### **Request for Trading Halt**

Dear Andrew,

DataDot Technology Limited requests a trading halt to prevent trading in its securities taking place in an uninformed market, pending the company's announcing a material capital raising.

We request that the trading halt lasts until the market opens on Friday 3 October. The company will lodge an announcement of the details of the capital raising in pre-open on Friday 3 October.

We are not aware of any reason why the trading halt should not be granted.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Graham Loughlin".
