## Introduction of Dividend Reinvestment Plan

Restaurant Brands New Zealand is pleased to advise that it has implemented a dividend reinvestment plan, under which shareholders may elect to reinvest all or part of their cash dividends in additional Restaurant Brands shares (the **DRP**). Details of the **DRP** are set out in the attached Dividend Reinvestment Plan Offer Document.

Copies of the Dividend Reinvestment Plan Offer Document and instructions for participating in the **DRP** have today been sent to shareholders.

The **DRP** provides an easy and convenient way for shareholders to increase their investment in Restaurant Brands without incurring brokerage fees. The **DRP** is optional and is open to all shareholders who have a registered address in New Zealand or Australia.

Shareholders who wish to participate in the **DRP** in relation to the interim dividend announced on 19 October 2017 will need to complete and submit the Participation Form enclosed in the Dividend Reinvestment Plan Offer Document by 5:00pm New Zealand time on 10 November 2017.
