Compliance statement

The cash flow report for the quarter ended 30 September 2014 was prepared by the Administrators who were not in control of the Company at the time the Group entered voluntary administration or for the full periods presented in this report. The Administrators who prepared this cash flow report were appointed on 22 September 2014. Every reasonable effort has been made by the Administrators to ascertain the true position of the Company as at 30 September 2014.

Although the Administrators have prepared this cash flow report to the best of their knowledge based on the information made available to them, they are of the opinion that it is not possible to state that this cash flow report and other information has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001, nor is it possible to state this financial report gives a true and fair view of the Group's financial position as at 30 September 2014.

Notes

- 1 The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
- 2 The "Nature of interest" (items 6.1 and 6.2) includes options in respect of interests in mining tenements acquired, exercised or lapsed during the reporting period. If the entity is involved in a joint venture agreement and there are conditions precedent which will change its percentage interest in a mining tenement, it should disclose the change of percentage interest and conditions precedent in the list required for items 6.1 and 6.2.
- 3 **Issued and quoted securities** The issue price and amount paid up is not required in items 7.1 and 7.3 for fully paid securities.
- 4 The definitions in, and provisions of, *AASB 1022: Accounting for Extractive Industries* and *AASB 1026: Statement of Cash Flows* apply to this report.
- 5 **Accounting Standards** ASX will accept, for example, the use of International Accounting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
