This Information Memorandum relates to an issue of Australian dollar notes ("**Notes**") by NEXTDC Limited (ABN 35 143 582 521) ("**Issuer**").

The Notes are unconditionally and irrevocably guaranteed by Global Disaster Recovery Pty Ltd (ABN 11 158 340 624) ("**Initial Guarantor**") pursuant to the guarantee ("**Guarantee**") set out in the note trust deed dated 12 June 2014 ("**Note Trust Deed**") between the Issuer, the Initial Guarantor and BNY Trust Company of Australia Limited (ABN 49 050 294 052) ("**Trustee**"). The Issuer may, from time to time, and in accordance with the terms of the Note Trust Deed appoint or procure the appointment of any subsidiary of the Issuer which is not an Initial Guarantor as an additional guarantor (each such guarantor, a "**New Guarantor**" and together with the Initial Guarantor, the "**Guarantors**") or, in accordance with the terms of the Note Trust Deed, obtain a release of the guarantee provided by a Guarantor (and such released entity shall no longer be a Guarantor).

References to "**Information Memorandum**" are to this Information Memorandum and any other document incorporated by reference in the section entitled "*The Issuer and the Guarantors*" below collectively and to any of such documents individually.

Prospective investors should read this Information Memorandum carefully prior to making any decision in relation to purchasing, subscribing for or investing in the Notes.

Issuer's responsibility

This Information Memorandum has been prepared and issued by the Issuer. The Issuer accepts responsibility for the information contained in this Information Memorandum other than information provided by the Lead Manager and Initial Subscriber, the Trustee and the Agents (each as defined in the section entitled "*Summary*" below) in relation to their respective details in the sections entitled "*Summary*" and "*Directory*" below.

Place of issuance

Subject to all applicable laws and directives, the Issuer will only offer and issue Notes in Australia.

Terms and conditions of issue

The Notes will be issued in a single series under the Note Trust Deed. The series may comprise one or more tranches (each a "**Tranche**") having one or more issue dates and on conditions that are otherwise identical (other than, to the extent relevant, in respect of the issue price and the date of the first payment of interest).

A pricing supplement ("**Pricing Supplement**") will be issued for each Tranche of Notes. A Pricing Supplement will contain details of the initial aggregate principal amount, issue price, issue date, maturity date, details of interest payable (if any) together with any other terms and conditions not set out in the section entitled "*Conditions*" below that may be applicable to that series of Notes. The terms and conditions ("**Conditions**") applicable to the series of Notes are included in this Information Memorandum and may be supplemented, amended, modified or replaced by the Pricing Supplement applicable to those Notes.

A Pricing Supplement or another supplement to this Information Memorandum may also supplement, amend, modify or replace any statement or information incorporated by reference in this Information Memorandum or a supplement to this Information Memorandum.

Accordingly, no representation, warranty or undertaking, express or implied, is made, and no responsibility is accepted, by any of them, as to the accuracy or completeness of this Information Memorandum or any further information supplied by the Issuer in connection with the Notes.

The Lead Manager and Initial Subscriber, the Trustee and the Agents expressly do not undertake to any holder of a Note to review the financial condition or affairs of the Issuer, the Guarantors or any of their affiliates at any time or to advise any holder of a Note of

any information coming to their attention with respect to the Issuer or a Guarantor and make no representations as to the ability of the Issuer or a Guarantor to comply with their respective obligations under the Notes.

What we are not

Managed computing service provider.

The owner of data centre property assets.

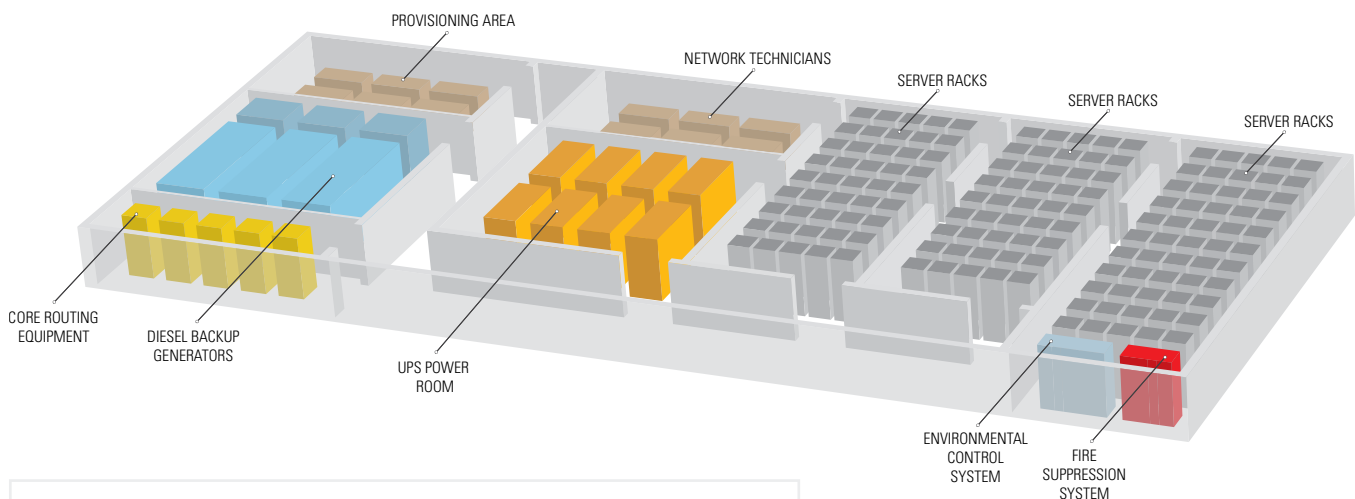

A telco operator.

A hardware or software equipment provider.

Cloud service provider – we offer a place where companies can house their 'cloud'.

An IaaS, PaaS or SaaS provider.

A system integrator.

A data centre is used to house networking, data storage and communications technology infrastructure. They are designed to provide large amounts of power, including redundant or back-up power, network connections and cooling systems in a secure environment. Neutral data centres provide the core infrastructure but are neutral to the telecommunications carrier or systems integrator (hardware, software and managed services).

