NOTICE OF ANNUAL GENERAL MEETING

INTRODUCTION

This Explanatory Memorandum forms part of the Notice convening the Company's Annual General Meeting to be held on Friday, 29 November 2024. This Explanatory Memorandum is to assist Shareholders in understanding the background to and implications of the resolutions proposed, and procedural matters concerning the Meeting. Terms used in this Explanatory Memorandum are defined in Section 15.

ITEM 1 - CONSIDERATION OF REPORTS

- 1.1 The Financial Report, the Directors' Report and the Independent Audit Report for the year ended 30 June 2024 will be presented for consideration.
- 1.2 The abovementioned reports were released by the Company to ASX on 29 August 2024. They can be accessed at <https://www.asx.com.au/markets/company/oda>. Shareholders are not required to vote on the reports, however Shareholders will be given a reasonable opportunity to ask questions concerning the reports.

ITEM 2 – QUESTIONS AND COMMENTS

- 2.1 The chairman of the meeting (the Chairman) will give Shareholders a reasonable opportunity to ask questions about or make comments on the management of the Company.
- 2.2 A representative of the Company's auditor will attend the Meeting. The Chairman will give Shareholders a reasonable opportunity to ask the Auditor's representative questions relevant to:
 - (i) the conduct of the audit; and
 - (ii) the preparation and content of the Auditor's report; and
 - (iii) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - (iv) the independence of the Auditor in relation to the conduct of the audit.
- 2.3 The Chairman will also give the Auditor's representative a reasonable opportunity to answer written questions submitted to the Auditor in accordance with the *Corporations Act 2001* (Cth). A list of written questions, if any, submitted by Shareholders will be made available at the start of the meeting, and any written answer tabled by the Auditor's representative at the meeting will be made available to Shareholders as soon as practicable after the meeting.
- 2.4 Pursuant to section 250PA *Corporations Act 2001* (Cth) a Shareholder entitled to vote at the Meeting may submit a written question to the Company's auditor if the question is relevant to:
 - (a) the content of the Auditor's report to be considered at the Annual General Meeting; or
 - (b) the conduct of the audit of the annual financial report to be considered at the Annual General Meeting.

A Shareholder must give the question to the Company (who will pass it on to the Auditor) **no later than 5.00 pm (AEST) on Friday, 22 November 2024**. If you wish to submit a question to the Company's auditor please deliver it, marked "Attention: The Company Secretary, Orcoda Limited", to the Company either personally or by post, facsimile or email to the address, facsimile number or email address designated in section 11.8 of this Explanatory Memorandum. Alternatively, if you are submitting a proxy form (see section 11.8 of this Explanatory Memorandum) you may send it together with the proxy form, provided it is received **by 5.00 pm (AEST) on Friday, 22 November 2024**.

ITEM 3 - RESOLUTION 1: ADOPTION OF REMUNERATION REPORT

- 3.1 The Remuneration Report is contained in the Company's 2024 Annual Report commencing on page 12. The Remuneration Report's contents include:

- (i) an explanation of the Board's policy for remuneration of Key Management Personnel; and
- (ii) details of remuneration paid to Key Management Personnel.

3.2 Under the *Corporations Act 2001* (Cth) a resolution that the Remuneration Report be adopted must be put to a vote of Shareholders at the Company's Annual General Meeting.

3.3 The Chairman will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

3.4 The vote on the resolution is advisory only and does not bind the Company or the Company's directors. However the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

3.5 Under the Corporations Act, if at least 25% of the votes cast on resolution 1 are voted against adoption of the Remuneration Report, and then again at the Company's 2025 annual general meeting, the Company will be required to put to Shareholders a resolution proposing the calling of a general meeting to consider the appointment of directors of the Company (**spill resolution**). If more than 50% of Shareholders vote in favour of the spill resolution the Company must convene the general meeting (**spill meeting**) within 90 days of the Company's 2025 annual general meeting. All of the Directors who were in office when the Company's 2025 Directors' Report was approved, other than the Company's Managing Director (if any), will cease to hold office immediately before the end of the spill meeting but may stand for re-election at the spill meeting. Following the spill meeting those persons whose election or re-election as Directors is approved will be the directors of the Company.

3.6 Voting Exclusion Statement

Section 250R(4) Corporations Act provides that a vote must not be cast (in any capacity) on resolution 1 by or on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report or a Closely Related Party of such a person. However section 250R(5) Corporations Act provides that a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report or a Closely Related Party of such a person may cast a vote on resolution 1 as a proxy if the vote is not cast on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report or a Closely Related Party of such a person and either:

- (i) the voter is appointed as a proxy by writing that specifies how the proxy is to vote on resolution 1; or
- (ii) the voter is the chair of the meeting and the appointment of the chair as proxy:
 - (a) does not specify the way the proxy is to vote on resolution 1; and
 - (b) expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

In accordance with section 250R(8) Corporations Act a vote cast in contravention of section 250R(4) Corporations Act will not be counted.

