13 November 2018

INVITATION TO THORNEY INVESTMENT FORUM, MELBOURNE 2018

Dear fellow shareholder

I would like to extend you a personal invitation to attend another Thorney Investment Forum which will take place after the completion of the formal Thorney Technologies Ltd (TEK) and Thorney Opportunities Ltd (TOP) AGMs being held in Melbourne next week.

The Forum will follow the same format as previous highly successful *Thorney Investment Forums* held in Sydney in May 2018 and in Melbourne in November 2015, 2016 & 2017.

Senior management from a number of companies in each of the TOP and TEK investment portfolios will make brief presentations and will then be available to meet shareholders over refreshments.

The full list of companies presenting is as follows:

- Austin Engineering Limited
- Money3 Corporation Limited
- Murray River Organics Group Limited
- OneVue Holdings Limited
- Readcloud Limited
- Southern Cross Electrical Engineering Limited
- Updater, Inc.
- Zip Co Limited

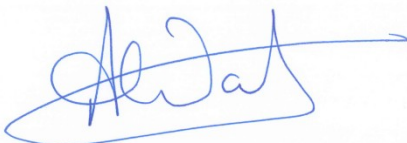

We have received overwhelmingly positive feedback from our TOP and TEK shareholders in relation to these company presentations so I do hope you can come along.

Date:	21 November 2018
Location:	Arnold Bloch Leibler
Address:	Level 21, 333 Collins Street, Melbourne
Time:	9:30am for 10.00am (approximate start) and concluding by 1.00pm

To confirm your attendance, please advise by return email.

I hope to see you there.

Best regards

Alex Waislitz
Chairman