Drivers of Industry Demand

The demand for outsourced data centre services in Australia is likely to be driven by:

- the growth in internet traffic and corresponding growth in volumes of data requiring processing and storage;
- the proliferation of smart phones and tablets and their associated data usage needs;
- the emergence of cloud-based computing and corresponding demand for network-based applications and interconnectivity;
- demand for low latency (time delay) networking and proximity hosting; and
- data residency laws and other legislative pressure.

Business Model Features

NEXTDC offers its customers a range of co-location services from whitespace to standard racks and blocks. Add-on services include project management, remote hands, high availability office space, and high margin cross connects.

Whitespace customers are provided with customised cages and pay for data centre services in the form of a fee for space occupied and are charged a consumption based bundled power rate. Customers occupying racks and blocks are charged a data centre services fee based on the power allocated to their racks.

NEXTDC cross connect services provide a cable connection to link customers' equipment to each other within the data centre, enabling flexibility and cost savings with a choice of multiple service providers. Cross connects comprise low cost, high margin recurring revenue, comprising 4% of recurring revenue in December 2013.

NEXTDC's key performance metrics have grown as set out in the table below:

	21 Feb 2014	31 Dec 2013	30 June 2013	30 June 2012
Revenue pipeline (annualised, unweighted)	\$137m	\$127m	\$119m	\$33m
Customers	225	202	130	59
Orders	518	455	240	75
Cross connects	1,112	1,006	513	81
Annualised contracted recurring revenue*	\$36.6m	\$35.1m	\$30.7m	\$8.9m
Contracted customer utilisation	10.94MW	10.68MW	9.75MW	2.34MW
% of installed capacity **	76%	75%	75%	18%

* Annualised contracted recurring revenue excludes revenue from cross connects and power recharges for whitespace customers and includes customers with deferred start dates.

** NEXTDC completed the second data hall in Sydney and fifth data hall in Melbourne at the beginning of April, increasing installed capacity by 32% to 19.65MW.

Go-to-Market Strategy

NEXTDC's channel sales model focuses its sales strategy on partnering with providers of infrastructure, platform and packaged services (channel partners). This model allows NEXTDC to work with channel partners to either sell data centre capacity to them, with them or through them to end user customers. The benefit of this strategy is an increase in NEXTDC's breadth and depth of selling capacity without necessarily adding to its operating cost base. Recently, NEXTDC expanded its channel partner program with the addition of Telstra as a channel partner.

Elements of Go-to-Market strategy:

Sell To: Partner buys racks, blocks or whitespace for hosting their cloud computing infrastructure.

Sell Through: Partner productises NEXTDC data centre services and sells racks or blocks to end-customers as part of their cloud computing solution.

Sell With: Partner works with NEXTDC to grow their cloud footprint by providing customers with their unique value offering hosted at NEXTDC data centres.

Partners

Below is a selection of NEXTDC's customers and ecosystem partners:

Customers

NEXTDC's customers represent a wide range of industries including IT, telecommunications, industrial, professional services, mining and finance. Customers typically sign a single national Master Services Agreement with standard service level agreements. Under the agreements data centre services are typically provided for an initial period of between 3 and 5 years.

The table below outlines some of NEXTDC's customer agreements.

Operating Leverage

The cost base of NEXTDC's data centres has a relatively high fixed component such that there is operating leverage within the facilities as utilisation levels and associated revenues increase. The addition of further capacity within existing data centres does not significantly increase fixed operating costs. Variable costs include NEXTDC's cost of electricity.

Funding

NEXTDC has historically funded the initial acquisition, development, construction and fit-out of its data centres from equity.

In 2013, NEXTDC listed the Asia Pacific Data Centre Group (ASX: AJD) ("**APDC**"), which owns the land and buildings for three of the five data centres (M1, S1 and P1), but does not own the building infrastructure and fit-out, which is owned by NEXTDC. Listing APDC enabled NEXTDC to recycle capital to support the on-going development and fit-out activities across its data centres. NEXTDC sold its interest in APDC in July 2013. NEXTDC and APDC have an agreement in place until December 2015 where APDC has the first right to develop or own any future data centre sites for NEXTDC operated data centres.

NEXTDC has a A\$20 million senior secured debt facility in place. As at the date of the Information Memorandum, the facility is undrawn and is subject to meeting certain customary conditions precedent to drawing. The facility requires a general security charge over the NEXTDC Group's assets and is subject to a number of financial covenants including gearing, leverage and interest cover ratios.

Investment Risks

By investing in the Notes, the holders of the Notes will be lending money to NEXTDC and may be exposed to a number of risks which can be broadly classified as risks associated with the Notes, the market generally and NEXTDC's business. This section describes certain risks associated with NEXTDC's business. Prospective investors or purchasers should consult their own financial, legal and tax advisers about other risks associated with NEXTDC's business, the Notes or the market generally.

Given NEXTDC's stage of development, the material business risks that are likely to have an effect on its financial prospects and therefore its ability to pay interest and principal on the Notes include, but are not limited to:

- a. **Customer demand** – NEXTDC's growth strategy incorporates commitment of substantial operational and financial resources to expand existing data centre facilities, and to develop and operate new facilities. Development or expansion of data centres is sometimes undertaken without significant pre-selling commitments from customers, and as such, there is a risk that sufficient demand for constructed data centre space may not exist. A lack of customer demand, or oversupply of data centre space in the market, could have negative implications on NEXTDC's ability to achieve desired rates of return on investment, and have a material adverse effect on its growth prospects and/or financial position.
- b. **Funding** – NEXTDC's business is capital intensive in nature, and its continued growth relies on the acquisition and development of new and existing data centres. NEXTDC requires sufficient capital to fund this expenditure. Failure to obtain capital on favourable terms may hinder NEXTDC's ability to expand and pursue growth opportunities, which may reduce its competitiveness and have an adverse effect on its financial performance, financial position and growth prospects.

