Management Comment

Mr. Mark English, Managing Director:

"We have now raced past 10,500 ounces of gold sold for the year, surpassing the 9,741 ounces achieved in 2023.

"The best is yet to come from Jeffreys Find as gold campaigns from two mills hurtle us towards an early finish for this mine.

"We are seeing a rush of ore going through the mills. A significant amount of gold will be sold over the coming weeks.

"Everyone is beyond happy with the results from the initial campaign at Three Mile Hill, the next campaign started yesterday. Meanwhile, at Greenfields, the mill is into a fourth week of processing.

"The ambition is to process more than 420,000 tonnes for Stage Two at Jeffreys Find, versus the 176,000 tonnes in Stage One. We are now into the significant part of the final phase of the Project. It has been an outstanding investment, for the Company and our Shareholders," said Mr English.
