## **Macquarie Telecom Group signs wholesale supply deal with NBN Co**

Macquarie Telecom (ASX: MAQ) (the Company) announces that it has entered into a wholesale supply agreement with NBN Co. The deal will enable the provision of telecommunications and data services to Australia's business community

The services offered under this six-year agreement will include:

- Access to the full suite of Macquarie's voice, internet, data and SD-WAN products created for business, delivered over NBN Co's Multi-Technology-Mix, including fibre builds on customer request; and
- Dedicated, Australian based nbn™ service delivery, assurance and support staff for Macquarie customers.

It is expected that the first customers to be connected to the new services will commence billing in Q2 of the 2019 financial year.

### **About Macquarie Telecom Group**

We're Australia's data centre, cloud, cyber security and telecom company for mid to large business and government customers. The way we do this is completely different from our competitors... we provide the best customer service in Australia.