In addition, NEXTDC's financial prospects are also subject to a number of other risks including but not limited to:

- NEXTDC's reliance on key personnel;
- infrastructure and technology failure (such as human error, power loss, physical or electronic security breaches, fire, earthquake, hurricane, flood and other natural disasters, water damage etc);
- competition, including a potential adverse impact on pricing; and
- access to renewed retail electricity supply agreements on reasonable terms and exposure to regulatory changes adversely impacting pricing and supply of electricity.

NEXTDC has to date not generated profits and its path to profitability is uncertain. Given NEXTDC's stage of development and historical financial performance, it has undertaken to pre-fund the first two coupon payments with respect to the Notes by paying an amount equal to the first two coupon payments into an advance interest account (see 'Advance interest account' in the section entitled "*Summary*" above for more details).

Initial Guarantor - Global Disaster Recovery Pty Ltd

The Notes will be unconditionally and irrevocably guaranteed by Global Disaster Recovery Pty Ltd. The Issuer has undertaken that:

- a. it will ensure that, at all times, the aggregate total assets of the Issuer and the Guarantors (taken as a whole) are at least 90 per cent of the consolidated total assets of the Group taken as a whole; or
- b. agrees to cause such of its Subsidiaries to become a Guarantor pursuant to the Note Trust Deed to ensure that, at all times, the aggregate total assets of the Issuer and the Guarantors (taken as a whole) are at least 90 per cent of the consolidated total assets of the Group taken as a whole.

As at the date of this Information Memorandum, the Issuer's assets comprise 100 per cent of the consolidated total assets of the Group taken as a whole and Global Disaster Recovery Pty Ltd has no assets. Therefore, in practice, the credit support provided to a holder of a Note by Global Disaster Recovery Pty Ltd under the Guarantee is limited to any future assets it may hold. The Issuer has undertaken to ensure that if any of its subsidiaries acquires assets in the future, the holders of Notes will at all times have recourse to at least 90 per cent of the consolidated total assets of the Group taken as a whole.

The series may comprise one or more Tranches having one or more Issue Dates and on conditions otherwise identical (other than in respect of the issue price and the date of the first payment of interest). A Tranche is the subject of a Pricing Supplement which supplements, amends, modifies or replaces these Conditions.

Copies of the Pricing Supplement and Conditions applicable to any Tranche of Notes are available for inspection or on request by a Noteholder or prospective Noteholder during normal business hours at the Specified Office of the Issuer, the Trustee or the Registrar or are otherwise available on reasonable request from the Issuer or the Registrar.

2.2 Currency and denomination

The Notes may only be offered (directly or indirectly) for issue, or applications invited for the issue of Notes, if:

- a. the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternative currency and, in each case, disregarding moneys lent by the offeror or its associates to the offeree or its associates) or if the offer or invitation (including any resulting issue) otherwise does not require disclosure to investors under Part 6D.2 or Chapter 7 of the Corporations Act;

7.3 Calculation of interest payable

The amount of interest payable in respect of a Note for any period which does not end on a scheduled Interest Payment Date shall be calculated by the Calculation Agent by multiplying the Interest Rate, the outstanding principal amount of the Note and the Day Count Fraction.

Within 30 days after a Change of Control, the Issuer shall deliver a notice to the Registrar and the Trustee requesting that the Trustee promptly notifies Noteholders stating:

To exercise its right under this Condition 8.2, a Noteholder must deliver a duly completed and signed Change of Control Event Exercise Notice to the Issuer (or as otherwise directed) prior to the end of the Change of Control Exercise Date.

If at the end of the Change of Control Redemption Period, Noteholders representing 90 per cent or more of the then aggregate principal amount of all Notes then outstanding, have provided a Change of Control Event Exercise Notice to the Issuer, the Issuer may, but shall not be obliged to, redeem all remaining notes outstanding on the relevant redemption date at the Change of Control Redemption Price, by giving at least 10 days' prior notice to the Noteholders within 30 days after the end of the Change of Control Redemption Date.

In this Condition, "**Change of Control**" means, on any date, an event where a party which held 50 per cent or less of the issued shares of the Issuer as at the Issue Date are issued subsequently holds more than 50 per cent of the issued shares of the Issuer on that date.

8.8 Purchase

The Issuer and any of its Related Bodies Corporate may at any time purchase Notes in the open market or otherwise and at any price.  - i. the account of Austraclear (as the Noteholder) previously notified to the Issuer and the Registrar; or
 - ii. if requested by Austraclear, the accounts of the persons in Australia in whose Security Record (as defined in the Austraclear Regulations) a Note is recorded as previously notified by Austraclear to the Issuer and the Registrar in accordance with the Austraclear Regulations; and
- b. if the Notes are not held in the Austraclear System, by crediting on the Payment Date, the amount then due under each Note to an account in Australia previously notified by the Noteholder to the Issuer and the Registrar.

9.3 Payments by cheque

If a Noteholder has not notified the Registrar of an account to which payments to it must be made by close of business on the Record Date or it has notified the Registrar that it wishes to be paid by cheque, payments in respect of the Note will be made by cheque sent by prepaid post on the Payment Date, at the risk of the registered Noteholder, to the Noteholder (or if two or more persons are entered in the Register as joint Noteholders, to the first named joint Noteholder of the Note) at its address appearing in the Register at close of business on the Record Date. Cheques sent to the nominated address of a Noteholder will be taken to have been received by the Noteholder on the Payment Date and no further amount will be payable by the Issuer in respect of the Notes as a result of the Noteholder not receiving payment on the due date.

9.4 Payments subject to law

All payments are subject to applicable law but without prejudice to the provisions of Condition 10 ("Taxation").

9.5 Payments on Business Days

If a payment:

- a. is due on a Note on a day which is not a Business Day then the due date for payment will be adjusted in accordance with the applicable Business Day Convention; or
- b. is to be made to an account on a Business Day on which banks are not open for general banking business in the place in which the account is located, then the due date for payment will be the first following day on which banks are open for general banking business in that place,

and in either case, a Noteholder is not entitled to any additional payment in respect of that delay.

