Expiry of Option to Sell Mystique Exploration Licence

Black Fire Minerals Ltd ("**Black Fire**" or "**Company**") advises that it has been given notice by Parmelia Resources NL, of its decision not to exercise the Option to acquire the Company's Mystique Exploration Licence (E28/1915) as previously announced to ASX on 7 March 2014.

Black Fire will now assess alternative options with regard to the divestment of this Licence, including seeking expressions of interest to acquire its 100% interest in the Licence, which contains multiple historical gold anomalies which have not been adequately tested.
