ANTAM LAUNCH THE INDONESIAN BATIK MOTIF GOLD SERIES II

Jakarta, April 24, 2018 - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM) a member of Industrial Mining Holding through the Precious Metal Processing and Refinery Business Unit (UBPP LM) has launched the gold minted bar of Indonesian Batik Motifs Series II.

The launch of Indonesian Batik Motifs Gold Minted Bar Series II is development form the previous batik series I as a part of ANTAM strategy to increase the added value of ANTAM's gold minted bar products. The launching ceremony was held on April 18, 2018 in Jakarta by ANTAM's Marketing Director, Tatang Hendra.

ANTAM's Marketing Director, Tatang Hendra said:

"With exclusive design and luxury packaging, launch of the gold minted bar of Indonesian Batik Series II is a part of ANTAM's appreciation to the Indonesian culture and enhance the added value of ANTAM's gold product as a valuable investment item. We aim to increase the aesthetic value of ANTAM's gold bar for our investors and gold buyers as well as supporting the Indonesian batik cultural literacy."

The gold minted bar of Indonesian Batik Series II product is available in four Indonesian batik motifs: Truntum motifs from Surakarta, Wahyu Tumurun from Yogyakarta, Sekar Jagad motifs from Yogyakarta and Purbonegoro motifs from Yogyakarta. Each bar of Indonesian Batik Motifs Gold Minted Bar Series II product is cast on 10 and 20 gram of pure gold with 99.99% purity. The Batik Motifs products can also be treated as collection treasures as the uniqueness of batik pattern on gold bars will draw both batik and gold bars enthusiasts.

The gold minted bar of Indonesian Batik Series II has special characteristic compared to the first series. The second series will be casted on wider shape dimension to enhance the batik pattern visibility of Truntum, Wahyu Tumurun, Sekar Jagad, and Purbonegoro motifs. The products has special features including the exclusive design with high artistic value as well as packing with luxury packaging.

The gold minted bar of Indonesian Batik Series II can be purchased in ANTAM's Precious Metal Gold Boutiques throughout Indonesia which located in Jakarta (3 boutiques), Bandung, Surabaya (2 boutiques), Makassar, Palembang, Semarang, Balikpapan, Banjarmasin, Medan, Bali and Yogyakarta. The UBPP LM is the only gold processing and refinery plant in Indonesia which accredited as Good Delivery List Refiner from London Bullion Market Association (LBMA).
