# Review of Operations

## Our Vision

To be the global leader in spatial intelligence solutions.

## Our Mission

Beonic is building the future of intelligent places, revolutionising how 1bn people interact with busy environments, setting new standards in customer engagement; visitor, shopper and passenger.

## Building Smarter, Faster, and More Secure Solutions

Beonic continues to make significant strides, further cementing its leadership in AI-driven automation, spatial intelligence and people movement. By delivering innovative solutions that enhance efficiency, accuracy, and user experience in high-traffic environments, Beonic is driving the future of intelligent venue management.

### Some key developments in 1H FY25 include:

- The launch of Beonic Replay introduced real-time and historical movement analysis, allowing operators to optimise bottlenecks with heatmaps, timeline replays, and A/B analysis. This technology provides deeper insights into traffic trends, helping venues improve decision-making and resource allocation.
- Beonic also introduced Beonic Display, an AI-powered visitor information and wayfinding solution that integrates real-time spatial awareness to enhance navigation. This innovation helps reduce congestion, improve visitor flow, and automate key information displays, optimising both the customer experience and operational efficiency.
- Finally, Beonic Insights now supports powerful data visualisation customisation capabilities, enabling non-technical users to develop highly personalised dashboards, including advanced statistical expressions, live spatial maps, and language-driven insights. Furthermore, dashboards can now be published to a secure URL, empowering internal operations teams with Beonic's AI-powered reporting and alerting features.

These advancements reinforce Beonic's commitment to optimising people movement and operational intelligence. With a focus on AI-powered automation, Beonic is driving smarter, more efficient spaces while unlocking potential growth opportunities.

## Security & Compliance

At Beonic, safeguarding data security and privacy remains at the core of our mission. As cyber threats evolve, so do our security initiatives. This year, we have further strengthened our security framework, compliance measures, and privacy-first approach to ensure resilience, transparency, and trust.

### Advancing our security posture

- Introducing an Enhanced Trust Center – A central hub to reinforce customer confidence through transparency and real-time security insights.
- Upholding Industry Best Practices – Successfully completing the migration of the BS EN ISO/IEC 27001 framework to the latest 2022 version and implementing additional controls
- Preparing for the Cloud Security Alliance STAR Level 2 Certification to achieve the gold standard in cloud security assurance
- Using AI-driven threat detection to identify, mitigate, and neutralize AI-powered cyber risks
- Expanding Cyber Threat Intelligence – Strengthening our capabilities to detect, analyze, and respond to sophisticated cyber threats.
- Advancing Zero Trust Implementation – Enhancing security by eliminating implicit trust, enforcing least-privilege access, and reducing the attack surface.

### Proactive Security & Privacy by Design

With an ever-changing threat landscape, we continue to invest in security technologies, adaptive threat defense strategies, and advanced workforce training. Our people-centric security culture ensures that employees remain informed, proactive, and aligned with evolving security standards. As we move forward, we remain committed to continuous innovation, stronger security frameworks, and greater transparency to protect both our customers and our business.

# 1H FY25 Interim Financial Report

## Corporate

### Board Transformation

In 1H FY25, The Board of Directors agreed to appoint the current Non-Executive Director, Mr Michael McConnell as Chair of the Board. Mr Robert Alexander decided to step down as Chairman into the role of Non-Executive Director. These were effective from the conclusion of the Annual General Meeting. Mr Michael McConnell was appointed as independent non-executive director of the Company effective 1 July 2024. Michael is a seasoned global business executive with over thirty years of experience. Michael currently serves on the Board of OneSpan, Adacel, QuickFee, and Jacob Stern & Sons.

### Appointment of Marc Thompson as Chief Technology Officer

Beonic was pleased to announce the appointment of Marc Thompson as Chief Technology Officer, based in the company's Sydney HQ. He commenced his role on 10 February 2025.

Marc brings 20+ years of experience in leading large-scale digital products and solutions, with expertise in content management systems, high-availability platforms, digital subscriptions, and agile delivery. He has held key roles at Fairfax Media, CompliSpace, and most recently, NewBook.

His appointment strengthens Beonic's R&D capabilities, accelerating product development and innovation to meet growing market demand. Marc's leadership will be instrumental in scaling Beonic's technology and driving long-term growth and value creation for stakeholders.

