## ClearView sells CAF equity stake

ClearView Wealth Limited (ASX: **CVW**, 'ClearView') today announced the sale of approximately 39.56 million shares in Centrepoint Alliance Limited (ASX: **CAF** 'Centrepoint') to COG Financial Services Limited (ASX: COG), at a share price of 33c per share representing total consideration of \$13.05 million.

The sale shares represent approximately 19.9% of Centrepoint's current issued capital.

ClearView acquired a 24.5% holding in Centrepoint on 01 November 2021 as consideration for the sale of ClearView's financial advice businesses to Centrepoint and has held the strategic investment since that date.

Given ClearView's sole focus on life insurance, ClearView has determined to sell its strategic investment in Centrepoint.
