# SANTA FE MINERALS LIMITED

## ASX CODE: SFM

### Board of Directors

Mark Jones - Non-Executive Chairman

Doug Rose - Managing Director

Terence Brown - Non-Executive Director

Liquid Assets (unaudited at 27-Nov) **A\$5.4M**

Shares on Issue 72.8M

Options on Issue 1.75M

Share Price (27-Nov) A\$0.10

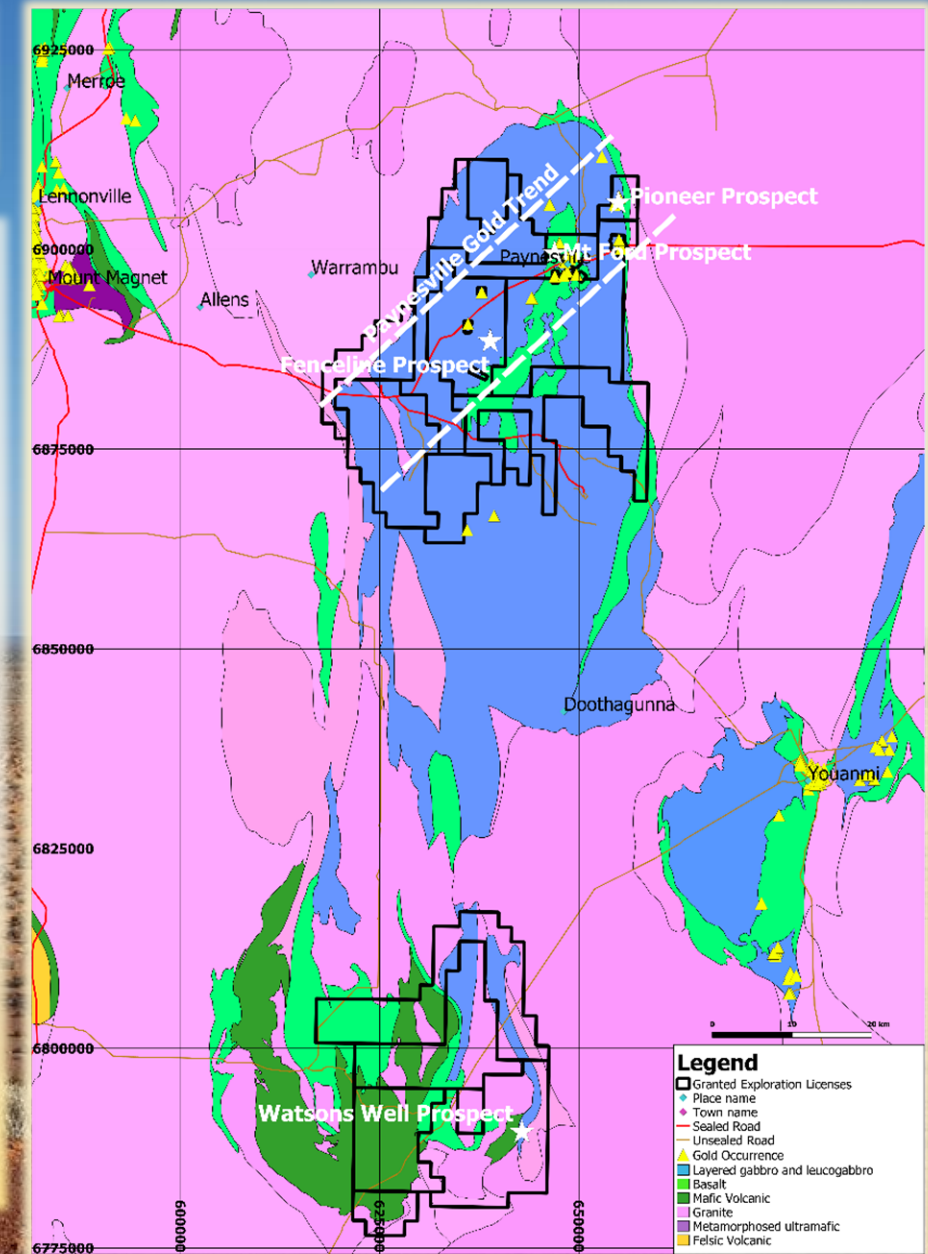

