rights were accelerated and acceptances were received for all Vonex Shares which MaxoTel or its Associates do not already own, is approximately A\$13,~~338,839.26~~[974,022.08](#), not including transaction costs.

7.2 Overview of MaxoTel funding arrangements

The Bidder will fund the maximum cash consideration including associated transaction costs under the Offer from its existing cash reserves as well as from an overdraft facility (**Overdraft Facility**) available to the Bidder from Westpac Banking Corporation ACN 007 457 141.

The Overdraft Facility has a limit of A\$5,000,000, which MaxoTel previously intended to terminate upon successful completion of the Scheme (and prior to MaxoTel proposing this Offer). The Overdraft Facility is currently available to MaxoTel to make payment of the consideration under the Offer and MaxoTel is not aware of any conditions to drawdown of funds, events of default and any other terms which may affect availability of funding under the Overdraft Facility during the Offer Period.

Together with funds available under the Overdraft Facility, the Bidder has available to it, at call, cash reserves in excess of the maximum cash consideration required under the Offer and therefore it will be able to pay the cash consideration including any relevant transaction costs pursuant to the offer.

The Bidder has allocated a sufficient amount of its cash reserves to satisfy the maximum cash consideration required under the Offer (including associated transaction costs), and such allocation is not otherwise required for any other arrangements or obligations. The Bidder does not anticipate any significant disbursements or expenditures which may impact the availability of the Overdraft Facility or its existing cash reserves during the Offer Period.

7.3 Payment of cash consideration

Having regard to the matters set out above, MaxoTel is of the opinion that it has a reasonable basis for forming, and it holds, the view that it will be able to pay cash consideration including any relevant transaction costs pursuant to the Offer. The Offer is not subject to any financing conditions.

8. Taxation information

The following is a general description of Australian income and capital gains tax consequences for Vonex Shareholders of the acceptance of the Offer and does not take into account the specific circumstances of any particular Vonex Shareholder. It does not constitute tax advice and should not be relied upon as such. All Vonex Shareholders should seek independent professional advice on the consequences of their disposal of Vonex Shares, based on their particular circumstances.

The outline reflects the current provisions of the *Income Tax Assessment Act 1936* (Cth) and the *Income Tax Assessment Act 1997* (Cth) (collectively, **the ITAA**) and the regulations made under those Acts. The outline does not otherwise take into account or anticipate any changes in the law, whether by way of judicial decision or legislative action, nor does it take into account tax legislation from countries apart from Australia.

The comments below are not exhaustive of all possible Australian tax considerations that could apply to Vonex Shareholders. In particular, the comments are relevant to those Vonex Shareholders who are individuals, complying superannuation entities and companies that hold their investments on capital account. The tax treatment for Vonex Shareholders who may hold their investments on revenue account, such as banks and other trading entities, has not been addressed. In addition, these comments do not take into account the circumstances of Vonex Shareholders who acquired their Vonex Shares in respect of their, or an Associate's, employment with Vonex or any member of the Vonex Group.

For Vonex Shareholders who are non-residents of Australia for tax purposes, it is assumed that the Vonex Shares are not held, and never have been held or used at any time, as an asset in carrying on a business through a permanent establishment of that Vonex Shareholder in Australia. It is further noted that these comments do not address the position for Vonex Shareholders who are partnerships, tax exempt organisations, temporary residents, have a functional currency for Australian tax purposes other than an Australian functional currency, who are subject to the taxation of financial arrangements rules in Division 230 of the ITAA in relation to gains and losses on their Vonex Shares, or are subject to the Investment Manager Regime under Subdivision 842-I of the ITAA in respect of their Vonex Shares.

8.1 Australian resident Vonex Shareholders

The acceptance of the Offer in respect of a Vonex Share will result in a disposal for CGT purposes of that Vonex Share by the relevant Vonex Shareholder. The disposal will trigger CGT Event A1. An Australian resident Vonex Shareholder should make a capital gain at the time of that CGT Event if the capital proceeds received on disposal exceed the cost base of the Vonex Share. An Australian resident Vonex Shareholder should make a capital loss at the time of that CGT Event if the capital proceeds received on disposal are less than the reduced cost base of the Vonex Share.

