Yowie Group Ltd (ASX: YOW, OTC ADR: YWRPY) (the “Group” or “Yowie”) is pleased to announce the success of our Spring marketing campaign in the U.S market that ran from before the Easter Holiday and in commemoration of Earth Day and throughout May 2017. This advertising campaign’s objectives were to build on brand awareness investments made towards the end of 2016. **“Spring is a critical time in the US to stand apart and deliver fresh and relevant messages around our mission of conservation, building on Surprise Inside campaigning and experiential activations in the US”**, said Bert Alfonso Global CEO and Managing Director.

The Spring campaign investment of \$1.1M USD, ran nationally in the U.S. market and comprised of social media advertising via You Tube, Facebook and Instagram. A total of ten new videos were featured on YouTube, Instagram and Facebook channels including 2 “hero videos” capturing consumers at a live action event called the **‘Best Yard Sale Ever’** in meme format for Facebook and Instagram channels and full video format for YouTube. The Group has spent close to US\$2.5m on advertising and marketing in FY17.

YouTube: The YouTube campaign reached an impressive 4.8 million views only ten weeks into the campaign. The video, **“Best Yard Sale Ever, Everything is Better with a Surprise”** created an additional 2.9 million views becoming the highest viewed video on Yowie World since the launch of the channel.

Spring. "The campaign video, which shows a regular family Yard Sale coming to life with kangaroo, penguins, kittens and other animals surprising unsuspecting yard sale guests, creates authentic reactions which helps deliver the core message of the Yowie 'surprise' element while curating real connections to the animal world and people." said Cove Overley, Yowie's Global Chief Marketing Officer.

Instagram: The long-term goal of 10k followers will be achieved in the short term as Yowie exceeded the target growth rate of 118% at an exceptional rate of 324% within the first 30 days of the campaign. The Instagram campaign which reached an engagement rate of 13.8% compared to the national average of 0.84% was due to creative re-gramming of key supporting fans and influencers within the Yowie network.

We will continue to invest in brand building in the US market via social media that supports our overall sales effort and are very pleased with the results of our most recent campaign.

Australian Marketing: We are also pleased to announce the launch of our Australian-based social media channels on Facebook, Instagram and Twitter on June 1st to coincide with an Australian-focused upcoming media launch designed to raise awareness around 'Yowie is Back!'. Each page will feature similar content as appears on the Yowie World Official channels as well Yowie spotting, with rewards for early adapters to the channel and brand, competitions, quizzes, live Yowie streams, recipes, family fun slideshows, ranger interviews and collector's content.

Yours sincerely