3.7 The Company's directors recommend that Shareholders vote in favour of resolution 1.

ITEM 4 - RESOLUTION 2: ELECTION OF DIRECTOR – MS MAREE ADSHEAD

4.1 Maree Adshead was appointed by the Company's directors as a non-executive Director of the Company on 28 February 2024 pursuant to rule 36.1 of the Company's constitution which allows the Company's directors to appoint a person to fill a casual vacancy or as an addition to the existing Directors. Under the Company's constitution and ASX Listing Rule 14.4, Ms Adshead will hold office as a Director until the end of the Annual General Meeting on 29 November 2024, and may be re-elected as a Director at that meeting.

4.2 Ms Adshead has held significant positions in the Queensland public service sector and is the former Queensland Small Business Commissioner and an ex-partner of Minter Ellison Lawyers, with extensive board and advisory experience in Australia spanning over 30 years. She currently serves as Chair of Turbine Sunshine Coast Ltd and CEO of Eco-Markets Australia, and has recently completed her tenure as a member of the Advisory Council to the Energy and Water Ombudsman Queensland and Moreton

Bay Regional Council's Economic Development Taskforce. Ms Adshead is chair of the Company's Remuneration & Nomination Committee.

- 4.3 The Company's Directors (with Ms Adshead abstaining) recommend that Shareholders vote in favour of resolution 2.

ITEM 5 - RESOLUTION 3: RE-ELECTION OF DIRECTOR - MR BRENDAN MASON

- 5.1 In accordance with rule 38.1(c) of the Company's constitution Brendan Mason, who was last elected as a Director of the Company at the Company's annual general meeting of members on 29 November 2022, retires at the end of the Annual General Meeting and, being eligible, offers himself for re-election as a Director of the Company.
- 5.2 Mr Mason is an experienced chief executive, non-executive director, and corporate rescue intervention specialist. He has over 14 years of experience in Greater China and Asia and has started operations for multiple foreign entities in the MedTech, FinTech, FMCG, and environmental sectors.
- 5.3 Mr Mason has had a successful and distinguished career with Orcoda, previously undertaking the role of Managing Director before his current role of non-executive director, in which he has been appointed since 2019. He was recently appointed the Company's non-executive Chairman of Directors and is a member of the Company's Audit, Risk & Finance Committee and the Company's Remuneration & Nomination Committee.
- 5.4 The Company's Directors (with Mr Mason abstaining) recommend that Shareholders vote in favour of resolution 3.

ITEM 6 - RESOLUTION 4 - APPROVAL FOR AN ADDITIONAL 10% OF ISSUED CAPACITY UNDER LISTING RULE 7.1A (SPECIAL RESOLUTION)

- 6.1 Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.
- 6.2 An "eligible entity" for the purposes of ASX Listing Rule 7.1A is an entity that, at the date the requisite special resolution is passed:
- (i) is not included in the S&P/ASX 300 index; and
 - (ii) has a market capitalisation of \$300 million or less.
- The Company is an eligible entity because as at the date of this Notice the Company's market capitalisation is \$27,065,131.
- 6.3 Resolution 4 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval. If resolution 4 is passed the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval. If resolution 4 is not passed the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.
- 6.4 The additional 10% capacity (i.e. additional number of equity securities that the Company may issue or agree to issue during the period of the approval) is calculated in accordance with the following formula:

$$(A \times D) - E$$

- A = The number of fully paid ordinary securities on issue 12 months before the date of issue or agreement,
- plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17,
 - plus the number of fully paid ordinary securities issued in the 12 months on the conversion of convertible securities within rule 7.2 exception 9 where:

- the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- plus the number of fully paid ordinary securities issued in the 12 months under an agreement to issue securities within rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the 12 months; or
 - the agreement or issue was approved or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4,
- plus the number of partly paid ordinary securities that became fully paid in the 12 months,
- less the number of fully paid ordinary securities cancelled in the 12 months.

D = 10%

E = The number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 month period immediately preceding the date of the issue or agreement to issue where the issue or agreement has not been subsequently approved by the holders of the Company's ordinary securities under Listing Rule 7.4.

6.5 Any equity securities issued under Listing Rule 7.1A.2 must be in an existing quoted class of the Company's equity securities. (As at the date of this Notice the Company has on issue one quoted class of equity securities, namely fully paid ordinary Shares).

