ASX Release

6 July 2022

Acrow to report its FY22 results on 24 August

Acrow Formwork and Construction Services (ASX: ACF) is pleased to advise that the FY22 preliminary results for the 12 months ended 30 June 2022 will be released to the ASX on Wednesday August 24. This will include details of the final dividend to be paid for the FY22 year.

There will be a conference call conducted on that morning to present the results to shareholders and interested parties . Details of this conference call will follow shortly.

Acrow CEO Steven Boland commented: " We are very much looking forward to releasing our FY 22 results on August 24 and updating the market on what has been a very eventful year for our Business . I am also very pleased to advise that our secured Hire Contract total for the year just concluded has increased by 28% to \$57.7 million on the previous year and is the most important lead indicator to our future performance . This strongly points to another year of growth for our Business into FY 23 . "

This release was approved by the Acrow Board of Directors.

About Acrow

Acrow Formwork and Construction Services Limited (ASX: ACF) provides engineered formwork, scaffolding and screen systems solutions as well as in-house engineering and industrial labour supply services to its construction sector clients.

Acrow is made up of three distinct business divisions: Acrow Formwork and Scaffolding Pty Ltd, which hires high-quality scaffolding and provides bespoke engineered formwork for major building construction and infrastructure projects in Australia; Natform Pty Ltd, a specialist screen systems provider which designs and hires screen systems for the construction industry; and Uni-span Australia Pty Ltd, a provider of formwork and scaffolding solutions, equipment and services, which is complemented by in-house engineering and industrial labour supply.

Acrow currently operates in 10 locations across Australia and owns over 60,000 tonnes of formwork and scaffolding products. The Company has identified a number of near-term growth opportunities and is focused on growing its footprint in the civil infrastructure market of Australia's east coast, with a particular focus on New South Wales and Victoria.
