Alternatively, you can submit written questions to the auditor about their Auditor's Report. A list of questions for the auditor will be available at the Meeting.

The Chair will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the Remuneration Report at the Meeting.

Recommendation

The Directors abstain, in the interests of good corporate governance, from making a recommendation in relation to this Resolution.

3. Resolution 2 – Re-election of Patrick Elliott

The ASX Listing Rules and the Constitution require that an election of Directors must take place each year. 4. Resolution 3 – Issue of options to Chief Executive Officer and Managing Director Hugh Toll

4.1. General

The Company has offered a long-term incentive scheme (**LTI Scheme**) in the financial year ended 30 June 2024 to assist in the motivation, reward and retention of Senior Executives and other selected Senior Managers. The LTI Scheme is designed to align participants' interests with the interests of shareholders by providing participants an opportunity to receive shares in the Company through the granting of options.

The Company is seeking approval for all purposes, including ASX Listing Rule 10.14, for the award of 1,576,955 options to Chief Executive Officer and Managing Director, Hugh Toll, under the LTI Scheme in order to issue Hugh Toll with options to the value of 60% of his total fixed remuneration of \$657,514 (disregarding any bonuses or other at-risk incentives). If shareholders do not approve Resolution 3, the Company will consider alternative arrangements to appropriately remunerate and incentivise Hugh Toll.

A summary of the material terms of the LTI Scheme, under which the options will be offered, is contained in Appendix A of this Notice of Meeting. Any issue of securities in respect of the options granted to the Chief Executive Officer and Managing Director (or associate of the Chief Executive Officer and Managing Director) requires the approval of shareholders.

4.2. Regulatory requirements of ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities

- (a) a director of the entity (ASX Listing Rule 10.14.1)
- (b) an associate of a director of the entity (ASX Listing Rule 10.14.2)
- (c) a person whose relationship with the entity or a person referred to in ASX Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its security holders (ASX Listing Rule 10.14.3)

If approval is given for the issue of options to Hugh Toll as contemplated by Resolution 3 under ASX Listing Rule 10.14, further approval is not required (and will not be sought) under ASX Listing Rule 7.1 for any resulting securities to be issued or transferred to or on behalf of Hugh Toll following the vesting and exercise of those options.

4.3. Information required by ASX Listing Rule 10.15

Pursuant to and in accordance with the requirements of ASX Listing Rule 10.15, in addition to the information set out above, the following information is provided for the purposes of Resolution 3

- (a) Resolution 3 seeks shareholder approval for the issue of options to Hugh Toll
- (b) Hugh Toll is the Managing Director of the Company and therefore falls within ASX Listing Rule 10.14.1

- (f) A summary of the material terms of the options is set out at section 4.4 below

 - (ii) Hugh Toll will only obtain value from the options upon satisfaction of the relevant vesting conditions
 - (iii) options are simple to understand, likely to be highly valued by executives (and therefore retentive and incentivising) and are designed to attract, retain and reward quality executives for successfully delivering long-term objectives of the Company
- (h) The Board attributes a fair value of between \$0.23 and \$0.25 for the options as calculated by an independent valuer. Specific details of the fair value measurement are as follows
 - (i) Tranche 1 vesting on 30 June 2027 – TSR \$0.24 / EPS \$0.25

Limited Audience

(iii) Tranche 3 vesting on 30 June 2029 – TSR \$0.23 / EPS \$0.25

- (i) The options will be issued to Hugh Toll as soon as practicable following shareholder approval, and no later than 1 year after the date of the Meeting

- (n) Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in any issue of securities under the LTI Scheme after this Resolution 3 is passed and who was not named in this Notice of Meeting will not participate in the LTI Scheme until approval is obtained under that rule
- (o) A voting exclusion statement in respect of Resolution 3 is included in the Notice of Meeting

4.4. Summary of the material terms of the options

The key terms of the options proposed to be granted to Hugh Toll in this Resolution 3 are set out below

Term	Description
Eligibility	Hugh Toll is eligible to participate in the LTI Scheme
Grants	The maximum notional value of options offered to Hugh Toll (the CEO) is 60% of his total fixed remuneration (disregarding any bonuses or other at-risk incentives). 1,576,955 options over shares are subject to shareholder approval in this Resolution 3
Vesting conditions	Options vest subject to an earnings per share (EPS) hurdle and a total shareholder return (TSR) hurdle over the performance period. 50% of the options are subject to the EPS hurdle with the remaining 50% subject to the TSR hurdle