6.6 As required by ASX Listing Rule 7.3A the following information is provided:

- The date the equity securities may be issued by (assuming resolution 4 is passed at the Meeting) is the earlier of the following:
 - the date that is 12 months after the date of the annual general meeting at which the approval is obtained: and
 - the time and date of the Company's next annual general meeting; and
 - the time and date of the approval by holders of ordinary Shares in the Company of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of the Company's activities) or Listing Rule 11.2 (disposal of the Company's main undertaking). (The Shareholder approval under resolution 4 to issue the additional equity securities will cease to be valid in the event that holders of the Company's ordinary Shares approve a transaction under Listing Rule 11.1.2 or 11.2).
- The minimum price at which the equity securities may be issued for the purposes of Listing Rule 7.1A.3 is 75% of the volume weighted average market price for securities in that class calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - the date on which the price at which the securities are to be issued is agreed by the Company and the recipient of the securities; or
 - if the securities are not issued within 10 trading days of the date in paragraph (a), the date on which the securities are issued.
- The equity securities may be issued by the Company to raise capital to fund any one or more of the following:
 - development activities;
 - working capital; and
 - acquisition of new assets or investments.
- If equity securities are issued by the Company under Listing Rule 7.1A there is a risk of economic and voting dilution of existing ordinary security holders, including the risk that:
 - the market price for equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
 - the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

The following table describes the potential dilution of existing ordinary security holders on the basis of three different issue prices and values for the variable "A" in the formula in Listing Rule 7.1A.2 (set out in section 6.4 (above)), including an example that assumes that "A" is double the

number of ordinary securities on issue at the time of the approval under Listing Rule 7.1A and that the price of equity securities has fallen by at least 50%:

Variable "A" in Listing Rule 7.1A.2		Dilution		
		Issue Price of \$0.08 (50% of the current market price of the Company's Shares)	Issue Price of \$0.16 (the current market price of the Company's Shares)	Issue Price of \$0.32 (100% increase in the current market price of the Company's Shares)
169,157,069 (current Variable A)	10% Voting Dilution	16,915,706 Shares	16,915,706 Shares	16,915,706 Shares
	Funds raised	\$1,353,256	\$2,706,512	\$5,413,024
253,735,603 (50% increase in current Variable A)	10% Voting Dilution	25,373,560 Shares	25,373,560 Shares	25,373,560 Shares
	Funds raised	\$2,029,884	\$4,059,768	\$8,119,536
338,314,138 (100% increase in current Variable A)	10% Voting Dilution	33,831,413 Shares	33,831,413 Shares	33,831,413 Shares
	Funds raised	\$2,706,512	\$5,413,024	\$10,826,048

The table has been prepared based on the following assumptions:

1. The Company issues (as Shares) the maximum number of equity securities available under the 10% placement capacity.
2. No performance rights are converted into fully paid ordinary Shares before the date of the issue of securities under ASX Listing Rule 7.1A. The Company has 7,400,000 unquoted performance rights on issue at the date of this Notice.
3. The table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
4. The issue price of \$0.16 is the closing price of the Company's Shares on ASX on 21 October 2024.

- (v) The Company's allocation policy for issues of equity securities pursuant to approval under Resolution 4 will depend on prevailing market conditions and the Company's circumstances at the time of any proposed issue. The identity of the allottees of equity securities will be determined on a case by case basis having regard to any one or more of the following factors:
- (a) the methods of raising funds available to the Company including, but not limited to rights issues or other issues in which existing security holders can participate;
 - (b) the effect of the issue of the equity securities on the control of the Company;
 - (c) the financial situation of the Company; and
 - (d) advice from any one or more of the Company's professional advisers.

Allottees under the additional placement facility (should the Company elect to use the facility) have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company. In addition, if the Company is successful in acquiring new assets or investments it is possible that allottees under the additional placement facility will be or include vendors of the new assets or investments.

The Company previously obtained Shareholder approval under Listing Rule 7.1A at the Company's annual general meeting on 15 November 2023. No equity securities were issued or agreed to be issued by the Company under Listing Rule 7.1A.2 in the 12 months preceding the date of the upcoming annual general meeting (29 November 2024).

- 6.7 At the date of this Notice, the Company has no intention of making an issue of equity securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.
- 6.8 Under the ASX Listing Rules resolution 4 is required to be passed as a special resolution which means

that it must be approved by at least 75% of the votes cast by members entitled to vote on the resolution.

