Explanatory Statement

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. Annual Report

Shareholders will be offered the opportunity to discuss the Annual Report at the Meeting. The Company will not provide a hard copy of the Annual Report to Shareholders unless specifically requested to do so. The Annual Report is available on its website at www.yojee.com.

There is no requirement for Shareholders to approve the Annual Report. However, the Chair will allow a reasonable opportunity for Shareholders to ask questions or make comments about the Annual Report and the management of the Company. Shareholders will also be given an opportunity to ask the auditor questions as permitted by the Corporations Act.

2. Resolution 1 – Adoption of Remuneration Report

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

The vote on Resolution 1 is advisory only and does not bind the Company or its directors. However, the Board will actively consider the outcome of the vote and comments made by Shareholders on the Remuneration Report when reviewing the Company's future remuneration policies and practices.

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. Resolution 2 – Re-election of Director – Ms Shannon Robinson

3.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Ms Robinson, who has served as a director since 20 January 2016 and was last re-elected on 30 November 2017, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Ms Robinson specialises in providing corporate and strategic advice in relation to acquisitions and mergers, capital raisings, listing of companies on stock exchanges (ASX and AIM), due diligence reviews and legal compliance and managing legal issues associated with activities undertaken by clients. Ms Robinson is a former corporate lawyer having gained extensive corporate experience as a solicitor at boutique corporate law firms. Ms Robinson has been a director of several ASX and AIM listed companies and is currently a non-executive director of the Company and an executive director of Homestay Care Limited (ASX:HSC).

3.3 Independence

If elected, the board considers that Ms Robinson will be an independent director.

3.4 Board recommendation

The Board supports the re-election of Ms Robinson and recommends that Shareholders vote in favour of Resolution 2.

4. Resolution 3 – Election of Director – Mr Gary Flowers

4.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the first to occur of the next following general meeting or annual general meeting, and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Flowers, having been appointed by other Directors on 1 May 2019 in accordance with the Constitution, will retire in accordance with the Constitution and ASX Listing Rule 14.4 and, being eligible, seeks election from Shareholders.

4.2 Qualifications and other material directorships

Mr Flowers has extensive listed company experience and is widely recognised for transforming organisations where culture is valued as a sustainable advantage; engaging staff, stakeholders and the public. Mr Flowers has been integral in establishing brands on a global stage across Australia, New Zealand, Asia, Europe, Middle East and the USA, primarily across three distinctive industry sectors, Professional Services, Sports & Media, and Property. Mr Flowers currently serves in the

capacity of Chairman for Mainbrace Constructions Pty Ltd, NSW Institute of Sport and EMM Consulting.

4.3 Independence

Mr Flowers has no interests, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the board and to act in the best interest of the entity and its security holders generally.

If elected, the Board considers that Mr Flowers will be an independent director.

4.4 Board recommendation

The Board supports the election of Mr Flowers and recommends that Shareholders vote in favour of Resolution 3.

5. Resolution 4 – Approval to Issue Options to Mr Gary Flowers

5.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue to Mr Gary Flowers (or his nominee) (**Related Party**) 3,000,000 unlisted Options as follows:

- (a) 1,500,000 Options vesting upon the completion by Mr Flowers of 12 months of service to the Company, with an exercise price of \$0.10 each (**Class A Director Options**); and
- (b) 1,500,000 Options vesting upon the completion by Mr Flowers of 24 months of service to the Company, with an exercise price of \$0.15 each (**Class B Director Options**),

exercisable on or before that date that is three (3) years from the date of issue (**Director Options**). Full terms and conditions of the Director Options are set out in Schedule 1.

This Resolution seeks Shareholder approval for the issue of the Director Options to the Related Party.

5.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Options constitutes giving a financial benefit, and Mr Flowers is a related party of the Company by virtue of being a Director.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Director Options because the agreement to issue the Director Options, reached as part of the remuneration package for Mr Flowers, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

5.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related

party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

As the grant of the Director Options involves the issue of securities to a related party of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances.