### Appointment of Michael Pearce as Company Secretary

Post the end of 1H FY25, Beonic announced that Michael Pearce has been appointed as Company Secretary, effective immediately, in addition to his current role as Chief Financial Officer. Michael replaces Priyamvada (Pia) Rasal as Company Secretary. The Directors would like to thank Pia for her services to Beonic. For the purposes of ASX Listing Rule 12.6, Michael Pearce will be the person responsible for communications between the Company and ASX.

### Launching Beonic Investor Hub

Beonic is pleased to announce the launch of its dedicated Investor Hub, a centralised platform designed to enhance transparency and provide investors with access to the latest company updates.

The Investor Hub will feature regularly updated content, including:

- Videos accompanying key announcements
- Updates on business developments
- Interviews with senior leadership

This initiative reflects Beonic's commitment to keeping shareholders informed and engaged. Shareholders are invited to explore the Investor Hub and watch a welcome message from Beonic's CEO, Billy Tucker, here:

## Financial Performance

During the half-year ended 31 December 2024 the Group generated total revenues of \$10.6m (1H FY24: \$12.4m).

Recurring Revenues for 1H FY25 of \$8.6m, an increase of 5% vs pcp (1H FY24) and the Company exited 1HFY24 with an ARR of \$17.6m, an increase of 4% vs pcp.

Total operating expenses (excluding depreciation, amortisation, non-cash share-based payments and finance costs) decreased by 28% vs pcp to \$9.8m. Over the past twelve months, Beonic has strategically adjusted its cost structure to better align with customer needs, directing both capital and talent toward areas of growth and competitive advantage. These initiatives have positioned the company for long-term, sustainable, and cost-effective scaling while delivering over \$3.7m in cost savings for the first half of FY25 compared to the prior corresponding period.

The Group reported an operating EBITDA profit (i.e., Earnings Before Interest, Tax, Depreciation, & Amortisation, and exclusive of share, option-based payments) of \$769k vs 1H FY24: \$1.2m EBITDA loss and net loss after tax (Earnings After Interest, Tax, Depreciation & Amortisation and other Non-Cash transactions) of \$2.3m (1H FY24: \$3.9m).

1H FY25 operating cash outflows were \$2.3m, including one-off costs of \$0.7m associated with restructuring (cash outflows for 1H FY24 of \$0.8m). Cashflow performance is anticipated to improve over 2H FY25 driven by the positive impact of cost saving initiatives and improved topline performance.

The Group's cash balance as at 31 December 2024 was \$1.9m (1H FY24: \$1.6m).

## Business Priorities

Beonic's priorities for the second half of FY25 centre on achieving financial stability while accelerating product adoption. Key priorities include:

- Solidify Beonic's position as a global leader in IoT solutions, specifically for Airports and Retail sectors
- Achieve financial stability through disciplined cost management and operational efficiency
- Enhance product adoption by driving customer success initiatives and continued R&D investment
- Deliver key projects with a focus on customer satisfaction and operational excellence, minimising customer churn and contraction
- Secure new logos and maximise upsell opportunities to further strengthen the \$8.6m recurring revenue and \$17.6m ARR achieved this first half of FY25

- Accelerate pipeline conversion from the \$28.7m qualified deal pipeline, supported by targeted sales initiatives
- Stay lean and maintain agility, ensuring a strong competitive advantage in the market

## Dividends paid or recommended

In respect of the half-year ended 31 December 2024, there have been no dividends paid or provided for (1H FY24: nil).

## Auditor's independence declaration

The auditor's independence declaration is included on page 8 of this report and forms part of the Directors' Report for the half-year ended 31 December 2024.

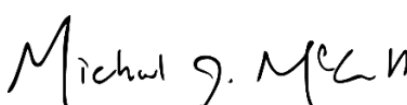

This report is made in accordance with a resolution of the Directors.