9.6 Unsuccessful attempts to pay

Subject to applicable law, where the Issuer:

- a. decides that an amount is to be paid to a Noteholder by a method of direct credit and the Noteholder has not given a direction as to where amounts are to be paid by that method;
- b. attempts to pay an amount to a Noteholder by direct credit, electronic transfer of funds, cheque or any other means and the transfer is unsuccessful;
- c. has made reasonable efforts to locate a Noteholder but is unable to do so; or
- d. has issued a cheque which has not been presented within six months of its date, then the Issuer may cancel such cheque and if the Issuer has so cancelled,

then, in each case and subject to Condition 11 ("Time limit for claims"), the amount is to be held by the Issuer for the Noteholder in a non-interest bearing deposit with a bank selected by the Issuer until the Noteholder or any legal personal representative of the Noteholder claims the amount or the amount is paid by the Issuer according to the legislation relating to unclaimed moneys.

9.7 Payment to joint Noteholders

A payment to any one of joint Noteholders will discharge the Issuer's liability in respect of the payment.

10. Taxation

10.1 No set-off, counterclaim or deductions

All payments in respect of the Notes must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless such withholding or deduction is required by law.

10.2 Withholding tax

If a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of a Note such that the Noteholder would not actually receive on the due date the full amount provided for under the Notes, then:

- a. the Issuer agrees to deduct the amount for the Taxes; and
- b. the amount payable by the Issuer is increased so that, after making the withholding or deduction and further withholdings or deductions applicable to any additional amounts payable under this Condition, the Noteholder is entitled to receive (at the time the payment is due) the amount it would have received if no withholdings or deductions had been required to be made.

10.3 Gross-up exceptions

No additional amounts are payable under Condition 10.2 ("Withholding tax") in respect of any Note:

- a. to, or to a third party on behalf of, a Noteholder, if that person has not supplied an appropriate Australian tax file number, Australian Business Number or details of an applicable exemption from these requirements;
- b. to, or to a third party on behalf of, a Noteholder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of having some connection with Australia other than the mere holding of the Note;
- c. to, or to a third party on behalf of, a Noteholder who is liable to the Taxes in respect of a Note by reason of the Noteholder being an Offshore Associate of the Issuer not acting in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act;
- d. in respect of any estate, inheritance, gift, sales, transfer, personal property, or any similar tax, assessment or governmental charge;
- e. in circumstances where such a withholding or deduction would not be required if the Noteholder, or any person acting on the Noteholder's behalf, had satisfied any statutory requirements or obtained and/or presented any form or certificate or had made a declaration of non-residence or similar claim for exemption to any Tax Authority upon the presentation or making of which the Noteholder would have been able to avoid or partially avoid (as the case may be) such withholding or deduction;
- f. where such withholding or deduction is required to be made pursuant to a notice or direction issued by the Commissioner of Taxation under section 255 of the *Income Tax Assessment Act 1936* or section 260-5 of the *Taxation Administration Act 1953* of the Commonwealth of Australia or any similar law;
- g. where such withholding or deduction is made for, or on account of, FATCA (as withheld or deducted by the Issuer, an Agent or any other party);
- h. in such other circumstances as may be specified in the Pricing Supplement; or
- i. in respect of any combination of any or all of paragraphs (a) to (h) above.

11. Time limit for claims

A claim against the Issuer for a payment under a Note is void unless made within 10 years (in the case of principal) or 5 years (in the case of interest and other amounts) from the date on which payment first became due.

12. Events of Default

12.1 Events of Default

Each of the following is an Event of Default in respect of the Notes:

- a. **(non-payment of principal)** the Issuer fails to pay any principal in respect of the Notes when due, unless that default is caused by a technical or administrative error by a bank or financial institution in the transmission of funds and is remedied within 2 Business Days of its occurrence;
- b. **(non-payment of interest)** the Issuer fails to pay any interest in respect of the Notes of the relevant series when due and the failure to pay continues for a period of 2 Business Days;
- c. **(other non-compliance)** the Issuer:
 - i. fails to comply with any of its obligations in connection with a Note (other than in relation to the payment of money referred to in paragraphs (a) and (b) above); and
 - ii. if the non-compliance is capable of remedy, it is not remedied within 10 Business Days after notice of such default shall have been given to the Issuer by the Trustee or any Noteholder;
- d. **(cross default)** any Finance Debt of the Issuer, a Guarantor or any of its other Subsidiaries for amounts totalling more than A\$3,000,000 (or its equivalent in any other currency):
 - i. is not satisfied on the later of their due date or the end of any applicable grace period; or
 - ii. has become (or becomes capable of being declared) due and payable before its scheduled maturity by reasons of a default, event of default or potential event of default (howsoever described). For the purposes of this sub-paragraph (ii), and except in relation to an amount becoming capable of being declared due and payable as a consequence of a breach of a payment obligation or a breach of a material obligation (howsoever described), an amount will only be deemed to have become capable of being declared due and payable on the date that falls 10 days after the expiration of any applicable grace period in relation to the event giving rise to the amount becoming capable of being declared due and payable;
- e. **(insolvency)** except for the purpose of a solvent reconstruction, amalgamation, merger or consolidation, an order is made or an effective resolution passed for the liquidation, dissolution or winding-up of the Issuer or any Guarantor, an administrator, liquidator, receiver, manager, receiver and manager or other controller (as defined in the Corporations Act) is appointed to the Issuer or any Guarantor and the order, resolution or appointment is not set aside, cancelled, withdrawn or rescinded within 7 days of the order, resolution or appointment (as the case may be) being made or any of their property or the Issuer or any Guarantor becomes insolvent, is unable to pay its debts as they fall due, stops, suspends or threatens to stop or suspend payment of its debts generally;
- f. **(no arrangement with creditors)** the Issuer or any Guarantor makes a general assignment for the benefit of creditors, or any proceeding shall be instituted by or against the Issuer or a Guarantor (which, in the case of a proceeding instituted against the Issuer or a Guarantor, is not set aside or withdrawn within 7 days after the date that the application was made for such proceeding to be instituted) seeking to adjudicate it insolvent, or seeking liquidation, winding up, reorganisation, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganisation or relief of debtors, seeking the entry of any order for relief or the appointment of a receiver, trustee, administrator or other similar official over the Issuer or Guarantor, its activities or any substantial part of its property;
- g. **(obligations unenforceable)** any Note or the Guarantee is or becomes (or is claimed to be by the Issuer, a Guarantor or anyone on their behalf) wholly or any part of a material provision of it void, voidable or unenforceable or any Note or the Guarantee ceases to wholly or in relation to any part of a material provision of it have full force and effect or the whole or any part of a material provision of it is declared by any court of competent jurisdiction to be void or unenforceable;
- h. **(no litigation)** a judgement or award in an amount exceeding A\$3,000,000 (or its equivalent in any other currency) is obtained against the Issuer or a Guarantor or any of their assets and is not set aside or satisfied within 30 days unless the Issuer or the Guarantor is diligently and in good faith pursuing an appeal;