6.9 The Company's directors recommend that Shareholders vote in favour of resolution 4.

ITEM 7 - RESOLUTION 5 - ORCODA SECURITIES PLAN – ISSUE APPROVAL

- 7.1 The Company adopted the Orcoda Securities Plan (**OSP**) in 2021. The OSP provides an equity based remuneration framework designed to:
- (I) provide a strategic, value-based reward for such persons that make a key contribution to the long-term success of the Company;
 - (II) incentivise long-term employment;
 - (III) attract persons with experience and ability to seek employment with the Company;
 - (IV) facilitate the Company settling remuneration in part in the form of equity, including Service Rights, when appropriate; and
 - (V) foster loyalty between the Company and its employees.
- 7.2 The Company's directors propose from time to time to approve the issue of securities under the OSP to employees and contractors of the Company. The OSP also makes provision for the issue of securities to directors of the Company, however in accordance with ASX Listing Rules requirements Shareholder approval will be sought for the issue of any securities to directors of the Company under the OSP.
- 7.3 The ASX Listing Rules do not require an ASX-listed company to obtain shareholder approval for the adoption or continued operation of an employee incentive scheme, however (as stated above) ASX Listing Rule 7.1, with certain exceptions, prohibits ASX-listed companies, without shareholder approval, issuing in any 12 month period more than 15% of the equity securities on issue in the company at the start of the 12 month period. One of the exceptions to listing rule 7.1 is exception 13(b) in ASX Listing Rule 7.2 which provides that if a company's shareholders have approved the issue of securities under an employee incentive scheme within 3 years before the issue of any securities under the scheme the securities issued will not count towards the 15% limit in Listing Rule 7.1.
- 7.4 The Company's Directors have the power to issue options and subsequently Shares under the OSP, however the Directors consider it prudent to seek Shareholder approval so that such issues will not be taken into account for the purpose of the 15% limit under Listing Rule 7.1. Shareholder approval for issues under the OSP was last obtained at the company's annual general meeting held on 30 November 2021, therefore the 3 year period referred to in exception 13(b) is about to expire. The purpose of proposed resolution 5 therefore is to renew Shareholder approval. If Resolution 5 is not passed any securities issued by the Company under the OSP would count towards the 15% limit referred to. That being the case the Board may need to consider alternative remuneration arrangements which are consistent with the Company's remuneration principles, including providing an equivalent cash long term incentive subject to the risk of forfeiture, performance conditions and performance period.
- 7.5 As required by ASX listing rule 7.2 (exception 13(b)) the following information is provided:
- (i) the following is a summary of the terms of the OSP:

Aspect	Details
Instrument	<p>The OSP provides for several classes of securities and other Rights which may be entitlements or options up to the value of the relevant Shares (ordinary fully paid Company Shares) which may be satisfied either in cash and/or in Shares.</p> <p>Generally, it is expected that vested Rights will be satisfied in Shares. The price to exercise the Rights is nil, however with respect to Rights or options, then vesting is generally Incentive tested. The value that will be realised is then a function of Incentive against indicators (Vesting Conditions) and the Share price at the time of vesting.</p> <p>The OSP allows for four (4) kinds of securities as appropriate forms of remuneration.</p> <p>1. Shares issued as an alternative to cash remuneration often calculated through a pricing mechanism adopted by the Board and recommended</p>

	<p>by a non-conflicted Remuneration Committee – typically with some correlation to VWAP over express periods.</p> <ol style="list-style-type: none"> 2. Restrictive Rights vest when their conditions are satisfied. 3. Service Rights that vest after the completion of a period of service; and 4. Incentive Rights which relate to amounts of deferred payments already earned and which are not subject to vesting conditions.
Eligibility	Selected employees and directors as nominated by the Board are eligible to participate.
Term	Certain Rights may have a term of up to 15 years and if not exercised within the term the Rights will lapse. (Note: the Term of Rights is separate to the Measurement Period for Vesting of Rights described below).
Terms & Conditions	<ul style="list-style-type: none"> • The Board has the discretion to set the terms and conditions on which it will offer Rights under the OSP, including the Vesting Conditions and modification of the terms and conditions as appropriate to ensuring the plan operates as intended. • All Incentive and Service Rights offered will be subject to Vesting Conditions and in the case of Shares or Incentive Rights, then the conditions are intended to be challenging and linked to growth in Shareholder value. • The terms and conditions of the OSP include those aspects legally required as well as a method for calculating the appropriate number to vest in the circumstances of a change of control, a major return of capital to Shareholders and the treatment of Rights on termination of employment.
Number of Rights	The number of Rights to be offered will be at the discretion of the Board. It is intended that the number of Rights to be granted will be determined annually about the Participant's Base Package, relevant market practices and the relevant policies of the Company regarding their remuneration.
Vesting	<ul style="list-style-type: none"> • Incentive Rights will be the form of Right that will be used for LTI, and they will immediately vest. • Service Rights and Incentive Rights may be used to retain key talent, defer remuneration or to settle previously accrued entitlements. • On the satisfaction of the Vesting Conditions, and exercise of vested Rights by the Participant, Rights are converted to Shares. • The Board may specify if vested Rights are automatically exercised upon vesting or exercised manually by the Participant. • In limited circumstances the Board awards the value of vested Rights in cash i.e., for example, in cases of termination. • No exercise price is required to convert the Rights into Shares. • In the case of Restricted Rights, exercise automatically occurs after 90 days following their grant.
Measurement Period	<p>The Measurement Period may be determined by the Board as part of each Invitation, but for long term incentive purposes it is intended to be three years (starting from the beginning of the financial year in which a grant is made) with no vesting prior to Incentive being tested at the end of the three years between the start of the financial year in which the grant is made, and the end of the third financial year.</p> <p>Different Measurement Periods may be applied when warranted. The life of the Rights may differ from the Measurement Period and be shorter when Shareholder approval for grants cannot be obtained until after the beginning of the Measurement Period.</p>
Vesting Conditions	Vesting Conditions are to be determined by the Board as part of each offer, however, for the purposes of long-term incentive, the conditions selected are intended to create alignment with the experiences and expectations of Shareholders over the Measurement Period. Initially Vesting Conditions will be related to TSR and possibly strategic milestones.
Hurdles	A hurdle is a condition that may apply to a grant if specified in the invitation, and if not met, will turn off the opportunity for Rights to vest.
Measurement Period Extender	The OSP Rules allow for the Measurement Period to be extended by 12 months, if the Participant is still employed, and nil vesting occurred at the first test. The start of the measurement period would not be affected by this, and