In broad terms, the capital proceeds should include the Offer Price (being A\$0.~~042~~044 (4.24 cents) per Vonex Share) a Vonex Shareholder receives by accepting the Offer.

The cost base and reduced cost base (in the case of a capital loss) of a Vonex Share is generally the amount the Australian resident Vonex Shareholder paid for the Vonex Share (including incidental costs of acquisition and disposal). In some cases, there may be financing costs of ownership that will form part of the cost base of the Vonex Share.

However, if a Vonex Share was acquired (for CGT purposes) at or before 11:45am on 21 September 1999, the cost base may be indexed for inflation, by reference to changes in the Consumer Price Index from the calendar quarter in which the Vonex Share was acquired (for CGT purposes) until the calendar quarter ended 30 September 1999. Vonex Shareholders who are individuals, complying superannuation entities or trustees of a trust must make an election if they wish to rely on indexation. Companies will be entitled to

include the indexation without making an election. Indexation adjustments are taken into account only for the purposes of calculating a capital gain, and not a capital loss. Whether it is better for any given Vonex Shareholder to make the indexation election or not will depend upon the particular Vonex Shareholder's individual circumstances. Further, the CGT discount rules (see below) are not available for capital gains made on a Vonex Share where indexation applies to the relevant Vonex Share. Vonex Shareholders should consult their own tax advisers in this regard.

If a Vonex Share was acquired (for CGT purposes) after 11:45am on 21 September 1999, the capital gain or loss is generally calculated on the difference between the capital proceeds and cost base for the Vonex Share, with no indexation.

The taxable amount of any capital gain may be reduced if the CGT discount applies. If an Australian resident Vonex Shareholder is an individual, a complying superannuation entity or a trustee, the amount of the Australian resident Vonex Shareholder's capital gain may be reduced by the relevant CGT discount. If an Australian resident Vonex Shareholder who is an individual or trustee applies the CGT discount method, the shareholder's taxable capital gain (after offsetting any current year capital losses or carry forward net capital losses from previous income years) will be reduced by one half (or one third if the Australian resident Vonex Shareholder is a complying superannuation entity). The CGT discount rules are not available for capital gains made on a Vonex Share where indexation applies to the relevant Vonex Share.

The CGT discount is not available to an Australian resident Vonex Shareholder that is an individual, a complying superannuation entity, or a trustee where the disposal occurs in the first 12 months after the acquisition (for CGT purposes) of the relevant Vonex Share. That is, the Vonex Share must have been held for at least 12 months (for CGT purposes) prior to accepting the Offer for the CGT discount to be available for that Vonex Share. If the Australian resident Vonex Shareholder is a company, the CGT discount is not available at any time.

The above comments do not apply to Vonex Shareholders who buy and sell shares in the ordinary course of business, or those who acquired the shares for resale at a profit. In those cases, any gain will generally be taxed as ordinary income. All Vonex Shareholders should seek their own advice.

8.2 Non-resident Vonex Shareholders

A Vonex Shareholder who is not a resident of Australia for tax purposes and who has never used their shares at any time in carrying on a business through a permanent establishment in Australia will generally not have to pay Australian tax on any capital gain made when disposing of Vonex Shares unless the shares in Vonex are 'indirect Australian real property interests'. Vonex Shares will be 'indirect Australian real property interests' where both of the following requirements are satisfied:

- (a) the interest held in Vonex is a "non-portfolio" interest; and
- (b) the Vonex Shares pass the "principal asset test" at the time of disposal.

If either of these elements is absent, any capital gain made on the disposal of the Vonex Shares should not be subject to income tax in Australia.