- i. **(cessation of business)** the Issuer or any Guarantor ceases to carry on business generally and no other body corporate assumes the business of that person; and
- j. **(enforcement against assets)** any expropriation, attachment, sequestration, distress or execution affects any asset or assets of the Issuer or a Guarantor worth (in aggregate) more than A\$3,000,000.

12.2 Consequences of an Event of Default

If an Event of Default occurs and continues unremedied in relation to the Notes, then a Noteholder or the Trustee (if requested in writing by a Noteholder) may declare by notice to the Issuer (with a copy to the Registrar and the Trustee (if notice is given by a Noteholder)) that each Note held by it is (or, if the Trustee has given the declaration, all Notes are) to be redeemed by the Issuer paying to the Noteholder the applicable redemption amount for the Note (together with any accrued interest) in which case those amounts become immediately due and payable.

12.3 Notification

If an Event of Default occurs, the Issuer must promptly (and in any event within 2 days) after becoming aware of it notify the Trustee, the Registrar and the Noteholders of the occurrence of the Event of Default (specifying details of it).

12.4 Enforcement

- a. Subject to Condition 12.4(c), at any time after the occurrence of an Event of Default, the Trustee may, either at its discretion or pursuant to a direction of Noteholders in accordance with paragraph (c)(i) below and, in either case, without further notice, institute such proceedings and/or take such other action as it may think fit against or in relation to the Issuer to enforce the Issuer's obligations under the Notes. The Issuer shall, as a result of the bringing of any such proceedings, be obliged to pay any sums representing or measured by reference to principal or interest on the Notes sooner than the same would otherwise have been payable by it.
- b. Without prejudice to Condition 12.4(a) but subject to Condition 12.4(c), if the Issuer breaches any of its obligations under the Note Trust Deed, the Trustee may, either at its discretion or pursuant to a direction of Noteholders in accordance with paragraph (c)(i) below and, in either case, without further notice, bring such proceedings as it may think fit to enforce such obligations.
- c. Unless the Trustee, acting reasonably, forms the view that immediate steps must be taken to protect the Noteholders' interests or to enforce the Issuer's obligations under the Notes, it must not take any of the actions referred to in paragraphs (a) or (b) above to enforce the obligations of the Issuer in respect of the Notes or take any other enforcement action pursuant to or in connection with the Note Trust Deed or the Notes unless:
 - i. it shall have been so requested in writing by Noteholders who hold in aggregate 25 per cent or more of the outstanding principal amount of all Notes then outstanding; and
 - ii. it shall have been indemnified to its satisfaction in accordance with the terms of the Note Trust Deed.

If, prior to acting on a direction received pursuant to paragraph (a), the Trustee receives further directions to take any action pursuant to this paragraph (c)(i) that are, in its reasonable opinion, materially inconsistent or conflicting in any material respect with the initial directions, the Trustee must call a meeting of Noteholders in accordance with the terms of these Conditions, the Note Trust Deed and the Meeting Provisions in order to resolve the inconsistency or conflict and shall act in accordance with any resolutions passed at that meeting or in accordance with any direction by Noteholders who hold in aggregate 50 per cent or more of the outstanding principal amount of all Notes then outstanding.

- d. No Noteholder is entitled to proceed directly against the Issuer to enforce any right or remedy under or in respect of any Note or the Note Trust Deed unless expressly entitled to do so under these Conditions, the Note Trust Deed or the Trustee, having become bound to proceed, fails to do so within five days from the date that the Trustee is notified by a Noteholder of the failure, and such failure is continuing.

13. Agents

13.1 Role of Agents

In acting under an Agency Agreement, each Agent acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust with any Noteholder.

13.2 Appointment and replacement of Agents

Each initial Agent for a series of Notes is specified in the Pricing Supplement. Subject to Condition 13.4 ("Required Agents"), the Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint a successor.

13.3 Change of Agent

The Issuer (or the Agent on its behalf) must notify the Trustee and the Noteholders if there is any change in the identity of any Agent or any Agent's Specified Office.

13.4 Required Agents

The Issuer must at all times maintain a Registrar, Issuing & Paying Agent and Calculation Agent.

14. Meetings of Noteholders

The Meeting Provisions contain provisions for convening meetings of the Noteholders of any series to consider any matter affecting their interests, including any variation of these Conditions. Any resolution duly passed by the Noteholders pursuant to the Meeting Provisions shall be binding on all Noteholders (whether or not they were present at the meeting at which such resolution was passed).

15. Variation

15.1 Variation with consent

Unless Condition 15.2 ("Variation without consent") applies, any Note may be varied by the Noteholders of the series in accordance with the Meeting Provisions.

15.2 Variation without consent

Any Condition may be amended by the Issuer with the consent of the Trustee (not to be unreasonably withheld or delayed) but without the consent of the Noteholders if the amendment:

- a. is of a formal, minor or technical nature;
- b. is made to correct a manifest error; or
- c. is made to cure any ambiguity or correct or supplement any defective or inconsistent provision,

provided that, in all cases, in the reasonable opinion of the Issuer and the Trustee, such amendment is not materially prejudicial to the interests of the Noteholders.