Market Capitalisation **A\$7.28M**

# CURRENT EXPLORATION PROJECTS – WESTERN AUSTRALIA

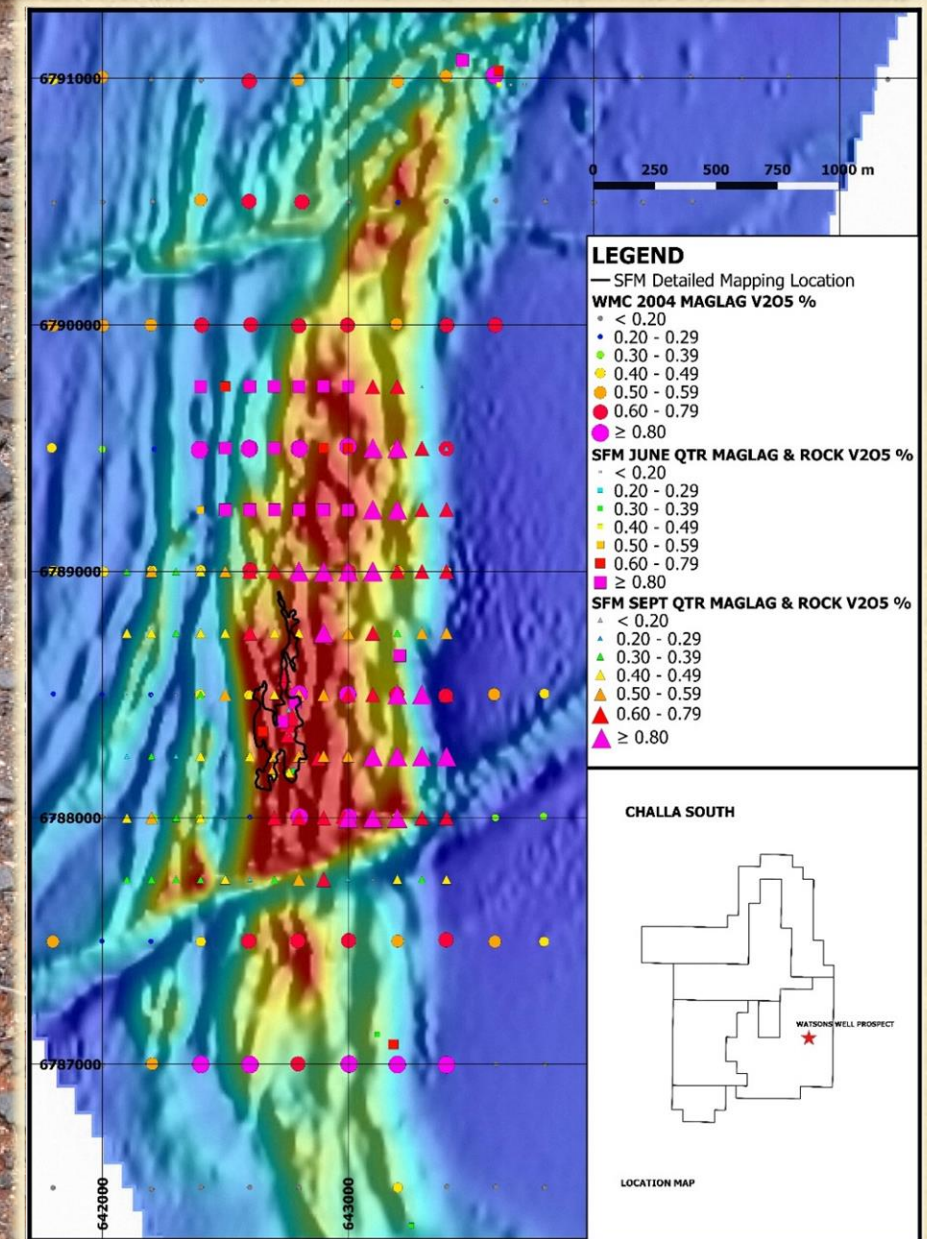

- 14 large scale exploration licences across 1,884km<sup>2</sup>
- Four Key Targets:
  - Watsons Well (Vanadium)
  - Fenceline/Paynesville Central (Gold)
  - Pioneer/Windsor (Gold)
  - Mt Ford (Gold)