	modification of the Measurement Period can only apply to vesting scales that are expressed on an annualized basis, which ensures the adjustment does not make vesting easier. The Measurement Period would typically be extended from 3 years to 4 years. The purpose of this feature is to address short-term anomalies that arise at the relevant calculation points, and to motivate management to strive for improvement if the LTI fails to vest at the end of 3 years. This is not the same as re-testing.
Exercise and Exercise Price	In the case of manual exercise, Participants may submit an exercise notice at any time between the Vesting Date and the elapsing of the Term of the Rights, otherwise they will lapse at the end of their Term. The exercise price is nil.
Cessation of Employment	<ul style="list-style-type: none"> On termination of employment a portion of Incentive Rights granted in the financial year in which the termination occurs will be forfeited. The proportion is that which the remainder of the financial year following the termination represents of the full financial year. This provision recognises that grants of Incentive Rights are part of the remuneration for the year of grant and that if part of the year is not served then some of the Incentive Rights will not have been earned, however this will not be applied under resolution 5.1 to 5.5, except if resignation occurs for reasons of poor health. The treatment of Service Rights will be specified in Invitations and will relate to the purpose of such a grant. If Incentive or Service Rights vest subsequent to a termination of employment and their value is less than the Share Price at the date of the termination, then such Rights will be settled in cash on exercise. Incentive Rights are fully vested at grant and are not impacted by termination of employment. If a Participant is no longer employed by or otherwise engaged with any Group Company and holds unvested Rights those Rights will be automatically exercised on the earlier of the end of the Term of the Rights and one month following the date when the Participant has ceased to hold unvested Rights.
Change of Control of the Company	<ul style="list-style-type: none"> In the event of a Change of Control a portion of Incentive Rights granted in the financial year in which the Change of Control occurs will be forfeited. The proportion is that which the remainder of the financial year following the Change of Control represents of the full financial year. Unvested Incentive Rights would vest in the same proportion as the Share price has increased since the beginning of the Measurement Period. Remaining Incentive Rights would either lapse or some or all may vest at the Board's discretion. In relation to Restricted Shares that have resulted from the vesting of Rights, dealing restrictions, if any, specified in the Invitation would also be lifted, though the Company's securities trading policy and the Corporations Act would continue to apply. Incentive Rights are unaffected by a Change of Control event. All unvested Service Rights will vest.
Major Return of Capital	The OSP contains provisions that provide for vesting in the proportion of capital returned to Shareholders, or in the proportion that the Share price increased over the Measurement Period, with Board discretion regarding the remainder.
Disposal Restriction Release at Taxing Point	If a taxing point arises in relation to Restricted Shares and the disposal restrictions applicable to such Shares have not ceased to apply then disposal restrictions, other than those arising under the Corporation Act, will cease to apply to 50% of such Restricted Shares.
Fraud, Gross Misconduct etc.	If the Board forms the opinion that a Participant has committed an act of fraud, or gross misconduct in relation to the Company, the Participant will forfeit all unvested Rights.
Competition and Other Actions that May Harm the	<ul style="list-style-type: none"> If a Participant engages in any activities or communications that, in the opinion of the Board, may cause harm to the operations or reputation of the Company or the Board all unvested Rights held by the Participant will

Voting and Dividend Rights	Rights do not carry voting or dividend entitlements. Shares issued when Rights vest carry all entitlements of Shares, including voting and dividend rights.
No Transfer of Rights	Rights may not be sold, transferred, mortgaged, charged, or otherwise dealt with or encumbered, except by force of law.
Specified Disposal Restrictions	Invitations may include disposal restrictions that apply for a specified period to Restricted Shares. The Board will decide whether to include such conditions and the period for which they will apply.
Quotation	Rights will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the OSP, in accordance with the ASX Listing Rules.
Variation of Term and Conditions	To the extent permitted by the Listing Rules, the Board retains the discretion to vary the terms and conditions of the OSP. This includes varying the number of Rights to which a Participant is entitled upon a reorganization of the capital of the Company.
Issue or Acquisition of Shares	Shares allocated to a Participant when Rights vest under the OSP may be issued by the Company or acquired on or off market by the Company or its nominee. The nominee may be a trust, the purpose of which is to facilitate the operation of the plan.
Cost and Administration	The Company will pay all costs of issuing and acquiring Shares for the purposes of satisfying exercised Rights, as well as any brokerage on acquisitions of Shares for this purpose and all costs of administering the OSP.
Other Terms of the OSP	The OSP also contains customary and usual terms having regard to Australian law for dealing with winding up, administration, variation, suspension, and termination of the OSP.
Hedging	The Company prohibits the hedging of Rights or Shares subject to dealing restrictions by Participants.
Lapse and Forfeiture of Rights	Rights will lapse if the prescribed Vesting Conditions are not satisfied within the prescribed Measurement Period, subject to retesting, or if the Rights are not exercised within their term.