16. Further issues of Notes

The Issuer may from time to time, without the consent of the Noteholders, issue further Notes having the same conditions as the Notes of the series in all respects (or in all respects except for the first payment of interest, if any, on them) so as to form a single series with any existing Notes.

17. Notices

17.1 Notices to Noteholders

All notices and other communications to Noteholders must be in writing and must be sent by prepaid post (airmail, if appropriate) to or left at the address of the Noteholder (as shown in the Register at close of on the day which is 3 Business Days before the date of the notice or communication) and may also be given by an advertisement published in *The Australian Financial Review* or *The Australian*.

17.2 Notices to the Issuer, the Trustee and the Agents

All notices and other communications to the Issuer, the Trustee or an Agent must be in writing and may sent by prepaid post (airmail, if appropriate) to or left at the Specified Office of the Issuer, the Trustee or the Agent.

17.3 Receipt - publication in newspaper

If published in a newspaper, a notice or other communication is taken to be received on the first date that publication has been made in all the required newspapers.

17.4 Deemed receipt - postal

If sent by post, notices or other communications are taken to be received three days after posting (or seven days after posting if sent to or from a place outside Australia).

17.5 Deemed receipt - general

Despite Condition 17.4 ("Deemed receipt - postal"), if notices or other communications are received after 5.00 pm in the place of receipt or on a non-Business Day, they are taken to be received at 9.00 am on the next Business Day.

18. Governing law

18.1 Governing law

These Conditions are governed by the law in force in New South Wales, Australia.

18.2 Jurisdiction

The Issuer irrevocably and unconditionally submits and each Noteholder is taken to have submitted, to the non-exclusive jurisdiction of the courts of New South Wales and courts of appeal from them. The Issuer waives any right it has to object to any actions or proceedings ("**Proceedings**") being brought in those courts including, without limitation, by claiming that the Proceedings have been brought in an inconvenient forum or that those courts do not have jurisdiction.

18.3 Serving documents

Without preventing any other method of service, any document in any Proceedings (including, without limitation any writ of summons or other originating process or any third or other party notice) may be served on the Issuer by being delivered or left at the Specified Office of the Issuer or otherwise at the Issuer's registered office or principal place of business.

Selling and Distribution Restrictions

Under the Subscription Agreement dated 12 June 2014 between the Issuer, the Initial Guarantor and the Lead Manager and Initial Subscriber ("Subscription Agreement") and subject to the Conditions contained in the Information Memorandum, the Notes will be offered by the Issuer through the Initial Subscriber. The Issuer will have the sole right to accept any offers to purchase Notes and may reject any such offer in whole or (subject to the terms of such offer) in part.

None of the Issuer, the Initial Guarantor or the Lead Manager and Initial Subscriber Arranger has represented that any Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or in accordance with any available exemption, or assumes any responsibility for facilitating that sale.

Persons into whose hands this Information Memorandum comes are required by the Issuer, the Initial Guarantor, the Lead Manager and Initial Subscriber to comply with all applicable laws, regulations and directives in each country or jurisdiction in which they purchase, offer, sell, resell, reoffer or deliver Notes or have in their possession or distribute or publish the Information Memorandum or other offering material and to obtain any authorisation, consent, approval or permission required by them for the purchase, offer, sale, reoffer, resale or delivery by them of any Notes under any applicable law, regulation or directive in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales, reoffers, resales or deliveries, in all cases at their own expense, and neither the Issuer nor the Lead Manager and Initial Subscriber has responsibility for such matters. In accordance with the above, any Notes purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any further prospectus or corresponding document relating to the Notes in such jurisdiction.

The following selling restrictions apply to Notes.

Australia

The Lead Manager and Initial Subscriber has acknowledged that:

- a. no "prospectus" or other "disclosure document" (each as defined in the Corporations Act) in relation to the Notes has been or will be lodged with ASIC or any other government agency or authority; and
- b. no action has been taken, or will be taken, by it in any jurisdiction which would permit a public offering of the Notes, or possession or distribution of the Information Memorandum or any other offering material in relation to Notes, in any jurisdiction where action for that in connection with the primary distribution of the Notes.

The Initial Subscriber has represented and agreed that it:

- i. it has not made or invited, and will not make or invite, an offer of the Notes for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- ii. it has not distributed or published, and will not distribute or publish, any Information Memorandum or other offering material or advertisement relating to any Notes in Australia,

unless:

- A. the offer or invitation falls within the exemption for offers to sophisticated investors set out in section 708(8) of the Corporations Act or the offer or invitation otherwise does not require disclosure to investors under Part 6D.2 or Chapter 7 of the Corporations Act;
- B. such action does not require any document to be lodged with ASIC or ASX Limited;
- C. the offer or invitation is not made to a person who is a "retail client" within the meaning of 761 of the Corporations Act; and
- D. the offer or invitation and all conduct in connection with it complies with all applicable laws and directives.

Australian Taxation

The following is a summary of the material Australian tax consequences under the Income Tax Assessment Acts of 1936 and 1997 of the Commonwealth of Australia of the purchase, ownership and disposition of the Notes to holders who purchase securities on original issuance at the stated offering price and hold the Notes as capital assets.

This summary represents the basis of Australian law as in effect on the date of this Information Memorandum, which is subject to change, possibly with retrospective effect and should be treated with appropriate caution.

The following summary is general in nature and is not, and is not intended to, constitute a complete analysis of all potential tax consequences relating to the ownership of Notes and does not deal with the position of all classes of holders (including, dealers in securities, custodians or other third parties who hold Notes on behalf of any holders, and holders that are subject to the Taxation of Financial Arrangements ("TOFA") rules).

None of the Issuer, the Guarantors, the Initial Subscriber, the Registrar or the Agents (nor their respective shareholders, subsidiaries, related bodies corporate, officers, employees, representatives or advisers) accepts any responsibility or makes any representation as to the tax consequences of investing in the Notes.

