

ITL brings on Specialist Small Cap Fund Manager

Founder and Executive Chairman Mr. Bill Mobbs has released a parcel of his 42% of ITL (4.6m shares) to a Specialist Small Cap Fund Manager and to fellow ITL non-executive Director Mr. Mark Peatey. Mr. Mobbs retains 36% of ITL.

Mr. Mobbs comments “ both Mr. Peatey and this fund manager have been trying to take a position in ITL for many months and after failing to find a sizable parcel from other investors, I decided it would be good for ITL to have both these entities on the register, with the opportunity for them to work with ITL to grow the value of the company.”
