Magnetite Mines Limited ACN 108 102 432 (ASX: MGT) (**Company**) provides this notice under section 708A(12C)(e) of the *Corporations Act 2001* (Cth) (**Corporations Act**) pursuant to *ASIC Corporations (Sale Offers: Securities Issued on Conversion of Convertible Notes) Instrument 2016/82* (**Cleansing Notice**).

The Company confirms that:

- (a) the convertible notes described below will be issued without disclosure to an investor under Part 6D.2 of the *Corporations Act*; and
- (b) this Cleansing Notice has been given in accordance with section 708A(12C)(e) of the *Corporations Act*.

The issue of this Cleansing Notice enables the fully paid ordinary shares in the capital of the Company (**Shares**) issued upon the conversion of the convertible notes issued by the Company on the terms described below (**Convertible Notes**) to be on-sold to retail investors without further disclosure.

Neither ASIC nor ASX take responsibility for the contents of this Cleansing Notice.

This Cleansing Notice is important and should be read in its entirety.

1. Background

1.1 Convertible Securities Agreements

On 13 January 2025, the Company announced that it had entered into a Convertible Securities Agreement with each of WVP Emerging Manager Onshore Fund LLC – C/M Capital Series and C/M Capital Master Fund, LP (together **C/M Capital**), being US-based investment funds managed by C/M Capital Partners, LP, to provide funding to the Company of up to, in aggregate, \$7,000,000 (before costs) via a multi-tranche convertible note facility, comprising the issue of Convertible Notes, Shares, and options over Shares (**Options**) to the funds (or their respective nominee) (**Convertible Note Facility**).

Under the Convertible Note Facility, C/M Capital committed to subscribe for Convertible Notes with a total subscription price of \$2,500,000 and the Company has completed those issues on 24 January 2025 (**First Tranche Convertible Notes**) and on 7 March 2025, following shareholder approval at the Company's extraordinary general meeting held on 5 March 2025 (**Second Tranche Convertible Notes**), along with an issue of 8,106,355 Options (**Initial Options**).

Under the Convertible Note Facility, subject to agreement between the parties, C/M Capital has agreed to subscribe for, and the Company has agreed to issue, up to a maximum of 4,860,000 Convertible Notes, raising up to a further \$4,500,000 in one or more tranches (**Subsequent Tranche Convertible Notes**), together with such number of Options which is equal to 50% of the investment amount under each subsequent tranche divided by 120% of the 15 Trading Day average VWAP up to, but excluding, the closing date in respect of the relevant issue of Subsequent Tranche Convertible Notes (**Subsequent Tranche Options**).

The first issue of Subsequent Tranche Convertible Notes occurred on 19 May 2025 when the Company raised \$750,000 by way of an issue of 810,000 Convertible Notes (**Third Tranche Convertible Notes**), together with the issue of 2,881,548 Options (**Third Tranche Options**). The

Third Tranche Convertible Notes and the Third Tranche Options were issued by the Company within its available capacity to issue equity securities under ASX Listing Rule 7.1.

In accordance with the terms of the Convertible Securities Agreements, C/M Capital has agreed to subscribe, and the Company has agreed to issue, on the date of this Cleansing Notice, the following Subsequent Tranche Convertible Notes and Subsequent Tranche Options:

- (a) 314,280 Convertible Notes, raising a total of \$291,000 (**New Convertible Notes**); and
- (b) 1,200,495 Options (**New Options**).

The New Convertible Notes and the New Options are being issued to C/M Capital in accordance with the Company's available capacity to issue equity securities under ASX Listing Rule 7.1. Accordingly shareholder approval is not required for the issue of the New Convertible Notes or the New Options.

A summary of the rights, privileges and restrictions attaching to the New Convertible Notes is set out in Schedule 1 of this Cleansing Notice. The summary is not exhaustive and it does not constitute a definitive statement of the rights and liabilities of a holder of New Convertible Notes (**Noteholder**).

2. Contents of this Cleansing Notice

This Cleansing Notice sets out the following:

- (a) in relation to the New Convertible Notes:
 - (i) the effect of the issue of the New Convertible Notes on the Company;
 - (ii) a summary of the rights and liabilities attaching to the New Convertible Notes; and
 - (iii) a summary of the rights and liabilities attaching to the Shares that will be issued on the conversion of the New Convertible Notes, and
- (b) any information that:
 - (i) has been excluded from continuous disclosure notices in accordance with the ASX Listing Rules; and
 - (ii) is information that investors and their professional advisers would reasonably require for the purpose of making an informed assessment of:
 - (A) the assets and liabilities, financial position and performance, profits and losses and prospects of the Company; and
 - (B) the rights and liabilities attaching to the New Convertible Notes and the Shares; and
 - (iii) other information relating to the Company's status as a disclosing entity.