- (ii) the number of securities issued under the OSP since the date of the last approval under Listing Rule 7.2 exception 13 (on 30 November 2021) is 7,000,000 performance rights;
- (iii) the maximum number of equity securities proposed to be issued under the OSP following approval of resolution 5 is that number which is 5% of the number of the Company's fully paid ordinary securities on issue. (Currently there are 169,157,069 fully paid ordinary securities on issue. 5% of that number is 8,457,853); and

(iv) **Voting Exclusion Statement**

As required by the ASX Listing Rules the Company will disregard any votes cast on Resolution 5 by:

- a person who is eligible to participate in the OSP; and
- an associate (as defined in the ASX Listing Rules) of that person.

However, this does not apply to a vote cast in favour of Resolution 5 by:

- a person as proxy or attorney for a person who is entitled to vote on Resolution 5, in accordance with directions given to the proxy or attorney to vote on Resolution 5 in that way; or
- the chair of the Meeting as proxy or attorney for a person who is entitled to vote on Resolution 5, in accordance with a direction given to the chair to vote on Resolution 5 as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial, or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:

- the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting , and is not an associate of a person excluded from voting, on Resolution 5; and
- the holder votes on Resolution 5 in accordance with directions given by the beneficiary to the holder to vote in that way.

7.6 The Company's directors recommend that Shareholders vote in favour of resolution 5.

ITEMS 8 TO 11 - RESOLUTIONS 6 TO 9 – GRANT OF OPTIONS TO GEOFFREY JAMIESON, BRENDAN MASON, GEOFFREY WILLIAMS AND MAREE ADSHEAD

8.1 Background

The Company seeks Shareholder approval for the issue of Options to Geoffrey Jamieson, Brendan Mason, Geoffrey Williams, and Maree Adshead (**Allottees**), as set out below. The purpose of these resolutions is to approve the issue of the relevant Options for nil consideration to each respective director.

The purpose of the grant of the Options is to incentivise the Board on remuneration terms linked to increasing Shareholder value while supporting the Company's remuneration policy of maximizing return, attracting sufficient talent, while maintaining cost-effective controls with regard to the Allottees' remuneration, based on the size and stage of the Company at any given time.

8.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company. Within this chapter, section 208 of the Corporations Act prohibits a public company from giving a financial benefit to a related party of a public company without shareholder approval unless the benefit falls within one of the various exceptions to the general prohibition. A "related party" for the purposes of the Corporations Act is defined widely and includes a director of a public company, a spouse of a director of a public company, and entities controlled by a director of a public company. A "financial benefit" has a broad meaning which includes a public company issuing securities to a related party.

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act. All the Allottees are related parties of the Company.

In respect of resolution 6, the non-conflicted Directors of the Company (being Brendan Mason, Geoffrey Williams, and Maree Adshead) carefully considered the issue of Options to Mr Jamieson and formed the view that the agreement to issue the Options constitutes reasonable remuneration payable to Mr Jamieson.

Accordingly, the non-conflicted Directors of the Company believe that the issue of Options to Mr Jamieson fall within the "remuneration and reimbursement for officer or employee" exception as set out in section 211 of the Corporations Act and rely on this exception for the purposes of resolution 6. Therefore, the proposed issue of Options to Mr Jamieson requires Shareholder approval under and for the purposes of Listing Rule 10.11 only.

In respect of resolution 7, the non-conflicted Directors of the Company (being Geoffrey Jamieson, Geoffrey Williams, and Maree Adshead) carefully considered the issue of Options to Mr Mason and formed the view that the agreement to issue the Options constitutes reasonable remuneration payable to Mr Mason.

Accordingly, the non-conflicted Directors of the Company believe that the issue of Options to Mr Mason fall within the "remuneration and reimbursement for officer or employee" exception as set out in section 211 of the Corporations Act and rely on this exception for the purposes of resolution 7. Therefore, the proposed issue of Options to Mr Mason requires Shareholder approval under and for the purposes of Listing Rule 10.11 only.

In respect of resolution 8, the non-conflicted Directors of the Company (being Geoffrey Jamieson,

Brendan Mason, and Maree Adshead) carefully considered the issue of Options to Mr Williams and formed the view that the agreement to issue the Options constitutes reasonable remuneration payable to Mr Williams.

