Jcurve strengthens Singapore business

JCURVE SOLUTIONS LIMITED (ASX: JCS) (Jcurve), the company that builds partnerships that help people and businesses grow, is pleased to announce the strengthening of its Singapore operations through the acquisition of Rapid eSuite's Singapore business (existing customers and pipeline for nominal consideration of SG\$1) along with its two key personnel, Suresh Kalpathy and Prasad Karthikeyan who have both accepted leadership positions within our Singapore operations.

Suresh is well known to Jcurve, having previously sold his Rapid eSuite Thailand business to Jcurve, an acquisition which has added and continues to add, real value with respect to our growth in Asia.

Chris King, CEO of Jcurve, stated "This transaction sees two very seasoned operators joining our team and aligns with our desire to accelerate our growth in Singapore. With Suresh's appointment as General Manager - Singapore, we are excited to see the Singapore market increase its contribution to our Asia business. Suresh brings a strong regional network including relationships with Oracle, our strategic partner in the region."

This announcement has been authorised for release by the Board of Jcurve Solutions Limited.