5.4 Technical Information required by ASX Listing Rule 10.11

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to this Resolution 4:

- (a) the Director Options will be issued to Mr Gary Flowers (or his nominee);
- (b) the maximum number of Options to be issued is 3,000,000;
- (c) the Director Options will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of all of the Director Options will occur on the same date;
- (d) the Director Options will be issued for nil cash consideration; accordingly, no funds will be raised;
- (e) the Director Options are being issued on the terms and conditions set out in Schedule 1.

Approval pursuant to ASX Listing Rule 7.1 is not required for the issue of the Director Options as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Director Options to Mr Flowers (or his nominee) will not be included in the use of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.

6. Resolution 5 – Approval to Issue Options to Advisory Board Members

6.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue to each member of the Company's Advisory Board (or their nominees), being Ms Lynn Mickleburgh, Mr Peter McLean, and Mr David Morton (together, the **Advisory Board Member**), 2,000,000 unlisted Options each, as follows:

- (a) 1,000,000 Options vesting upon the completion by the holder of 12 months of service to the Company, with an exercise price of \$0.10 each (**Class A Advisor Options**); and
- (b) 1,000,000 Options vesting upon the completion by the holder of 24 months of service to the Company, with an exercise price of \$0.15 each (**Class B Advisor Options**),

exercisable on or before that date that is three (3) years from the date of vesting (**Advisor Options**). Full terms and conditions of the Advisor Options are set out in Schedule 2.

This Resolution seeks Shareholder approval pursuant to ASX Listing Rule 7.1 for the issue of the Advisor Options to the Advisory Board Members.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The effect of this Resolution will be to allow the Company to issue the Advisor Options during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

6.2 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to this Resolution 5:

- (a) the maximum number of Options to be issued is 6,000,000;
- (b) the Advisor Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of all of the Advisor Options will occur on the same date;
- (c) the Advisor Options are being issued for nil cash consideration as part of the Advisory Board Members' remuneration package;
- (d) 1,000,000 Class A Advisor Options and 1,000,000 Class B Advisor Options will be issued to each of the Advisory Board Members (Ms Mickleburgh, Mr McLean and Mr Morton) (or their nominees), none of whom will be a related party of the Company;
- (e) the Advisor Options are being issued on the terms and conditions set out in Schedule 2; and
- (f) no funds will be raised from the issue of the Advisor Options, as they are being issued as part of the Advisory Board Members' remuneration package.

7. Resolution 6 – Approval of 10% Placement Capacity

7.1 General

ASX Listing Rule 7.1A provides that an "eligible entity" may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities equal to 10% of its issued capital at the time of issue calculated in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (**Additional Placement Capacity**) without using that company's existing 15% annual placement capacity granted under ASX Listing Rule 7.1 and without requiring further shareholder approval prior to the issue.

The Board considers it is in the Company's best interests to have the opportunity to take advantage of the flexibility to issue additional securities provided under ASX Listing Rule 7.1A. As at the date of this Notice, no decision has been made by the Board to undertake any issue of securities under the Additional Placement Capacity if Shareholders approve Resolution 6.

The Board unanimously recommend that Shareholders vote in favour of Resolution 6.

The information below provides more background on ASX Listing Rule 7.1A and the disclosure required by ASX Listing Rule 7.3A.

7.2 Description of ASX Listing Rule 7.1A

(a) Eligible entity

Under the ASX Listing Rules, an "eligible entity" is an entity which, as at the date of the relevant resolution, is not included in the S&P/ASX300 Index and has a market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) equal to or less than \$300 million. As at 24 September 2019, the Company is an "eligible entity" as it is not included in the S&P 300 Index and has a current market capitalisation of

approximately \$63,558,000 (based on the number of Shares on issue and the closing price of Shares on ASX on 24 September 2019).

(b) **Special resolution**

The Additional Placement Capacity requires shareholder approval by way of a special resolution at an annual general meeting. This requires at least 75% of the votes to be cast in favour of the resolution by members entitled to vote on the resolution.

(c) **Securities which may be issued under the Additional Placement Capacity**

Under the Additional Placement Capacity, the Company must issue Equity Securities belonging to an existing quoted class of the Company's Equity Securities. As at the date of this Notice, the Company has on issue one class of quoted Equity Securities, being fully paid ordinary shares (ASX Code: YOJ).