Accordingly, the non-conflicted Directors of the Company believe that the issue of Options to Mr Williams fall within the “remuneration and reimbursement for officer or employee” exception as set out in section 211 of the Corporations Act and rely on this exception for the purposes of resolution 8. Therefore, the proposed issue of Options to Mr Williams requires Shareholder approval under and for the purposes of Listing Rule 10.11 only.

In respect of resolution 9, the non-conflicted Directors of the Company (being Geoffrey Jamieson, Brendan Mason, and Geoffrey Williams) carefully considered the issue of Options to Ms Adshead and formed the view that the agreement to issue the Options constitutes reasonable remuneration payable to Ms Adshead.

Accordingly, the non-conflicted Directors of the Company believe that the issue of Options to Ms Adshead fall within the “remuneration and reimbursement for officer or employee” exception as set out in section 211 of the Corporations Act and rely on this exception for the purposes of resolution 9. Therefore, the proposed issue of Options to Ms Adshead requires Shareholder approval under and for the purposes of Listing Rule 10.11 only.

8.3 ASX Listing Rule 10.11

The Company is proposing to issue the Options to the Allottees (**Issue**).

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- (i) a related party (Listing Rule 10.11.1);
- (ii) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company (Listing Rule 10.11.2);
- (iii) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (Listing Rule 10.11.13);
- (iv) an associate of a person referred to in Listing Rule 10.11.1 to 10.11.3 (Listing Rule 10.11.4); or
- (v) a person whose relationship with the company or a person referred to in Listing Rule 10.11.1 to 10.11.4 is such that, in ASX’s opinion, the issue or agreement should be approved by its shareholders (Listing Rule 10.11.5),

unless it obtains the approval of its shareholders.

As each of the Allottees are related parties, the Issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of the Company’s Shareholders under Listing Rule 10.11.

Resolutions 6 to 9 seek the required Shareholder approval to the Issue under and for the purposes of Listing Rule 10.11.

If resolutions 6 to 9 are passed, the Company will be able to proceed with the Issue and grant the Options to the Allottees or their respective nominees in the manner described above.

If resolutions 6 to 9 are not passed, the Company will not be able to proceed with the Issue with respect to the Options the subject of the resolution not passed and the Company will not grant the Options the subject of resolution 6 to Geoffrey Jamieson (or his nominee), the Options the subject of resolution 7 to Brendan Mason (or his nominee), the Options the subject of resolution 8 to Geoffrey Williams (or his nominee), or the Options the subject of resolution 9 to Maree Adshead (or her nominee) on the

basis such resolutions are not passed. If resolutions 6 to 9 are not passed, the Company will not be utilizing the most cost-effective and efficient means for incentivizing the Allottees, and other means, such as cash payments, would be considered. Those other means may not align the Allottees' interests with those of Shareholders to the same extent.

Each of resolutions 6 to 9 are not dependent on one another.

8.4 **ASX Listing Rule 7.1**

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

ASX Listing Rule 7.2 (exception 14) provides that Listing Rule 7.1 does not apply to an issue of securities made with the approval of the holders of the entity's ordinary securities under Listing Rules 10.11 or 10.14.

Accordingly, since resolution 6 to 9 seek Shareholder approval pursuant to ASX Listing Rule 10.11, the Board is not seeking Shareholder approval for the issue of the Options under ASX Listing Rule 7.1 pursuant to ASX Listing Rule 7.2 (exception 14).

8.6 Voting exclusion statements

The Company will disregard any votes cast in favour of:

- resolution 6 by or on behalf of Geoffrey Jamieson and any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by reason of being a holder of ordinary securities in the Company) or an associate of that person or those persons;
- resolution 7 by or on behalf of Brendan Mason and any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by reason of being a holder of ordinary securities in the Company) or an associate of that person or those persons;
- resolution 8 by or on behalf of Geoffrey Williams and any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by reason of being a holder of ordinary securities in the Company) or an associate of that person or those persons; and

- (iv) resolution 9 by or on behalf of Maree Adshead and any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by reason of being a holder of ordinary securities in the Company) or an associate of that person or those persons,

However, this does not apply to a vote cast in favour of each of resolutions 6 to 9 by:

- (i) a person as a proxy or attorney for a person who is entitled to vote on the resolutions, in accordance with the directions given to the proxy or attorney to vote on the resolutions in that way; or
- (ii) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolutions, in accordance with a direction given to the chair to vote on the resolutions as the chair decides; or
- (iii) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (a) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolutions; and
 - (b) the holder votes on the resolutions in accordance with directions given by the beneficiary to the holder to vote in that way.

8.7 Voting prohibition statement

In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote, on the basis of that appointment, on resolutions 6 to 9 if:

- (i) the proxy is either:
 - (a) a member of the Company's Key Management Personnel; or
 - (b) a Closely Related Party of a member of the Company's Key Management Personnel; and
- (ii) the appointment does not specify the way the proxy is to vote on the resolution.

However, the above prohibition does not apply if:

- (i) the proxy is the chair of the Meeting; and
- (ii) the appointment expressly authorizes the chair to exercise the proxy even if the resolution is connected directly or indirectly with remuneration of a member of the Company's Key Management Personnel.

