

QUARTERLY ACTIVITIES REPORT DECEMBER 2023

TEMPUS RESOURCES LTD. (“Tempus” or the “Company”) (ASX: TMR,) reports on its activities for the quarter ended 31 December 2023 (the “Quarter”).

PROJECTS

Elizabeth-Blackdome Gold Project (British Columbia, Canada – 100% Tempus)

The Elizabeth-Blackdome Gold Project comprises 315km² (200km² for Blackdome and 115km² for Elizabeth) of mining and exploration licences in southern British Columbia, Canada.

The Blackdome Gold Mine includes relatively unexplored epithermal gold mineralization system that historically produced approximately 230,000 ounces of gold at an average mill head grade of 21.9 g/t gold (1985-1991). The Blackdome Gold Mine includes a fully permitted process plant and associated tailings storage facility.

The Elizabeth Gold Project (approximately 30km south of the Blackdome Mine and associated mill) is a relatively underexplored high-grade mesothermal gold project with mineralisation presenting itself in vein sets that range in true width from 0.5 m to 6.5 metres.

Elizabeth Gold Project

Tempus announced a Mineral Resource Estimate (MRE) on the Elizabeth Gold Project on 2 November 2023. Highlights from the MRE for Elizabeth Project includes:

- 60,900 ounces of gold Indicated, plus 35,200 ounces of gold Inferred
- 63% of the MRE gold ounces in the higher confidence Indicated classification: 317,200 tonnes at 5.97g/t for 60,900 gold ounces
- Indicated and Inferred Resources estimated across 5 main vein groups with the Southwest Vein group containing 67% of the total resource tonnes: 253,100 tonnes at 6.63 g/t for 54,000 ounces of gold Indicated plus 172,100 tonnes at 4.21 g/t for 23,300 ounces of gold Inferred

See Tempus announcement of 2 November 2023 and technical report titled “NI43-101 Technical Report with an Updated Mineral Resource Estimate - Elizabeth Gold Project”, effective date 18 December 2023 (the “Technical Report”) filed on Sedar+. The Technical Report was prepared in accordance with National Instrument 43-101 – Standards of Disclosure for Mineral Projects, on behalf of the Company by independent consultants SRK (Canada) Ltd.

Blackdome Gold Mine

No work was completed on the Blackdome Project during the quarter ending 31 December 2023.

The Elizabeth-Blackdome Projects are currently under care and maintenance status with all mineral licences maintained in good standing.

Zamora Projects (Ecuador – 100% Tempus)

The Zamora Projects are located in the Cordillera del Condor mineral belt of southeast Ecuador which host numerous major gold and copper porphyry deposits. The Zamora Projects include the Valle del Tigre Project and the Rio Zarza Project.

No work was completed on the Zamora Projects during the quarter ending 31 December 2023. The Zamora Projects are currently on care and maintenance status with all mineral licences maintained in good standing.

Other Projects

On 20 September 2023 Tempus announced it entered into a Heads of Agreement (HOA) for an option to acquire 100% interest in Aurora Lithium, a private company that holds the applications for certain mineral claims including the Cormorant Pegmatite Field (the “Cormorant Project”) and the White Rabbit Lithium Prospect (the “White Rabbit Project”) located in central Manitoba. See Tempus announcement of 20 September 2023 for full details of the option to acquire Aurora Lithium.

Following the completion of due diligence, including two geological site visits and analysis of samples, Tempus decided not to proceed with the acquisition of Aurora Lithium and has terminated the HOA. See Tempus announcement dated 6 November 2023.

The Company is currently reviewing new opportunities to acquire new exploration projects while continues to explore options to realise value from its existing projects.

CORPORATE

The Company held **\$177,756** in cash reserves at the end of the quarter. \$405,330 was spent on exploration expenditure on Ecuador and Canadian projects, and \$499,099 on corporate and administration costs. \$188,701 in payments were made to related parties and their associates, this being for directors’ fees, management consulting fees and costs associated with the provision of company secretarial and accounting services.

During the quarter, 31,084,560 fully paid ordinary shares were issued on 9 October 2023 to raise A\$714,945 (before costs).

At the Company’s Annual General Meeting on 29 November 2023, Alexander Molyneux, Mr Jonathan Shellabear, Mr Anthony Cina and Mr Colin Russell all retired from the Board of Tempus. Mr Christopher Hansen and Ms Andrea Betti were appointed as Non-Executive Directors on the same day.

The new Board announced on 29 November 2023 an underwritten non-renounceable 1:1 entitlement offer at an issue price of \$0.005 per share to raise up to approximately \$1.726 million. The entitlement offer was completed in the current quarter.

On 18 December 2023 the Company announced they had received notice under section 203D and 249D of the Corporations Act 2001 (Cth). The meeting is scheduled to be held on 14 February 2024.

TSX V Stock Exchange Delisting

The Company's shares were delisted from the TSX Venture Stock Exchange in Canada effective 27 December 2023. The board of directors of Tempus has decided that it is in the Company's best interests to complete the delisting from the TSX Venture Exchange Delisting due to the following factors:

- The Company believes that the minimal trading activity of the Shares on the Exchange no longer justifies the expense and administrative requirements associated with maintaining its dual listing;
- The majority of the Company's investors are Australian based. Accordingly, a single listing for the Company on the ASX will better serve investors and investments in the Company; and
- The Company's continuing ASX listing is expected to provide shareholders with a sufficiently liquid market

See Tempus announcement of 6 November 2023 and 26 December 2023 for further details.

About Tempus Resources Ltd

Tempus Resources Ltd ("Tempus") is a growth orientated gold exploration company listed on ASX ("TMR"). Tempus is actively exploring projects located in Canada and Ecuador. The flagship project for Tempus is the Blackdome-Elizabeth Project, a high grade gold past producing project located in Southern British Columbia. In addition, the Company holds two exploration projects located in South East Ecuador, the Rio Zarza and the Valle del Tigre projects.

Forward-Looking Information and Statements

This press release contains certain “forward-looking information” within the meaning of applicable Canadian securities legislation. Such forward-looking information and forward-looking statements are not representative of historical facts or information or current condition, but instead represent only the Company’s beliefs regarding future events, plans or objectives, many of which, by their nature, are inherently uncertain and outside of Tempus’s control. Generally, such forward-looking information or forward-looking statements

can be identified by the use of forward-looking terminology such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate”, or “believes”, or variations of such words and phrases or may contain statements that certain actions, events or results “may”, “could”, “would”, “might” or “will be taken”, “will continue”, “will occur” or “will be achieved”. The forward-looking information and forward-looking statements contained herein may include, but are not limited to, the ability of Tempus to successfully achieve business objectives, and expectations for other economic, business, and/or competitive factors.

Forward-looking statements and information are subject to various known and unknown risks and uncertainties, many of which are beyond the ability of Tempus to control or predict, that may cause Tempus’ actual results, performance or achievements to be materially different from those expressed or implied thereby, and are developed based on assumptions about such risks, uncertainties and other factors set out herein and the other risks and uncertainties disclosed under the heading “Risk and Uncertainties” in the Company’s Management’s Discussion & Analysis filed on SEDAR for the quarter ended September 30, 2023 dated November 14, 2023. Should one or more of these risks, uncertainties or other factors materialize, or should assumptions underlying the forward-looking information or statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected. Although Tempus believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements.

The forward-looking information and forward-looking statements contained in this press release are made as of the date of this press release, and Tempus does not undertake to update any forward-looking information and/or forward-looking statements that are contained or referenced herein, except in accordance with applicable securities laws. All subsequent written and oral forward-looking information and statements attributable to Tempus or persons acting on its behalf are expressly qualified in its entirety by this notice