# WATSONS WELL - VANADIUM

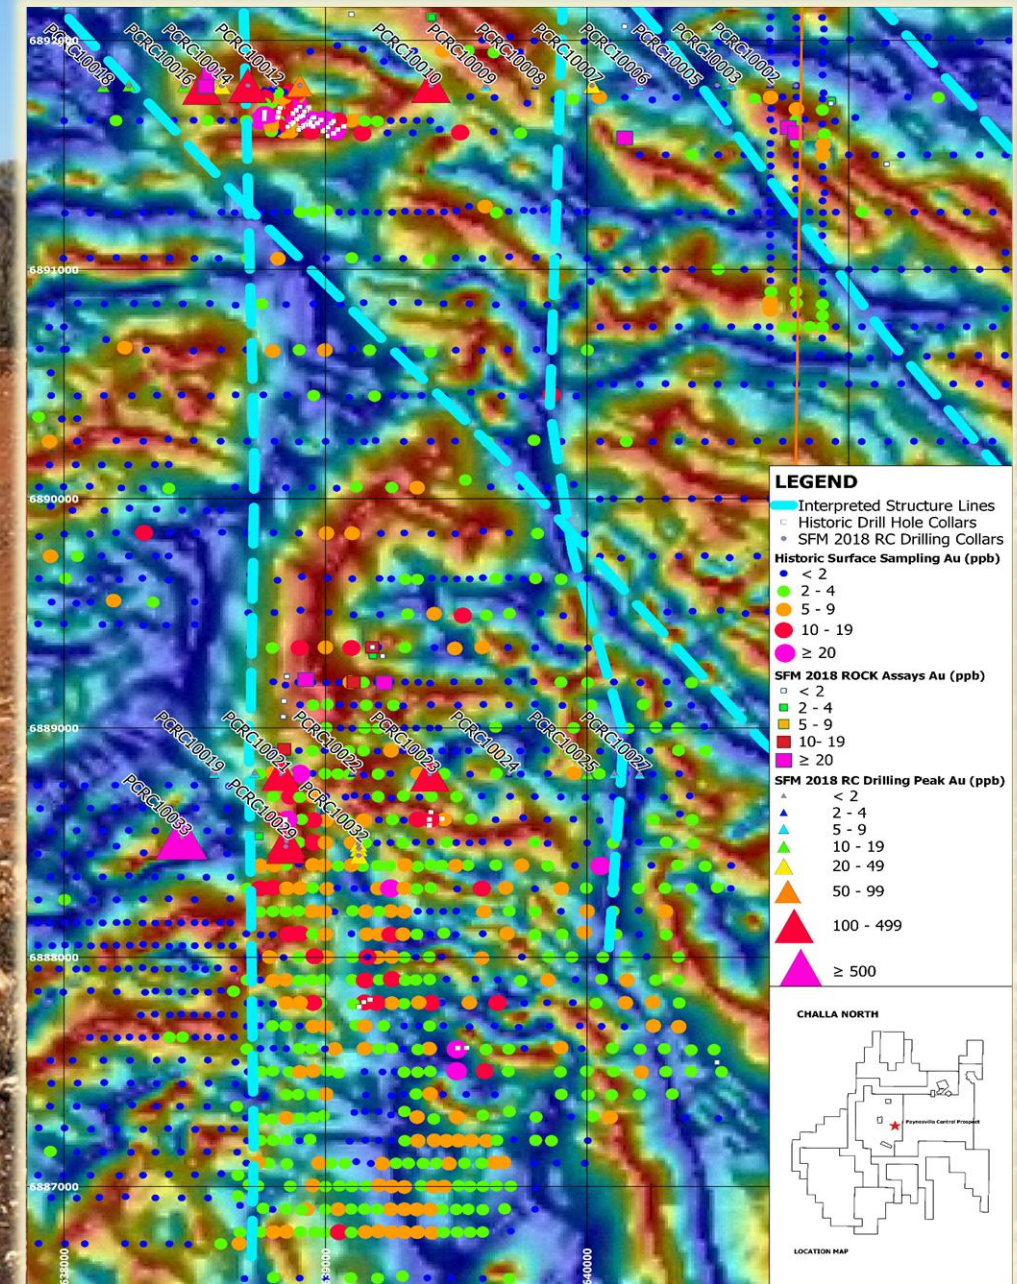

- 5km long magnetic anomaly.
- Peak rock chip grading 1.64% V2O5\*.
- Extensive systematic MAGLAG sampling completed.
- Eastern side of the anomaly proposed to be the lower section of the Shepherd's Discordant Zone.

# FENCELINE/PAYNESVILLE CENTRAL - GOLD

- 5km x 2km surface gold anomaly – underexplored.
- Highly active prospecting area but mostly covered.
- Drilling undertaken in 2018 shows that east/west quartz veins could be late cycle gold events – major North/South structure is the primary target.

# FENCELINE/PAYNESVILLE CENTRAL – GOLD (CONTINUED)

- 1,563m of Slim-Line RC Drilling completed across Paynesville Central and Fenceline.
- Drilling at east/west striking Fenceline indicates late stage event with only patchy mineralisation.
- 2 broad spaced regional traverses testing north/south regional structures showed encouraging results (up to 0.389 grams per tonne\*).
- Mineralisation found in numerous holes adjacent to north/south structure.
- Follow-up infill Aircore program planned

