 - (A) the date the Joint Acquirers or Asciano publicly announce that each Joint Scheme Agreement relating to the Joint Scheme to which a Joint Acquirer is a party has been terminated; and
 - (B) the date any Court makes orders approving the Joint Scheme under subsection 411(4) of the Act;
 - (ii) the offers made under the Rival Bid are:
 - (A) offers to buy all of the ordinary shares in Asciano; and
 - (B) at any time before the end of the Match or Accept Period, free of any defeating conditions other than a defeating condition that either relates only to the happening of an event or circumstance referred to in subsection 652C(1) or (2) of the Act or would be automatically satisfied by the Joint Acquirers and their associates accepting the offers under the Rival Bid; and
 - (iii) the value of the consideration that is offered under the Rival Bid, as at the time the offers are made or varied (or, if the making or variation of offers has not occurred prior to a Court making orders approving the Joint Scheme under subsection 411(4) of the Act—as at the Rival Bid Pre-Offer Valuation Date), is more than 105% of the value of the consideration offered under the Joint Scheme or any Matching Bid at that time (as assessed by ASIC and notified to the Joint Acquirers where the

consideration offered under either the Joint Scheme, any Matching Bid or the Rival Bid involves non-cash consideration), the Joint Acquirers must, within 7 days of the conditions set out in sub-paragraphs 10(a)(ii) and 10(a)(iii) of this instrument being most recently satisfied as a result of the making, or variation of, offers under the Rival Bid, ensure that:

(iv) the consideration offered under:

- (A) the Joint Scheme; or
- (B) any Matching Bid that each of the Joint Acquirers, or an associate of each Joint Acquirer, has publicly proposed to make and in respect of which offers are required to be, or were, made within 2 months of such public proposal in accordance with subsection 631(1) of the Act;

is increased to, or otherwise set at, a value that is equal to, or higher than, the value of the consideration offered under the Rival Bid; and

(v) if the consideration offered under either the Joint Scheme, Matching Bid or the Rival Bid involves non-cash consideration—ASIC has assessed the increased consideration under the Joint Scheme or Matching Bid and has notified the Joint Acquirers that it is satisfied that the consideration offered is of equal or higher value to that offered under the Rival Bid,

unless the offers under the Rival Bid in respect of all of the Asciano shares, in which the Joint Acquirers or any of their associates have a relevant interest, at the date of this instrument (other than any Excluded Holding) have been accepted by that time;

Voting Restriction in relation to Alternative Scheme Proposal

(b) if, after the public announcement of the Joint Scheme and before the earlier of either:

- (i) the end of the Match or Accept Period; or
- (ii) the date the Court makes orders approving the Joint Scheme under subsection 411(4) of the Act;

Asciano enters into an agreement with a person (who is not an associate of, or acting on behalf of, the Joint Acquirers) to propose a new compromise or arrangement under Part 5.1 (*Rival Scheme*) which, if approved, will result in a person acquiring a relevant interest in all of the fully paid ordinary shares in Asciano in exchange for the person providing consideration to Asciano shareholders that is more than 105% of the value of the highest consideration offered under the Joint Scheme

or any Matching Bid (as assessed by ASIC and notified to the Joint Acquirers where the consideration offered under either the Joint Scheme, Matching Bid or Rival Scheme involves non-cash consideration) the Joint Acquirers must not, and must ensure that any associate does not, cast a vote against any resolution necessary to approve the Rival Scheme, other than in respect of an Excluded Holding. For the avoidance of doubt:

- (iii) the voting restriction in this subparagraph applies notwithstanding the termination of any Joint Scheme Agreement; and
- (iv) the Joint Acquirers and their associates are not prevented from disposing of any shares in Asciano to a person who is not a Joint Acquirer or an associate of a Joint Acquirer merely because the voting restriction in this subparagraph would apply in respect of those shares if those securities had not been disposed of by the Joint Acquirer or their associate;

Restrictions on Disposal of Shares Subject to Match or Accept and Voting Conditions

- (c) the Joint Acquirers must take all reasonable steps to ensure that any bid class securities that may be required to be accepted into any Rival Bid that may be made in accordance with subparagraph 10(a) of this instrument, or in respect of which the voting restriction in subparagraph 10(b) of this instrument may apply, remain at all relevant times within the power of the Joint Acquirers to dispose of, or vote as the case may be in accordance with those conditions;

Disposal of Shares Subject to Voting Restriction Condition

- (d) if:
 - (i) a person (who is not an associate of, or acting on behalf of, the Joint Acquirers) publicly proposes to enter into an agreement with Asciano to propose a Rival Scheme prior to the Termination Date; and
 - (ii) in accordance with subparagraph 10(b) of this instrument the Joint Acquirers are required to ensure that they, and each of their associates, do not cast a vote against any resolution necessary to approve the Rival Scheme;

the Joint Acquirers must not, and must ensure that any associate does not, dispose of any Asciano shares (other than an Excluded Holding) to any associate of a Joint Acquirer, unless the disposal is consented to in writing by ASIC;

Content Variation and Termination of Joint Scheme Arrangements

- (e) a Joint Acquirer must immediately notify ASIC of:
 - (i) any amendment or variation of any Joint Scheme Agreement; and
 - (ii) any other relevant agreement entered into by a Joint Acquirer or their associate of which they are aware that affects a Joint Acquirer's voting power in Asciano and relates to the Joint Scheme;
- (f) the Joint Acquirers must use their best endeavours to ensure that Asciano engages an independent expert to prepare a report on whether, in the expert's opinion, the Joint Scheme is in the best interests of Asciano shareholders not associated with the Joint Acquirers or their respective associates;
- (g) the Joint Acquirers must immediately terminate each Joint Scheme Agreement, and all other relevant agreements entered into by any of the Joint Acquirers or their respective associates of which they are aware that affects a Joint Acquirer's voting power in Asciano and relates to the Joint Scheme, if the Joint Scheme does not, or will not, proceed (including because a condition precedent to the Joint Scheme has not been, or cannot be, satisfied or waived);
- (h) the Joint Acquirers must not, and must ensure that each of their associates do not, vote any shares in Asciano in which they have a relevant interest (other than an Excluded Holding) at any meeting to approve the Joint Scheme;
- (i) the Joint Acquirers must incorporate the conditions described in subparagraphs 10(a), (b), (e), (f), (h) and (j) of this instrument into the Framework Deed;
- (j) the Joint Acquirers must ensure that the Joint Scheme is publicly announced by no later than 28 March 2016; and

Creeping Acquisitions

- (k) if any person that is not a Joint Acquirer or an associate of Joint Acquirer (*New Associate*) becomes an associate of any Joint Acquirer during the period from the date of this instrument until the date each Joint Acquirer ceases to have voting power in Asciano that is affected by any relevant agreement relating to the Joint Scheme, each Joint Acquirer must take all reasonable steps to ensure that the New Associate does not acquire relevant interests in securities of Asciano in reliance on item 9 of the table in section 611 of the Act that the New Associate would not be able to acquire if each of the Joint Acquirers and their associates' voting power in Asciano had, at all relevant times, excluded any voting power

arising as a result of, or in connection with, any relevant agreement relating to the Joint Scheme.
