## IPH successfully completes \$100 million Institutional Placement

IPH Limited (**IPH**) is pleased to announce the successful completion of its \$100 million fully underwritten institutional placement (**Placement**). Settlement of the New Shares as part of the Placement is expected to occur on Tuesday, 27 August 2024.

The Placement was strongly supported by both existing shareholders and new institutional investors, with demand in excess of the funds sought to be raised. Under the placement approximately 17.7 million new fully paid ordinary shares in IPH (**New Shares**) were allocated to institutional investors at a price of \$5.65 per New Share (the **Offer Price**).

IPH Managing Director & CEO, Dr Andrew Blattman said: “We thank our existing shareholders for their ongoing support and are delighted by the strong demand from new and existing institutional investors for the Placement and the acquisition of Bereskin & Parr. There has been clear acknowledgement of the strategic benefits that Bereskin & Parr will bring to our existing position in the Canadian IP market and its alignment with our ambition to be the leading IP services group in secondary IP markets.”

New Shares issued under the Placement will rank equally with existing IPH shares from the date of issue and will be entitled to the final dividend for the period ended 30 June 2024.

The trading halt in respect of IPH’s securities is expected to be lifted before market open today as a result of the release of this announcement.
