Update on Total Contracted Value (TCV) derived from Software Subscriptions

20 February 2020

RPMGlobal Holdings Limited (ASX: RUL) [RPM®] is pleased to provide the following update on the Total Contracted Value (TCV) derived from its software subscriptions.

In its 22 January 2020 ASX announcement the Company indicated it would next update the market once the Total Contracted Value (TCV) of new committed software subscription revenue signed in the 2020 financial year became greater than \$20M.

The Company's TCV is now \$21.5M an increase of \$3.8M from RPM's previous announcement on 22 January 2020.

As at the date of this announcement, RPM's Annual Recurring Revenue (ARR) from software subscriptions is now AUD\$10.7m per annum.

As per its 22 January announcement the Company's next market update specifically relating to TCV and ARR will occur when the Company's TCV number is greater than \$25M.

RPM is in the process of preparing its financial results for the first half of FY2020 which are subject to external audit review and expects to be in the position to report these to the market early next week.
