ASX Announcement

8 September 2016

Mr Andrew Kabega
Senior Adviser, Listings Compliance (Sydney)
ASX Compliance Pty Ltd

REQUEST FOR TRADING HALT

Genex Power Limited (**ASX: GNX**) (**Genex** or the **Company**) hereby requests a trading halt in its securities from the ASX effective immediately pending the release of an announcement by the Federal Government's Renewable Energy Agency (**ARENA**) in relation to the outcome of the Company's application in respect of ARENA's Large-Scale Solar Funding Award Program for the Company's 50MW Kidston Solar Project.

The trading halt will last until the earlier of the commencement of trading on Monday 12 September, 2016 or the release to the market of an announcement in relation to the outcome of the Company's application.

The Company is not aware of any reason as to why the trading halt should not be granted or any further information required to be disclosed to the market regarding the trading halt.

Yours faithfully,

Justin Clyne
Company Secretary

About Genex Power Limited:

Genex Power is a power generation development company listed on the ASX. The Company is focussed on innovative clean energy generation and electricity storage solutions which deliver attractive commercial returns for shareholders. Genex is currently pursuing a number of unique energy development opportunities across Australia.

The Company's current focus is on the development of its large-scale Kidston hydroelectric pumped storage generation project and its large-scale solar PV project located in Northern Queensland.