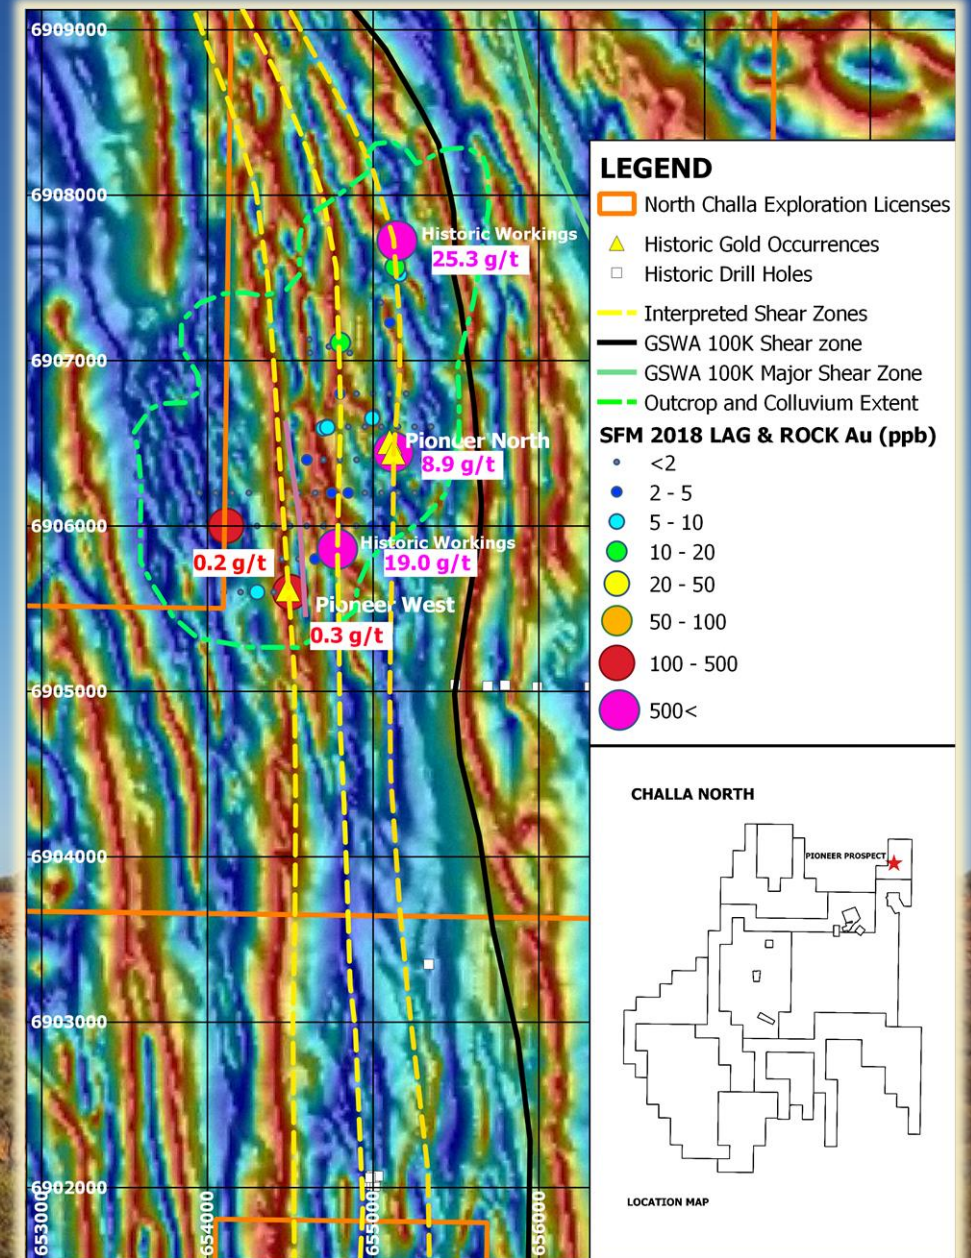

Reverse Circulation drilling at Fenceline Gold - 28 May 2018

# PIONEER/WINDSOR - GOLD

- 3 high grade historic mine workings with best grades up to **25.3g/t** have been mapped within a 2.2km Gold-Copper-Bismuth mineral system\*.
- Along strike from historic Windsor open pit
- Follow-up infill Aircore program planned

THANK YOU

# Disclaimer

## NOT AN OFFER OF SECURITIES

This document has been independently prepared by Santa Fe Minerals Ltd (**SFM**) and is provided for informational purposes only.

This document does not constitute or contain an offer, invitation, solicitation or recommendation with respect to the purchase or sale of any security in SFM. This document does not constitute an offer to sell, or a solicitation of an offer to buy, any securities in any jurisdiction (in particular, the United States), or a securities recommendation. This document is not a prospectus, product disclosure statement or other offering document under Australian law or any other law, and will not be lodged with the Australian Securities and Investments Commission.

## Summary information

This document contains a summary of information about SFM and its activities that is current as at the date of this document. The information in this document is general in nature and does not purport to be complete or to contain all the information which a prospective investor may require in evaluating a possible investment in SFM or that would be required in a prospectus or a product disclosure statement prepared in accordance with the *Corporations Act 2001* (Cth) (**Corporations Act**).

## No liability

The information contained in this document has been prepared in good faith by SFM, however no guarantee representation or warranty expressed or implied is or will be made by any person (including SFM and its affiliates and their directors, officers, employees, associates, advisers and agents) as to the accuracy, reliability, correctness, completeness or adequacy of any statements, estimates, options, conclusions or other information contained in this document.

