ASX ANNOUNCEMENT
31 July 2017

Quarterly Activities Report Quarter Ended June 30, 2017

AustSino Resources Group Limited ("AustSino" or the "Company") is pleased to present its quarterly activities report ended 30 June 2017.

Operational

During the quarter the Company continued its discussions with potential investors in China. These discussions/negotiations are not yet finalised but the Company believes good progress is being made.

The Company is acutely aware of the long-term nature of these discussions thus far and the Board is working with the potential investors with a firm purpose that these negotiations reach a conclusion within the next 2 months.

The Board has also initiated a review of ongoing expenses and implemented steps in the current quarter to reduce the level of current and future spend on administration and non-essential operating costs, where feasible.

Tenement Management

Following is the schedule of AustSino's tenements as at 30 June 2017.