In particular, an Australian resident in receipt of interest through a permanent establishment outside Australia or a non-Australian resident (other than a non-Australian resident in receipt of interest through a permanent establishment in Australia) who holds Notes may be subject to restrictions on transfer of Notes and other constraints, risks or liabilities.

Such persons into whose possession this Information Memorandum comes are required to inform themselves about, and observe, all such restrictions.

All prospective investors should consult their own professional tax advisers concerning the consequences, in their particular circumstances under Australian tax laws and the laws of any other taxing jurisdiction, of their ownership of, or any dealing in, the Notes.

All prospective holders should also be aware that the particular terms of issue of such Notes may affect the tax treatment of such Notes.

Australian Tax on Payments under the Notes

Nature of the Notes

It is expected that each Note issued by the Issuer should constitute a debenture, and a "debt interest" for Australian tax purposes. Accordingly, the interest payments under each Note should be classified as interest for Australian tax purposes.

Resident holders

This part of the summary applies to holders of Notes that are residents of Australia for tax purposes that do not hold their Notes in carrying on a business at or through a permanent establishment outside of Australia, and non-residents of Australia for tax purposes that acquire their Notes in carrying on a business at or through a permanent establishment in Australia ("**Resident Holders**").

Under Australian laws as presently in effect:

- a. *income tax* – Resident Holders will be assessable for Australian income tax purposes on income either received or accrued due to them in respect of the Notes. Whether income will be recognised on a cash receipts or accruals basis will depend upon the tax status of the particular Resident Holder and the terms and conditions of the Notes;
- b. *gains on disposal of Notes* - Resident Holders will be required to include any gain or loss on disposal or redemption of the Notes in their taxable income. This may include any maturity or redemption premium;
- c. *interest withholding tax* - payments of interest in respect of the Notes to Resident Holders will not be subject to Australian interest withholding tax; and
- d. *deemed interest* - there are specific rules that can apply to treat a portion of the purchase price of Notes as interest for interest withholding tax purposes when certain Notes originally issued at a discount or with a maturity premium or which do not pay interest at least annually are sold to a Resident Holder, or where the sale occurs in connection with a "washing arrangement" as defined in section 128A(1AB) of the Income Tax Assessment Act 1936 of Australia (**Australian Tax Act**). These rules do not apply in circumstances where the deemed interest would have been exempt under section 128F of the Australian Tax Act if the Notes had been held to maturity by a non-resident.

Non-resident holders

This part of the summary applies to non-residents of Australia for tax purposes that do not acquire their Notes in carrying on a business at or through a permanent establishment in Australia, and residents of Australia for tax purposes that acquire their Notes in carrying on a business at or through a permanent establishment outside of Australia (“**Non-resident Holders**”).

Payment of Interest

Under existing Australian tax law, Non-resident Holders are not subject to Australian income tax on payments of interest or amounts in the nature of interest where the exemption for interest withholding tax discussed below applies.

If the exemption is not available and another exemption is not available (e.g. under a tax treaty - see below), interest withholding tax will be levied at a rate of 10% on the gross amount of interest, or amounts in the nature of interest, paid on each Note (in that regard, please refer to our comments below in relation to the payment of additional amounts).

Exemption from Australian Withholding Tax

Broadly, pursuant to section 128F of the Australian Tax Act, an exemption from Australian interest withholding tax is available in respect of interest paid to a Non-resident Holder for tax purposes under any Notes, if the following conditions are met:

- a. the Issuer is a company and a resident of Australia when it issues the relevant Notes and when interest (as defined in section 128A(1AB)) is paid;
- b. the relevant Notes are issued in a manner which satisfies the public offer test. There are five principal methods of satisfying the public offer test. These are:
 - i. offers of the relevant Notes to 10 or more persons, each of whom is carrying on a business of providing finance, or investing or dealing in securities, in the course of operating in financial markets and was not known, or suspected by the Issuer, to be an associate of each other;
 - ii. offers of the relevant Notes to 100 or more potential investors whom it was reasonable for the Issuer to have regarded as either having acquired debentures or debt interests in the past, or being likely to be interested in acquiring debentures or debt interests;
 - iii. offers of the relevant Notes as a result of being accepted for listing on a stock exchange, where the Issuer had previously entered into an agreement with a dealer, manager or underwriter in relation to the placement of debentures or debt interests, requiring the Issuer to seek such listing;
 - iv. offers of the relevant Notes as a result of negotiations being initiated publicly in electronic form, or in another form, that was used by financial markets for dealing in debentures or debt interests; and
 - v. offers of the relevant Notes to a dealer, manager or underwriter, who, under an agreement, offered to sell such Notes within 30 days by one of the preceding methods.
- c. the Issuer does not know, or have reasonable grounds to suspect, at the time of issue, that the Notes or interests in the relevant Notes were being, or would later be, acquired, directly or indirectly, by an Offshore Associate of the Issuer (other than in the capacity of a dealer, manager or underwriter in relation to the placement of the relevant Notes, or a clearing house, custodian, funds manager or responsible entity of a registered scheme); and
- d. at the time of the payment of interest, the Issuer does not know, or have reasonable grounds to suspect, that the payee is an Offshore Associate of the Issuer (other than an Offshore Associate who receives the payment in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme).

For these purposes, an “Offshore Associate” means an associate (as defined in section 128F(9) of the Australian Tax Act) of the Issuer, where the associate is either:

- vi. a non-resident of Australia that does not acquire Notes or an interest in Notes in carrying on a business in Australia at or through a permanent establishment of the associate in Australia; or
- vii. a resident of Australia that acquires Notes or an interest in Notes in carrying on a business in a country outside Australia at or through a permanent establishment of the associate in that country.

Under section 128F(9), “associate” is defined broadly to include (i) any entities that “sufficiently influence,” or hold the majority voting interests in, the Issuer (i.e. controlling or parent companies of the Issuer); (ii) entities that are “sufficiently influenced by,” or whose majority voting interests are held by, the Issuer (or any controlling or parent companies of the Issuer); and (iii) any trusts under which the Issuer or any of these aforementioned entities may benefit.