To the maximum extent permitted by law, SFM and its affiliates and their directors, officers employees, associates, advisers and agents each expressly disclaims any and all liability, including, without limitation, any liability arising out of fault or negligence, for any loss arising from the use of or reliance on information contained in this document including representations or warranties or in relation to the accuracy or completeness of the information, statements, opinions, forecasts, reports or other matters, express or implied, contained in, arising out of or derived from, or for omissions from, this document including, without limitation, any financial information, any estimates or projections and any other financial information derived therefrom.

Statements in this document are made only as of the date of this document unless otherwise stated and the information in this document remains subject to change without notice. No responsibility or liability is assumed by SFM or any of its affiliates for updating any information in this document or to inform any recipient of any new or more accurate information or any errors or mis-descriptions of which SFM and any of its affiliates or advisers may become aware.

## Forward looking statement

Certain information in this document refers to the intentions of SFM, but these are not intended to be forecasts, forward looking statements or statements about the future matters for the purposes of the Corporations Act or any other applicable law. The occurrence of the events in the future are subject to risk, uncertainties and other actions that may cause SFM's actual results, performance or achievements to differ from those referred to in this document. Accordingly SFM and its affiliates and their directors, officers, employees and agents do not give any assurance or guarantee that the occurrence of these events referred to in the document will actually occur as contemplated.

Statements contained in this document, including but not limited to those regarding the possible or assumed future costs, performance, dividends, returns, revenue, exchange rates, potential growth of SFM, industry growth or other projections and any estimated company earnings are or may be forward looking statements. Forward-looking statements can generally be identified by the use of words such as 'project', 'foresee', 'plan', 'expect', 'aim', 'intend', 'anticipate', 'believe', 'estimate', 'may', 'should', 'will' or similar expressions. These statements relate to future events and expectations and as such involve known and unknown risks and significant uncertainties, many of which are outside the control of SFM. Actual results, performance, actions and developments of ÉZA may differ materially from those expressed or implied by the forward-looking statements in this document.

Such forward-looking statements speak only as of the date of this document. There can be no assurance that actual outcomes will not differ materially from these statements. To the maximum extent permitted by law, SFM and any of its affiliates and their directors, officers, employees, agents, associates and advisers:

- disclaim any obligations or undertaking to release any updates or revisions to the information to reflect any change in expectations or assumptions;
- do not make any representation or warranty, express or implied, as to the accuracy, reliability or completeness of the information in this document, or likelihood of fulfilment of any forward-looking statement or any event or results expressed or implied in any forward-looking statement; and
- disclaim all responsibility and liability for these forward-looking statements (including, without limitation, liability for negligence).

## Not financial product advice

This document does not constitute financial product advice or take into account your investment objectives, taxation situation, financial situation or needs. This document consists purely of factual information and does not involve or imply a recommendation of a statement of opinion in respect of whether to buy, sell or hold a financial product.

An investment in SFM is considered to be speculative in nature. Before making any investment decision in connection with any acquisition of securities, investors should consult their own legal, tax and/or financial advisers in relation to the information in, and action taken on the basis of, this document.

## Information in this document is confidential

This document and the information contained within it are strictly confidential and are intended for the exclusive benefit of the persons to whom it is given. It may not be reproduced, disseminated, quoted or referred to, in whole or in part, without the express consent of SFM. By receiving this document, you agree to keep the information confidential, not to disclose any of the information contained in this document to any other person and not to copy, use, publish, record or reproduce the information in this document without the prior written consent of SFM, which may be withheld in its absolute discretion.

## Acceptance

By attending an investor presentation or briefing, or accepting, accessing or reviewing this document you acknowledge and agree to the "Disclaimer" as set out above.

## COMPLIANCE STATEMENT

The information in this document that relates to the Challa Projects is based on information compiled by Mr. Mark Carder who is a Member of the Australian Institute of Geoscientists. Mr. Carder is an Employee of SFM Corporation Limited and has sufficient experience which is relevant to the style of mineralisation under consideration to qualify as a Competent Person as defined in the 2012 Edition of the 'Australian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'. All exploration results. Maps, diagrams and other geological information has previously been released to ASX.