8.8 Director recommendation

Mr Jamieson, Mr Mason, Mr Williams, and Ms Adshead decline to make a recommendation to Shareholders in relation to resolutions 6, 7, 8, and 9 respectively due to their material personal interest in the outcome of these resolutions on the basis they are to be issued the Options should resolutions 6, 7, 8, and 9 be passed.

The Directors (other than the resolution that relates to their own interest) recommend that Shareholders vote in favour of resolutions 6, 7, 8, and 9.

The chair of the Meeting intends to vote all available undirected proxies in favour of resolution 6, 7, 8 and 9.

ITEM 12 - RESOLUTION 10 - RENEWAL OF PROPORTIONAL TAKEOVER APPROVAL PROVISIONS IN CONSTITUTION

- 9.1 The Company's constitution contains provisions (in rule 75 of the constitution) that prohibit the registration of any transfer of Shares giving effect to an offer made under a proportional takeover bid (that is, an offer for some, but not all, of the holders' Shares in the Company) unless and until the persons holding shares in a class in respect of which the offer under the takeover bid was made have at a meeting passed an ordinary resolution approving the bid.
- 9.2 The bidder and its associates would not be permitted to vote on the matter at such a meeting and thereby influence the outcome.
- 9.3 To remain effective, these provisions must be renewed by Shareholders in a general meeting every 3 years. In accordance with section 648G of the Corporations Act these proportional takeover approval

provisions cease to apply unless otherwise renewed. The following information is provided in accordance with subsection 648G(5) of the Corporations Act.

Effect of proposed proportional takeover provisions in rule 75

9.4 The effect of the proposed provisions is that:

- (a) if a proportional takeover bid is made the Directors must convene a meeting of Shareholders to vote on a resolution to approve the offer. That meeting must be held at least 15 days before the close of the bid period;
- (b) the vote is decided on a simple majority. Each person who, as at the end of the day on which the first offer under the takeover bid was made held bid class shares, is entitled to vote. Neither the bidder nor an associate of the bidder may vote;
- (c) if the resolution is not voted on at least 15 days before the close of the bid period a resolution approving the proportional bid is deemed to have been passed;
- (d) if the resolution is rejected the registration of any transfer of shares resulting from the proportional bid will be prohibited and, under the Corporations Act, the offer will be deemed to be withdrawn; and
- (e) if the resolution is approved the relevant transfers of shares will be registered provided they comply with the other provisions of the Company's constitution.

9.5 The provisions of rule 75 will not apply to full takeover bids. If the provisions are renewed, they will expire in accordance with the Corporations Act three (3) years after the date of their renewal unless renewed by a special resolution of Shareholders.

Reasons for proposing the resolution

9.6 The Company's directors consider that inclusion of the proposed provisions in rule 75 is in the best interests of Shareholders. The Board considers that Shareholders should have the opportunity to decide whether a proposed proportional takeover bid should proceed by voting upon it. If it does proceed, individual Shareholders can make a separate decision as to whether they wish to accept the offer.

9.7 A proportional takeover bid for the Company may enable control of the Company to be acquired by a party holding less than a majority interest and without Shareholders having the opportunity to dispose of all of their Shares, with the result that Shareholders could be at risk of being left as part of a minority interest in the Company. It also means that the bidder may acquire control of the Company without paying an adequate premium for gaining control. If the Company's constitution includes these proportional takeover provisions it will minimise the risk to Shareholders.

Present acquisition proposals

9.8 As at the date of this Notice none of the Company's Directors are aware of any proposal by a person to acquire, or increase the extent of, a substantial interest in the Company.

Potential advantages of the proportional takeover provisions for the Directors and Shareholders

9.9 The proposed provisions:

- (a) will enable the Board to formally ascertain the views of Shareholders in respect of a proportional takeover bid (without such provisions, the Directors are dependent upon their perception of the interests and views of Shareholders);
- (b) will ensure that Shareholders will have an opportunity to study a proportional takeover bid and vote on whether the bid should be permitted to proceed;
- (c) will enable Shareholders to prevent a proportional takeover bid from proceeding if they believe that control of the Company should not be permitted to pass under the bid; and
- (d) may encourage a proportional bid to be structured so as to be attractive to a majority of independent Shareholders.

Potential disadvantages of the proportional takeover provisions for the Directors and Shareholders

9.10 The proposed provisions may:

- (a) discourage proportional takeover bids for the Company;
- (b) as a result deny Shareholders the opportunity of selling some of their Shares at a premium; and

- (c) restrict the ability of individual Shareholders to deal freely with their Shares in some circumstances.

9.11 The Company's Directors consider that it is in the interest of Shareholders to have a right to decide if any proportional takeover bid should proceed and on balance consider that the possible advantages outweigh the possible disadvantages such that the Directors recommend the renewal of the proportional takeover bid provisions in the Company's constitution.