(d) **Minimum issue price**

The issue price of each Equity Security issued under the Additional Placement Capacity must be no less than 75% of the volume weighted average price for the securities in that class, calculated over the 15 ASX trading days on which trades of securities in that class were recorded immediately before:

- (i) the date on which the issue price is agreed for the securities under the Additional Placement Capacity; or
- (ii) if the securities are not issued under the Additional Placement Capacity within 5 ASX trading days of the date in paragraph (i) above, the date on which the securities are issued.

The Company will disclose this information when Equity Securities are issued under the Additional Placement Capacity.

(e) **Time period for issue**

The Equity Securities may be issued under the Additional Placement Capacity during the period commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting; or
- (ii) if the Company receives Shareholder approval for a proposed transaction under ASX Listing Rule 11.1.2 (significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking), the date of that approval, after which date, an approval under ASX Listing Rule 7.1A will cease to be valid,

(Additional Placement Period).

(f) **Dilution risks**

If Equity Securities are issued under the Additional Placement Capacity, there is a risk of economic and voting dilution of existing Shareholders, including the following risks:

- (i) the market price for Equity Securities in the class of securities issued under the Additional Placement Capacity may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A (that is, the date of the Meeting, if Resolution 6 is approved); and
- (ii) the Equity Securities may be issued under the Additional Placement Capacity at a

discount to the market price for those Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2, both as at 24 September 2019.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue as at 24 September 2019. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlement offer or securities issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and
- (iii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at 24 September 2019.

| Number of Shares on Issue* (Variable 'A' in ASX Listing Rule 7.1A2) | Dilution | | | |
|---|--|--|------------------------|--|
| | Issue Price (per Share) | \$0.0375 50% decrease in Issue Price | \$0.075 Issue Price | \$0.1125 50% increase in Issue Price |
| 847,440,000 (Current Variable A) | Shares issued - 10% voting dilution | 84,744,000 Shares | 84,744,000 Shares | 84,744,000 Shares |
| | Funds Raised | \$3,177,900 | \$6,355,800 | \$9,533,700 |
| 1,271,160,000 (50% increase in Variable A) | Shares issued - 10% voting dilution | 127,116,000 Shares | 127,116,000 Shares | 127,116,000 Shares |
| | Funds Raised | \$4,766,850 | \$9,533,700 | \$14,300,550 |
| 1,694,880,000 (100% increase in Variable A) | Shares issued - 10% voting dilution | 169,488,000 Shares | 169,488,000 Shares | 169,488,000 Shares |
| | Funds Raised | \$6,355,800 | \$12,711,600 | \$19,067,400 |

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- There are currently 847,440,000 Shares on issue.
- The issue price set out above is the closing price of the Shares on the ASX on 24 September 2019.
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
- The issue of Equity Securities under the Additional Placement Capacity consists only of Shares and the consideration provided for those Shares is cash. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(g) **Purpose of issue under Additional Placement Capacity**

The Company may issue Equity Securities under the Additional Placement Capacity for the following purposes:

- (i) to provide non-cash consideration for new asset purchases or investments; or
- (ii) to raise cash to fund:
 - (A) general working capital expenses;
 - (B) activities associated with its current assets;
 - (C) repayment of debt; or
 - (D) the acquisition of new assets and investments (including any expenses associated with such an acquisition).

The Company will comply with the disclosure ASX Listing Rules 7.1A.4 and 3.10.5A on issue of any Equity Securities issued pursuant to the approval sought by Resolution 6. If Equity Securities are issued for non-cash consideration, the Company will at the time of issue of the Equity Securities provide a valuation of the non-cash consideration that demonstrates that the issue price of the securities is at or above the minimum issue price, in accordance with the Note to ASX Listing Rule 7.1A.3. The Company intends to maintain the ability to issue securities under ASX Listing Rule 7.1A for non-cash consideration.

(h) **Allocation policy under Additional Placement Capacity**

The Company's allocation policy and the identity of the recipients of Equity Securities issued under the Additional Placement Capacity will be determined on a case-by-case basis at the time of issue and in the Company's discretion.

