

## **ASX Announcement** **26 June 2025**

### **Range Successfully Appeals ITO Assessments**

Range International Limited (ASX:RAN, **Company** or **Range**), manufacturer of Re>Pal™ 'zero-waste', recycled plastic pallets is pleased to announce that the Company's subsidiary, PT Repal Internasional Indonesia, has been advised by the Indonesian Tax Court (Jakarta) that it has been successful in both of its appeals (which have been granted in full) with respect to the 2018 Indonesian tax assessments issued by the Indonesian Directorate General of Taxes (IDGT) relating to the Withholding Taxes (WHT) and Value Added Tax (VAT) matters. Accordingly, the tax amount payable has been reduced to nil.

The judgments were handed down at 3:30pm (WIB) / 6:30pm (AEST) on Wednesday, 25 June 2025.

The Board is extremely pleased with the judgments, which after a significant amount of time, brings certainty to the Company, its shareholders and other interested stakeholders, as the Company focuses on delivering on its business objectives.

Executive Chairman, Richard Jenkins said *"The Board would like to acknowledge the persistence and hard work from its Indonesian legal counsel in bringing these two matters to a successful outcome."*

The Board notes that the Company and its advisers will assess the impact of the judgments on the Company and financial accounts. In addition, the Company anticipates the IDGT will review the judgments. If there are any further updates into these to the ITO assessments, the Company will keep the market informed pursuant to its continuous disclosure obligations.

**This announcement has been approved by the Board of Directors.**
