### About Lincoln Minerals Limited

Lincoln Minerals Limited (ASX: LML) is a mineral exploration company, focused on graphite, copper and iron ore in South Australia across twelve licence holdings totalling 1,151 km<sup>2</sup>. The Company's flagship asset, the Kookaburra Gully Graphite Project has a defined JORC Resource and is located 35km north of Port Lincoln on the Eyre Peninsula. Lincoln is focused on progressing Kookaburra Gully to an advance mining Feasibility Study, embarking on a fully funded exploration and drilling program across all tenements in 2023.