The Issuer proposes to issue the Notes in a manner which will satisfy the requirements of section 128F of the Australian Tax Act.

The Issuer has been advised that assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to an issue of Notes, payment of principal and interest to a Non-resident Holder will not be subject to the Australian income taxes.

Holders in Specified Countries

The Australian government has signed a number of new or amended double tax conventions (**New Treaties**) with certain countries including the United States of America, the United Kingdom, Norway, Finland, the Republic of France, Japan, the Republic of South Africa, New Zealand and Chile (**Specified Countries**). The New Treaties may apply to interest derived by a resident of a Specified Country in relation to a Note issued by the Issuer.

The New Treaties with the United States of America, the United Kingdom, Norway, Finland, the Republic of France, Japan, the Republic of South Africa and New Zealand effectively prevent withholding tax applying to interest derived by:

- a. the government of the relevant Specified Country and certain governmental authorities and agencies in the Specified Country; and
- b. certain unrelated banks, and financial institutions which substantially derive their profits by carrying on a business of raising and providing finance, which are resident in the Specified Country,

by reducing the interest withholding tax rate to zero.

Under the New Treaty with Chile, interest withholding tax applying to interest derived by certain unrelated banks, and financial institutions which substantially derive their profits by carrying on a business of raising and providing finance is reduced to the rate of 5%.

Under the New Treaties, back-to-back loans and economically equivalent arrangements will not obtain the benefit of the reduction in interest withholding tax and the anti-avoidance provisions in the Australian Tax Act can apply. Additionally, under the New Treaty with the United States of America, interest determined by reference to the profits of the Issuer or one of its associated enterprises may not obtain the benefit of the reduction in interest withholding tax.

Further, under the New Treaty with Japan, interest derived by the Japan Bank for International Cooperation or the Nippon Export and Investment Insurance will have a nil rate of withholding tax.

Payment of additional amounts

Despite the fact that any Notes are intended to be issued in a manner which will satisfy the requirements of section 128F of the Income Tax Assessment Act 1936 and payments of interest in respect of those Notes are not expected to be subject to interest withholding tax, if the Issuer is at any time required to withhold interest withholding tax from payments of interest on any of those Notes, the amount payable by the Issuer will be increased so that, after making the withholding or deduction and further withholdings or deductions applicable to any additional amounts so payable, the relevant holder is entitled to receive (at the time the payment is due) the amount it would have received if no withholdings or deductions had been required to be made (subject to the conditions and exceptions contained in Condition 10.3 (“Gross-up exceptions”).

Quotation of Australian Business Numbers or Tax File Numbers

If a holder of a Note issued by the Issuer is an Australian resident or a non-resident that holds a Note at or through a permanent establishment in Australia, withholding for tax of 46.5% must be deducted (with an increase to 47% for the 2014-15 year of income and later years of income and presently proposed to be increased to 49% to replace the 2% temporary Budget Repair Levy for the 2014-1, 2015-16 and 2016-17 income years), unless the holder of that Note supplies the Issuer of that Note with its Australian Business Number (if applicable) or Tax File Number or proof of an appropriate exemption from quoting such numbers. An Australian resident that holds a Note may also be subject to Australian income tax in respect of interest derived from the relevant Notes.

Withholding Tax on Payments under the Guarantee

The Australian Taxation Office has published a Taxation Determination stating that payments by a Guarantor in respect of debentures (such as the Notes issued by the Issuer) are entitled to the benefit of the exemption contained in section 128F of the Australian Tax Act if payments of interest in respect of those debentures by the Issuer are exempt from interest withholding tax.

As set out in more detail in the Guarantees, if a Guarantor is at any time prohibited by law from making payments under the Guarantees free of deductions or withholdings, then such additional amounts shall be paid to the holder as may be necessary in

order that the actual amount received after all applicable deductions and withholdings shall equal the amount that would have been received if such deductions or withholdings were not made.

Other Australian Taxes

Australian Taxation of Profit on Sale

Under existing Australian law, Non-resident Holders will not be subject to Australian income tax on profits derived from the sale or disposal of those Notes where:

- a. the profits do not have an Australian source where the Non-resident Holder is a resident of a country with which Australia has concluded a double tax treaty and is eligible for benefits under that treaty; or
- b. where the Non-resident Holder is a resident of a country with which Australia has concluded a double tax treaty and is eligible for benefits under that treaty, those Notes have not been held, and the sale and disposal of those Notes does not occur, as part of a business carried on, at or through a permanent establishment in Australia.

The source of any profit on the disposal of Notes will depend on the factual circumstances of the actual disposal. Where Notes are acquired and disposed of pursuant to contractual arrangements entered into and concluded outside Australia, and the originator and the purchaser are non-residents of Australia and do not have a business carried on, at or through a permanent establishment in Australia, the profit would not be expected to have an Australian source.

Where Notes are held, and the sale and disposal occurs, as part of a business carried on by the Non-resident Holder at or through a permanent establishment in Australia, the profits derived from the sale or disposal may be deemed to have an Australian source. Such deeming will depend upon the country in which the non-resident Holder is located and any applicable double tax treaty between Australia and that country.

Goods and Services Tax ("GST")

Neither the issue nor the receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of the Notes will either be a financial supply that is input taxed or in the case Notes issued to a non-resident offshore subscriber, GST-free. Furthermore, neither the payment of principal or interest by the Issuer, nor the redemption or disposal of the Notes, should give rise to a liability for GST in Australia.

Where the acquisition or transfer of the Notes results in the holder making an input taxed financial supply, the holder may be restricted in claiming input tax credits for any GST they have incurred on costs related to the acquisition or transfer of Notes. Holders should seek their own advice in this regard.

Neither the grant of the Guarantees nor the payment of any amount under the Guarantees would give rise to any liability for GST in Australia.

Death duties

No Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death.

Stamp duty

No ad valorem, stamp duty, issue, registration or similar taxes are payable in Australia on the issue of any Notes or redemption of any Notes or the transfer of any Notes provided that the Notes are not held on a register located in South Australia.
