

Rent.com.au Announces Significantly Improved Half Year Results

Rent.com.au Limited (ASX: **RNT**) ("**RENT**" or "**the Company**"), Australia's Number 1 website dedicated to rental property, is pleased to announce its results for the financial half-year ended 31 December 2017 ("**1H FY18**").

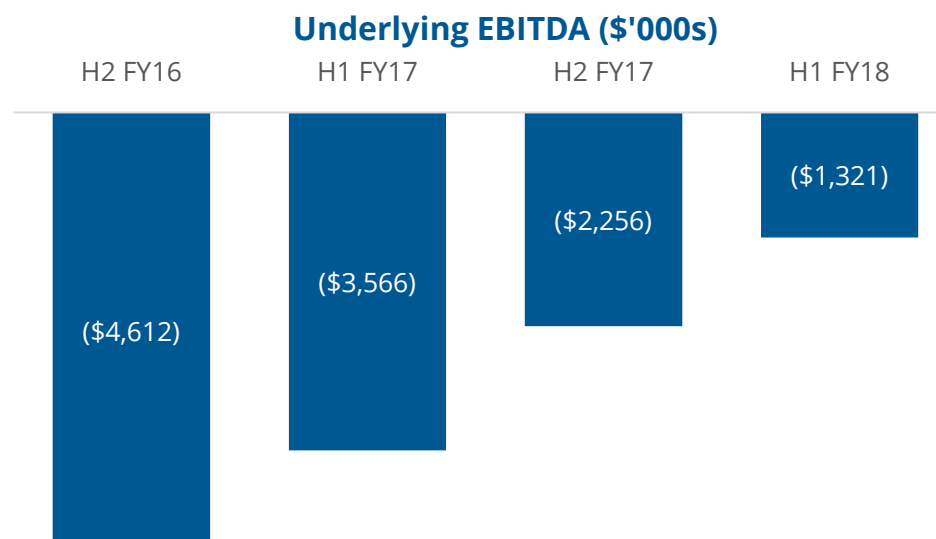

Key Highlights

- > 42% growth in revenue compared with 1H FY17
- > 63% reduction in EBITDA loss compared with 1H FY17
- > 172% increase in Renter Products revenue compared with 1H FY17

"These results show that we have taken significant steps toward our short-term goal of EBITDA breakeven. 12 months ago, we said we would stabilise the cost base and focus on our key customer, the renter," commented RENT CEO, Greg Bader.

"We've certainly done that," Mr Bader continued. "Much more to do of course but we've grown revenue from renters by roughly three times. This is supported by the growing awareness of Rent.com.au and the unique and useful content and features that we offer, as evidenced by over a quarter of a million renters creating Renter Resume's in just 16 months since launch."