Limited Audience

The EPS vesting percentages will correspond to the Company's annual compounding EPS growth over the performance period (adjusted where necessary to take into account one-off items as determined by the Board), and are as follows

- Annual compounding EPS less than 8%: 0% of options will vest
- Annual compounding EPS equal to 8%: 0% of options will vest
- Annual compounding EPS between 8% and 12%: options will vest on a straight-line pro rata basis between 0% and 100%
- Annual compounding EPS greater than 12%: 100% of options will vest

The TSR vesting percentages will be determined by comparison of the Company's TSR against the TSR of companies which comprise the ASX300 index

- Company TSR in the bottom quartile (0%-25%) of the ASX300 index: 0% of options will vest
- Company TSR in the second quartile (25%-50%) of the ASX300 index: 33% of options will vest
- Company TSR in the third quartile (50%-75%) of the ASX300 index: 66% of options will vest
- Company TSR in the top quartile (75%-100%) of the ASX300 index: 100% of options will vest

None of the options will vest during the first two years of the five-year performance period. During each of the third, fourth and fifth year of the performance period, 1/3 of the options will be eligible to vest (in the manner set out above) if the Company has achieved the relevant compounded EPS target and / or TSR target at the end of that year

To the extent that any options which vest in years 3 and 4 do not vest due to the Company not achieving the relevant EPS or TSR target, those options will be subject to retesting based on the Company's annual compounding EPS and TSR performance until the option expires (i.e., in years 4 or 5 (as applicable))

In addition to the EPS performance condition, it is a vesting condition that the participant has been continuously employed by the Company or one its subsidiaries (and has not resigned or been terminated) at all times up to (and including) the relevant vesting date

These performance conditions were chosen to closely align LTI Scheme outcomes with the performance of the Company

Options	Each option confers on its holder the entitlement to receive one share in the Company at the exercise price upon exercise of the option. Options will not be quoted on the ASX
Issue Price	The options will be issued for nil consideration
Exercise price	\$1.41 being the volume weighted average price of shares for the month of May 2024
Performance period	Five years following the date of grant of the options
Ranking of shares	Shares issued upon vesting and exercise of options under the LTI Scheme will rank equally in all respects with existing shares
Rights attaching to options	The options do not carry rights to dividends or voting rights prior to exercise
Vesting and exercise of options	Subject to any vesting conditions having been satisfied or waived by the Board in its discretion, an option may be exercised in accordance with the invitation and by paying the exercise price
Cessation of employment of holders of options	The LTI Scheme contains provisions concerning the treatment of unvested and vested options in the event employment ceases as a result of death or serious and debilitating illness. In other circumstances the Board has absolute discretion in the treatment of unvested and vested options in the event employment ceases
Expiry of options	options will expire on 30 June 2030. On the expiry date for an option, the option will lapse unless it has been validly exercised

4.5. Reasonable remuneration under the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company. Section 208 of the Corporations Act prohibits a public company giving a financial benefit to a related party unless a relevant exception applies.

A “financial benefit” is defined in the Corporations Act in broad terms and includes the grant of equity incentives by a public company.

Under the Corporations Act, a director of a company is a related party of that company. As Hugh Toll is a recipient under the LTI Scheme and a Director of the Company, options granted to Hugh Toll will constitute a financial benefit being given by the Company to a related party.

Limited Audience

Section 211 of the Corporations Act provides an exception to the prohibition in section 208 of the Corporations Act where the financial benefit is remuneration given to a related party as an officer of the company and to give the remuneration would be reasonable given the circumstances of the company and the related party's circumstances (including the responsibilities involved in the office or employment) (**Reasonable Remuneration Exemption**).

It is the view of the Directors that the proposed grant of options to Hugh Toll as contemplated in Resolution 3 falls within the Reasonable Remuneration Exemption given the circumstances of the Company and the position held by Hugh Toll.

Accordingly, the Directors have determined not to seek shareholder approval for the purposes of section 208 of the Corporations Act for the grant of options contemplated by Resolution 3.

Recommendation

The Board (other than Hugh Toll, who has abstained from making a recommendation on this Resolution due to his personal interest) recommends that you vote in favour of this Resolution.

All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes.
