

ASX Announcement (ASX: LAW)

27 March 2025

Quarterly Activities Report – June 2024 Quarter

The Board of LawFinance Limited (“LawFinance”, “LAW” or “the Company”) provides the following update for its June quarter ending 30 June 2024. The Company notes that it is providing this Quarterly Activities report and Appendix 4C in order to comply with ASX Listing Rule 17.5 in relation to suspended entities.

June 2024 quarter KPI and commentary:

- The Company continues to explore the viability of Trident. In continuation of the Company’s aim to reduce its cost basis, all remaining NHF employees were let go in the period. A separate legal firm has been formally engaged to collect on the PFG book of receivables. This means that there is no longer a reason or justification to keep staff on the payroll.

- **Cash Collections - US\$1 million**

The Partners for Growth (PFG) portfolio is the sole portfolio of loan receivables that is being collected on. Cash collected during the quarter was US\$1.0 million. This was down from \$1.2m in the previous quarter. As noted previously, collections across all categories are on a downward trend, reflecting a contracting book.

- **Originations - US\$0 million**

The Company’s operating business, National Health Finance, has also not originated any claims since September 2022, when the PFG Book was put into runoff in line with the Company’s strategic priorities

The focus continued to remain on the Funding Transaction above and progressing the Trident Health Group (“Trident HG”) initiative.

- **Trident HG Update**

As announced previously, the Supplier Service Agreement between Trident HG and the US’s largest hospital management company was executed in March 2023. The LAW Group confirms it is in discussions with several hospitals and medical suppliers in the Southwestern United States and Texas. While the Trident HG Joint Venture growth strategy is still actively being pursued, it is taking significantly longer than expected for Trident HG Joint Venture to execute its first hospital funding agreement.

Should these discussions progress, the Company will give an update to shareholders, however currently the timing of commencement of Trident HG operations still remains uncertain.

- **Operating Expenditure (OPEX)**

Average monthly OPEX during the quarter was US\$0.05 million, down from US\$0.48 million in the previous quarter (1Q24). Towards the end of the previous quarter, all remaining staff were let go.

This resulted in no staff costs in this quarter.

Payments to related parties of the entity and their associates

Following the cessation of Daniel Kleijn's employment in 2Q23, there was no payments to related parties during the June quarter. This has been disclosed in Section 6.1 of the attached Appendix 4C.