No decision has been made in relation to an issue of Equity Securities under the Additional Placement Capacity, including whether the Company will engage with new investors or existing Shareholders, and if so the identities of any such persons.

However, when determining the allocation policy and the identity of the recipients, the Company will have regard to the following considerations:

- (i) prevailing market conditions;
- (ii) the purpose for the issue of the Equity Securities;
- (iii) the financial situation and solvency of the Company;
- (iv) impacts of the placement on control;
- (v) other methods of raising capital; and

- (vi) advice from corporate, financial and broking advisers (if applicable).

Recipients may include existing Shareholders or new investors, but not persons who are related parties or associates of related parties of the Company. If the issue is made in connection with the acquisition of assets, the recipients may be the sellers of those assets.

(i) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 30 November 2017 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting, being on and from 22 November 2018, the Company did not issue any Shares or Options, but issued a total of 2,000,000 unquoted performance rights, which represents approximately 0.21% of the total diluted number of Equity Securities on issue in the Company on 22 November 2018, which was 950,606,644.

Further details of the issues of Equity Securities by the Company during the 12 month period preceding the date of the Meeting are set out in Schedule 3.

7.3 Voting exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 6.

8. Resolution 7 – Replacement of Constitution

8.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of its shareholders.

Resolution 7 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed Australian public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted in 2010.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- (a) updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer); and
- (b) expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available upon request to the Company (+61 8 6489 1600).

8.2 Summary of material proposed changes

Restricted Securities (clause 2.12)

ASX is proposing a number of rule changes to make aspects of the listing process and ongoing compliance with the listing rules more efficient for issuers and for ASX.

ASX is proposing to introduce a two-tier escrow regime where ASX can (and will) require certain more significant holders of restricted securities and their controllers to execute a formal escrow agreement in the form of Appendix 9A, as is currently the case. However, for less significant holdings, ASX will instead permit entities to rely on a provision in their constitution imposing appropriate escrow restrictions on the holder of restricted securities and to simply give a notice to the holder of restricted securities in the form of a new Appendix 9C advising them of those restrictions.

Once the new listing rules come into effect, which is expected on 1 December 2019, a company cannot issue restricted securities unless the constitution includes the wording in clause 2.12 of the Proposed Constitution, which reflects the proposed amendments to ASX Listing Rule 15.12. Given the Company is already admitted to the official list of ASX, the circumstances in which the Company may issue restricted securities is limited, and would most likely relate to transactions requiring approval under ASX Listing Rule 10.1 or if the Company was required to re-comply with Chapters 1 and 2 of the ASX Listing Rules because of the application of ASX Listing Rule 11.1.3 (i.e. a significant change to the Company's nature or scale of activities).

Minimum Shareholding (clause 3)

Clause 3 of the Constitution outlines how the Company can manage shareholdings which represent an "unmarketable parcel" of shares, being a shareholding that is less than \$500 based on the closing price of the Company's Shares on ASX as at the relevant time.

The Proposed Constitution is in line with the requirements for dealing with "unmarketable parcels" outlined in the ASX Listing Rules such that where the Company elects to undertake a sale of unmarketable parcels, the Company is only required to give one notice to holders of an unmarketable parcel to elect to retain their shareholding before the unmarketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Clause 3 of the Proposed Constitution outlines in detail the process that the Company must follow for dealing with unmarketable parcels.

Fee for registration of off market transfers (clause 8.4(c))

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to as "off-market transfers".

Clause 8.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

Dividends (clause 22)

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- (a) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- (b) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- (c) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

Partial (proportional) takeover provisions (clause 36)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company had included in the Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act. This clause of the Constitution ceased to have effect on the third anniversary of the date of its adoption or last renewal and is therefore not in effect as at the date of this Notice of Meeting.

The Company has included in the Proposed Constitution the same provision with respect to proportional takeover bids. This clause of the Proposed Constitution will again cease to have effect on the third anniversary of the date of the adoption or last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all of their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the inclusion of the proportional takeover provisions in the Proposed Constitution is in the interests of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 7.