3. The effect of the issue of the New Convertible Notes on the Company

3.1 Effect of the issue on the Company

The principal effect of the issue of the New Convertible Notes on the Company will be:

- (a) to increase the Company's cash reserves by \$291,000 (before costs associated with the issue of the New Convertible Notes);
- (b) to increase the number of unquoted convertible notes on issue as at the date of this Cleansing Notice from 3,160,000 to 3,474,280;
- (c) the requirement to issue the New Options, which will occur concurrently with the issue of the New Convertible Notes;
- (d) the Company creating a liability for the aggregate face value of the New Convertible Notes (being \$314,280); and
- (e) if the New Convertible Notes are subsequently converted at the lowest possible conversion price (being \$0.08), a maximum increase in the number of Shares on issue from 121,013,179 (being the number of Shares on issue at the date of this Cleansing Notice) to 124,941,679 (assuming no Convertible Notes or other convertible securities, including any Options, that are currently on issue, are converted or exercised prior to the New Convertible Notes being converted).

3.2 Pro Forma Consolidated Statement of Financial Position

To illustrate the effect of the issue of the New Convertible Notes on the Company, a pro forma Consolidated Statement of Financial Position (**Pro-forma Accounts**) which is set out below has been prepared based on the financial position of the Company's audited accounts for the year ended 30 June 2024.

The Pro-forma Accounts show the impact that the issue of the New Convertible Notes and associated securities would have had on the Company's financial position as at 30 June 2024, if those securities had been issued on that date, taking into account the prior issue of:

- (a) the First Tranche Convertible Notes, the Second Tranche Convertible Notes and the Third Tranche Convertible Notes (**Prior Convertible Notes**) to C/M Capital for the receipt by the Company of \$3,250,000 in aggregate in cash;
- (b) the Shares issued to C/M Capital in conjunction with the issue of the First Tranche Securities (**Commencement Shares**);
- (c) the Initial Options and the Third Tranche Options issued to C/M Capital in conjunction with the issue of the Second Tranche Securities and the Third Tranche Securities respectively

under the terms of the Convertible Securities Agreement.

The accounting policies adopted in the preparation of the Pro-forma Accounts are the same as those used in the preparation of the 30 June 2024 audited accounts.

The Pro-forma Accounts are presented in an abbreviated form, insofar as they don't include all of the disclosures required by Australian Accounting Standards applicable to Annual Financial Statements. The Pro-forma Accounts have not been subject to independent audit or review.

The Pro-forma Accounts have been prepared to provide investors with information on the assets and liabilities of the Company and pro-forma assets and liabilities on the basis that the issue of the Prior Convertible Notes and the New Convertible Notes had been issued on 30 June 2024.

The Company advises that the Pro-forma Accounts do not show the current financial position of the Company as at the date of this Cleansing Notice, and that the information is provided for illustrative purposes only.

The Shares issued to the Noteholder on the conversion of the New Convertible Notes under the Convertible Securities Agreements will rank equally in all respects with all of the Company's existing Shares.

Under the Convertible Securities Agreements, the Company is required to apply to ASX for quotation of the Shares issued on any conversion of the New Convertible Notes.

The rights and liabilities attaching to ownership of Shares arise from a combination of the Constitution, statute, the ASX Listing Rules and general law. A copy of the Company's constitution can be inspected free of charge, at the Company's registered office during normal business hours.

The following is a broad summary of the rights, privileges and restrictions attaching to all Shares. This summary is not exhaustive and does not constitute a definitive statement of the rights and liabilities of the Shareholders. The summary assumes that the Company is admitted, and continues to be admitted, to the Official List of the ASX.

² Taking into account the conversion of 350,000 First Tranche Convertible Notes on 25 March 2025, and on the basis that the remaining First Tranche Convertible Notes are converted at the lowest possible Conversion Price, being \$0.08. (a) General meetings

Each Shareholder is entitled to receive notice of, attend and vote at general meetings of the Company and to receive all notices, accounts and other documents required to be sent to Shareholders under the Constitution, Corporations Act and ASX Listing Rules. The Company must give at least 28 days' written notice of a general meeting.

The Company's Constitution enables the Company to hold a general meeting at two or more venues using any technology that gives the Shareholders as a whole a reasonable opportunity to participate. The chair of the meeting may, subject to the Corporations Act and the Constitution, allow the meeting to continue or adjourn the meeting in the event that a technical difficulty prevents a Shareholder from participating in the meeting.