A non-resident Vonex Shareholder will hold a "non-portfolio interest" in Vonex if (together with Associates) they own (at the time of the disposal for CGT purposes), or owned, throughout a 12 month period during the 2 years preceding the sale (for CGT purposes) of their Vonex Shares, 10% or more of all of the shares in Vonex.

The Vonex Shares would pass the "principal asset test" if the market value of Vonex's direct and indirect interests in Australian real property (including leases of land, if the land is situated in Australia, and Australian mining, quarrying or prospecting rights) is more than the

market value of its other assets at the time a non-resident Vonex Shareholder accepts the Offer.

Given the nature of the Vonex's assets, it is unlikely that it would pass the "principal asset test", however this should be determined definitively in the event that a non-resident Vonex shareholder's interest passes "non-portfolio" interest test. If a non-resident Vonex Shareholder buys and sells shares in the ordinary course of business, or acquired the shares for resale at a profit, any gain could be taxed in Australia as ordinary income and not as a capital gain, subject to the provisions of the relevant Double Tax Treaty which may apply to the shareholder. Again, non-resident Vonex Shareholders should seek their own advice.

Non-resident Vonex Shareholders should seek advice from their taxation advisor as to the taxation implications of accepting the Offer in their country of residence (as well as any Australian taxation implications).

8.3 Foreign resident capital gains withholding

Broadly, under the 'foreign resident capital gains withholding' (**FRCGTW**) regime, a purchaser of shares may have an obligation to withhold and pay to the Australian Taxation Office an amount equal to 12.5% of the purchase price for each share under section 14-200 of Schedule 1 of the *Taxation Administration Act 1953* (Cth) (**TAA**).

MaxoTel does not expect to withhold any amount from the Offer Price on account of FRCGTW on the basis that the acquisition of each Vonex Share will occur through acceptance of the Offer which will result in the acquisition occurring on an approved stock exchange (being, the ASX). The acquisition should therefore be an 'excluded transaction' for the purposes of the FRCGTW regime.

8.4 Stamp duty

No stamp duty will be payable by Vonex Shareholders in respect of a transfer of their Vonex Shares under the Offer. MaxoTel will pay the stamp duty (if any) payable in Australia on the transfer of Vonex Shares under the Offer.

8.5 Goods & Services Tax

The Vonex Shareholders' transfer of their Vonex Shares under the Offer should not be subject to GST.

9. Other material information

9.1 Swoop proposal

On 6 September 2024, Vonex announced it had received a non-binding indicative and conditional offer from Swoop Holdings Limited (**Swoop**) to acquire all the Vonex Shares at a nominal offer price of \$0.04 per Vonex Share, payable as a combination of cash and scrip with a maximum of 25% cash and the remainder in fully paid shares in Swoop (**Swoop Shares**) valued at \$0.23 per Swoop Share.

The Swoop proposal was conditional on, amongst other things, Swoop receiving credit approval from Swoop's lender and the execution of a binding scheme implementation deed.

As announced to market on 11 September 2024, the Vonex Board did not consider the Swoop proposal to be superior to MaxoTel's offer under the Scheme, when the price offered by MaxoTel under the Scheme was \$0.0375 (3.75 cents) per Vonex Share, payable fully in cash. MaxoTel has subsequently increased the offer price under the Scheme to \$0.0419 (4.19 cents) per Vonex Share.

~~There is no assurance that the Swoop proposal will result in a further formal offer capable of acceptance that offers consideration valued at greater than \$0.04 (4 cents) per Vonex Share. Furthermore, as previously announced, MaxoTel and 12223 Pty Ltd ACN 643 965 477 (each of which is controlled by Alexander Rich) together have a Relevant Interest in 66,710,352 Vonex Shares, representing 18.44% of the total Vonex Shares on issue.~~

~~Accordingly, even if an improved Swoop proposal materialised, MaxoTel will vote its 18.44% of Vonex Shares against any Swoop scheme of arrangement at a price of \$0.042 per Vonex Share (payable as a combination of cash and scrip in the form of Swoop Shares). Consequently, it is highly likely that a Swoop scheme of arrangement at a price of \$0.042 per Vonex Share (payable as a combination of cash and scrip) will fail, should one be proposed.~~

On 18 October 2024, Swoop announced its intention to make an off-market takeover bid to acquire all the Vonex Shares, payable 100% as scrip in fully paid shares in Swoop (**Swoop Shares**) on the basis of 1 Swoop Share for every 4.2 Vonex Shares (**Swoop Takeover Bid**).

