ARGENT CEO TO STEP DOWN

Argent Minerals Limited (Argent or the Company) announces that as part of its focus to cut costs and improve efficiency, the company structure has been reviewed by the Board.

After full consideration, the Board has given six months' termination notice to the Company CEO David Busch, in compliance with his employment contract. Mr. Busch will be leaving the Company after more than two years in this role and five years as a board member.

Chairman Peter Wall said that David has made significant contribution in progressing the Company's Kempfield and West Wyalong projects. On behalf of the Board I would like to thank David for his contribution in leading the development of the Company and wish him all the very best for his future endeavors.

Yours faithfully

Peter Wall
Chairman