(b) Voting at a general meeting

The Company's Constitution requires the Company to decide resolutions at a general meeting on a show of hands unless a poll is demanded before a vote by show of hands is taken, or before or immediately after the declaration of the result of the show of hands by the chair of the general meeting, by at least five members present and entitled to vote on the relevant resolution or by any member or members present and entitled to vote on the relevant resolution representing at least 5% of the votes that may be cast on the resolution on a poll. In the case of an equality of votes upon any proposed resolution, the chair of the meeting does not have a second or casting vote and the proposed resolution is taken as having been lost.

(c) Dividends

The Board may pay any interim and final dividends that, in its judgement, the financial position of the Company justifies. The Board may also pay any dividend required to be paid under the terms of issue of a Share, and fix a record date for a dividend and decide the method of payment.

(d) Variation of Rights

The procedure set out in the Constitution must be followed for any variation of rights attached to the Shares. Under the Constitution, and subject to the Corporations Act and the terms of issue of a class of shares, the rights attached to any class of shares may be varied:

- with the written consent of the holders of 75% of the shares of the class; or
- by a special resolution passed at a separate meeting of the holders of shares of the class.

(e) Transfer of Shares

Subject to the Constitution and to any rights or restrictions attached to a Shareholder's Shares, Shares may be transferred by proper ASTC transfer (effected in accordance with the ASX Settlement Operating Rules, *Corporations Regulations 2001* (Cth) and ASX Listing Rules) or by a written transfer in any usual form or in any other form approved by the Board and permitted by the Corporations Act and ASX requirements. The Company may decline to register, or prevent registration of, a transfer of Shares or apply a holding lock to prevent a transfer in accordance with the Corporations Act or the ASX Listing Rules.

(f) Winding-up

If the Company is wound up, then subject to the Constitution, the Corporations Act and any rights or restrictions attached to any Shares or classes of shares, Shareholders will be entitled to a share in any surplus property of the Company in proportion to the number of Shares held by them. If the Company is wound up, the liquidator may, with the sanction of a special resolution, divide among the Shareholders the whole or any part of the Company's property and decide how the division is to be carried out as between Shareholders or different classes of shareholders.

(g) Preference Shares

The Company may issue preference shares which are, or at the option of the Company or holder are, liable to be redeemed or converted into ordinary shares, and which may have preferential rights to the rights attaching to Shares. The rights attaching to preference shares are those set out in the Constitution or have been otherwise approved by special resolution of the Company.

(h) Non-marketable parcels

In accordance with the ASX Listing Rules, the Board may sell Shares that constitute less than a marketable parcel by following the procedures set out in the Constitution. A marketable parcel of shares is defined in the ASX Listing Rules and is generally, a holding of shares with a market value of not less than \$500.

(i) Escrow restrictions

In the event that ASX determines that certain Shares should be classified as 'restricted securities', a Shareholder must not dispose of those restricted securities (and the Company must refuse to acknowledge a disposal) during the applicable escrow period, except as permitted by the ASX Listing Rules. Shareholders who hold restricted securities are taken to have agreed that the restricted securities are kept on the Company's issuer sponsored sub-register and to have a holding lock applied for the duration of the escrow period. Shareholders will not be entitled to participate in any return of capital on restricted securities during the escrow period except as permitted by the ASX Listing Rules.

(j) Indemnities

The Company may indemnify each person who is or has been an officer of the Company on a full indemnity basis and to the full extent permitted by law against all losses, liabilities, costs, charges and expenses incurred by the person as an officer of the Company.

The Company may, to the extent permitted by law, purchase and maintain insurance or pay, or agree to pay, a premium for insurance for each officer of the Company against any liability incurred by that person as an officer or auditor of the Company or of a related body corporate, including, but not limited to, a liability for negligence or for legal costs.

(k) Alteration of Constitution

The Constitution can only be amended by special resolution passed by at least three-quarters of Shareholders present (in person or by proxy, attorney or representative) and entitled to vote on the resolution at a general meeting of the Company.

5. Compliance with disclosure obligations

The Company is a "disclosing entity" under the Corporations Act and, as such, is subject to regular reporting and disclosure obligations under both the Corporations Act and the ASX Listing Rules.

These obligations require the Company to notify ASX of information about specific events and matters as they arise. In particular, the Company is obliged to continuously disclose to the market any information which a reasonable person would expect to have a material effect on the price or the value of the Shares.

The Company is also required to prepare and lodge with ASIC yearly and half yearly financial statements accompanied by a directors' statement and report, and an audit report or review. Copies of documents lodged with ASIC in relation to the Company may be obtained from the offices of ASIC.

The Company will provide a copy of each of the following documents, free of charge, to any person on request:
