About Australian Clinical Labs

ACL is a leading Australian private provider of pathology services. Our 86 NATA accredited laboratories perform a diverse range of pathology tests each year for a range of clients including doctors, specialists, patients, hospitals and corporate clients. ACL is one of the largest private hospital pathology businesses nationally. ACL is focused on its mission of combining talented people, and medical and scientific leadership, with innovative thinking and technologies to empower decision making that saves and improves patients' lives.
