Asra Minerals Limited (ASX: ASR; “Asra” or “the Company”) is pleased to announce the completion of the sale of the Tarmoola Pastoral Lease to Vault Minerals Ltd (ASX:VAU) for \$3 million, pursuant to the agreement (Transaction) announced 4th September 2024.

The transaction strengthens Asra’s financial position, with proceeds to be directed towards supporting exploration and drilling campaigns across both its Leonora Gold projects (**Figure 1**). Asra will retain the accommodation camp, kitchen, laundry, ablution facilities (“Exploration Camp”) and use of the access road, all located in an area approximately 10km². Retention of these Assets will provide important support to the Company during future exploration programs.

The Agreement was executed between Asra’s wholly owned subsidiary Tarmoola Holdings Pty Ltd and Greenstone Resources (WA) Pty Ltd, a wholly owned subsidiary of Vault Minerals. The Purchase Price includes the initial deposit of \$250,000 previously received by Asra.

Asra Minerals Chief Executive Officer, Paul Stephen: *“The successful completion of this sale delivers immediate value to our shareholders and significantly strengthens our financial position. With the Leonora Gold Projects as our priority, we are well-positioned to accelerate exploration and growth initiatives that target high-grade, belt-scale discoveries.*

We remain confident in the significant potential of our projects and now look forwards to commencing our 2025 exploration programs to unlock further gold resources. This strategic focus underscores our commitment to creating long-term value and advancing our assets in this highly prospective region.”
