

## ASX Announcement 12 May 2022

### Highly experienced geologist and technical leader joins Helix Board

- Helix Resources appoints Dr. Kylie Prendergast as Non-Executive Director effective immediately.
- Experienced geologist and project manager with successful leadership of copper projects through exploration, discovery and feasibility.
- Has advised and consulted to several NSW exploration and mining companies.
- Holds a PhD in Economic Geology and finance qualifications and is a Graduate of the Australian Institute of Company Directors.

The Board of **Helix Resources Limited (ASX: HLX)** (“Helix” or “the Company”) is pleased to advise Dr. Kylie Prendergast will join the Board as a Non-Executive Director effective immediately.

Dr. Prendergast is an experienced geologist and technical leader with over 25 years’ experience within the international mining and resource sector. She has worked across a range of different operating jurisdictions, including significant in-country assignments and expatriate roles. This has included substantial business development, project technical and economic evaluation, and commercial management, including direct interaction with a range of stakeholders in global resource capital markets.

Her current roles include Partner at Petram Capital, a private equity principal investor focused on capital appreciation and financing in real asset natural resources and CEO of Kina Copper & Gold.

She is currently an Associate at leading industry consultant Mining Associates where she previously held the role of Managing Director providing a wide range of professional advisory and consultancy services to both public and private clients in the mineral industry, extending across a global suite of projects ranging from greenfields exploration through to producing operations.

Dr. Prendergast has also held senior leadership roles with Felix Gold Limited (ASX:FXG; Managing Director), Mawarid Mining (Oman) (GM, Exploration and Business Development), Batu Mining (Mongolia) (Senior Geologist) and Gold Fields St Ives (Project Generation Geochemist). Prior to that, she worked in technical geology positions with BHP Billiton, Ivanhoe Mines (Mongolia) and North Limited.

She holds a PhD in Economic Geology and a Graduate Certificate in Applied Finance.

**Commenting on the appointment, Helix Managing Director Mike Rosenstreich said:**

*“Dr Prendergast brings a wealth of experience to the Board of Helix Resources and I, along with the rest of the Helix Board and Management, welcome her and look forward to working with her as we enter a highly exciting period of accelerated exploration campaigns across our large scale, high-grade copper projects in the Cobar region, NSW.”*
