Closure of Share Purchase Plan

On 17 August 2015, **Renaissance Minerals Limited (ASX: RNS)** ("Renaissance" or the "Company") announced it intended to raise \$1.7 million through an equity placement ("Placement"). In conjunction with the Placement, a Share Purchase Plan ("SPP") was offered to all eligible shareholders on the same terms as the Placement.

Renaissance is pleased to confirm the completion of the SPP. The SPP raised \$114,000 via the issue of 3.8 million shares.

The funds raised from the Placement and SPP will enable the Company to continue exploration and development activities at its 100% owned Okvau Gold Project in Cambodia. These activities will include environmental feasibility studies to progress towards a development decision and an exploration review and target generation within close proximity to the Okvau Deposit.

An Appendix 3B is attached in respect to the issue of the shares under the SPP.
