Dear ASX Listing Compliance,

RocketBoots Limited - Request for Voluntary Suspension

RocketBoots Limited (**RocketBoots** or **ROC**) (ASX:ROC) was placed in trading halt on Monday 16 December 2024 in relation to a proposed capital raising.

ROC expects to announce the details of the capital raising imminently. Pursuant to ASX Listing Rule 17.2, ROC requests that all ROC shares quoted on ASX be suspended from trading on ASX. The purpose for seeking this suspension is to ensure that there are no trades in ROC shares through ASX before ROC has made the announcement regarding the capital raise, board changes and remuneration updates.

It is expected that ROC will request that the suspension be revoked later today.

ROC is not aware of any reason why ROC shares should not be suspended in accordance with this request.

Yours faithfully

RocketBoots Ltd