As announced to market on 18 October 2024 following receipt of the Swoop Takeover Bid, the Vonex Board observes that the implied value of Vonex Shares under the Swoop Takeover Bid of \$0.05 (5 cents) per Vonex Share, is based on a VWAP of Swoop Shares that is above the closing price of Swoop Shares on the last Trading Day immediately prior to the announcement of the Swoop Takeover Bid. The Vonex Directors otherwise recommended that Vonex Shareholders take no action in relation to the Swoop Takeover Bid.

9.2 Scheme

MaxoTel and Vonex entered into a scheme implementation deed on 25 June 2024 (subsequently varied by deed on 19 August 2024 and 12 September 2024) in relation to the Scheme.

~~In light of this Offer, MaxoTel intends to request that Vonex seek the approval of the Court~~On 22 October 2024, the Court made an order to defer the date of the Scheme Meeting of Vonex Shareholders, to approve the Scheme, which is currently scheduled to be convened ~~on 23 October 2024. Subject to the approval of the Court, MaxoTel intends to seek Vonex's agreement that the Scheme Meeting be deferred until such time following the close of the Offer Period and finalisation of this Offer, being in or around~~to 11.00am (Brisbane time) on Monday, 9 December 2024.

Subject to the Scheme proceeding, MaxoTel intends to carry out all its obligations under

the Implementation Deed and progress the Scheme concurrently with the Offer.

However, if you accept the Offer, you will receive cash proceeds of \$0.042044 (4.24 cents) per Vonex Share on an expedited timetable compared to cash consideration of \$0.0419 (4.19 cents) per Vonex Share under the Scheme (assuming the Scheme is successful).

9.6 On-market acquisitions by MaxoTel

Subject to the requirements of the Corporations Act, MaxoTel may acquire Vonex Shares on market at prices at or below the Offer Price during normal trading on the ASX.

Any such purchases by MaxoTel will be disclosed to the ASX in substantial shareholder notices which MaxoTel is required to lodge under the Corporations Act.

Vonex Shareholders who sell their Vonex Shares on the ASX will receive payment from their Broker. Settlement of trades on the ASX is on a T+2 basis.

Vonex Shareholders who sell Vonex Shares on the ASX cannot subsequently accept the Offer in respect of their Vonex Shares sold on the ASX. In addition, Vonex Shareholders who sell Vonex Shares on the ASX may incur brokerage charges which they may not incur if they accept the Offer.

9.7 No other material information

Except as set out in this Bidder's Statement, there is no other information that is material to the making of the decision by a holder of Vonex Shares whether or not to accept the Offer which is known to MaxoTel and has not previously been disclosed to Vonex Shareholders.

Notwithstanding the commencement of the formal Offer Period noted above, Morgans will acquire in the market on behalf of MaxoTel all Vonex Shares offered at the Offer Price from 10:00am (Melbourne time) on the Announcement Date of 17 October 2024, so you can sell your Vonex Shares at the Offer Price immediately.

10.3 Extension of Offer Period

The Offer Period will be automatically extended by law if MaxoTel's Voting Power in Vonex increases to more than 50% during the last 7 days of the Offer Period. In this case, the Offer Period will end on the 14th day after MaxoTel's Voting Power in Vonex increases to more than 50%.

10.4 Payment by MaxoTel

Notice of withdrawal of the Offer must be given by MaxoTel to ASX.
