Business Update

JCURVE SOLUTIONS LIMITED (ASX: JCS) (Jcurve), the company that develops partnerships to help businesses grow, provides the following update.

Further to the announcement of 27 March 2025, and noting that we are yet to be in a position to provide management reporting of full year results for the financial year to 30 June 2025 (FY2025), we are pleased to advise the following:

1. Our expectation is that there will be a further increase in commission rates for existing customers for the period July to December 2025 following on from the increase we received for the period January to June 2025. This further commission rate increase, although yet to be confirmed, should positively impact our cash flows.
2. Jcurve Group cash position as at 30 June 2025 of approximately A\$1.36m (unaudited), a significant uplift on the 31 December 2024 cash position. Jcurve continues to have no debt.

The Company will update the market when management accounts for FY2025 are finalised.

This announcement has been authorised for release by the Board of Jcurve Solutions Limited.