## Outlook

- Maintain strong YoY gross margin improvement (77.9% YTD v's 68.5% FY24) while progressing toward breakeven
- Currently forecasting cashflow breakeven from operating activities during H2 FY25
- We anticipate a run rate EBITDA margin exiting FY25 of between 12% and 15%

Our business has gone through a significant transformation over the last 15 months: the Board hired new senior leaders in Billy Tucker, CEO, and Michael Pearce, CFO, raised capital to stabilize the balance sheet and took actions to right size the business. More recently, we continue to evolve our strategy to focus on the airport and retail markets while pursuing ongoing efficiency gains in go to market, product development and project implementation.

Financially, we reiterate our commitment to cash flow break-even in the fourth quarter of FY25. Importantly, the team has set a foundation designed to accelerate top line growth in FY26 given contracts signed but not yet implemented and conversion of existing qualified pipeline. The last year has been difficult, but through intense focus on product/market fit, cost to serve and overall operating efficiency, we are confident that the Company is on the right path to drive shareholder value.

This Interim Financial Report does not include all the notes normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2024 and any public announcements made by Beonic Limited during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

### 1. Material Accounting Policy Information

#### (a) Basis of preparation of interim financial report

These general purpose interim financial statements for the half-year reporting period ended 31 December 2024 have been prepared in accordance with requirements of the Corporations Act 2001 and Australian Accounting Standard AASB 134: Interim Financial Reporting. Beonic Limited is a for-profit entity for financial reporting purposes under Australian Accounting Standards. This interim financial report is intended to provide users with an update on the latest annual financial statements of Beonic Limited and its controlled entities (referred to as the “consolidated group” or “group”). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that this

financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2024, together with any public announcements made during the following half-year. The accounting policies adopted in the preparation of the consolidated interim financial statements are consistent with those adopted in the Group’s annual financial report for the year ended 30 June 2024, with the addition of the following:

#### New and Amended Accounting Standards Adopted by the Group

The Group has considered the implications of new and amended accounting standards and determined that their application to the financial statements is either not relevant or not material.

## Notes to the financial statements

For the half-year ended 31 December 2024

### (b) Critical accounting estimates

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Group's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the interim financial report, are disclosed in the 2024 Annual Report.

### (c) Accounting standards issued but not yet effective

Certain new accounting standards and interpretations have been published that are not mandatory for the current reporting period. The Group has assessed the impact of these new standards and interpretations and does not expect that initial application will affect any of the amounts recognised in the financial report, but may change the disclosures presently made in relation to the Group.

### (d) Going concern

The financial statements of the Group have been prepared on a going concern basis, which contemplates the continuation of normal business operations and the realisation of assets and settlement of liabilities in the normal course of business.

The Group continues to be in the research, development and commercialisation stage of its data analytics technology and services. During the half-year ended 31 December 2024, the Group incurred a loss after tax of \$2,264,623 and as of that date, has current liabilities in excess of current assets by \$2,794,817, which includes contract liabilities of \$6,005,565, relating to software license revenue received in advance. These contract liabilities are amortized over the software license period. On 31 December 2024, the Group had a surplus in net assets of \$1,394,849.

The ability of the Group to pay its trade creditors, continue its planned activities and maintain its going concern status is dependent on the Group continuing to grow revenue, reduce costs and raise additional debt or equity funds, as required. As at the date of this report, the directors are satisfied that there are reasonable grounds to believe that the Group will be able to operate as a going concern by continuing to grow revenue, reduce costs and raising further funds as required. In forming this view, the directors of the Company have considered the ability of the Company to generate sufficient revenues and raise funds as required by way of future capital raisings.

There are inherent uncertainties associated with growing revenue and the successful completion of capital raisings. Should the directors not be able to manage these inherent uncertainties and successfully secure funding as required, there would be significant uncertainty as to whether the Group would be able to meet its debts as and when they fall due and therefore continue as a going concern. Management have prepared cashflow projections that support the Group's ability to continue as a going concern.

The Directors of the Company consider that the cashflow projections and assumptions are reasonable, and in the longer term, significant revenues will be generated from the further commercialisation of intellectual property, and accordingly, the Group will be able to continue as a going concern.

In the event that the Group is unable to achieve the above, such circumstances would indicate that a material uncertainty exists that may cast significant doubt as to whether the Group will continue as a going concern and therefore may not be able to realise its assets and extinguish its liabilities in the ordinary course of operations and at the amounts stated in the interim financial report.

There are no contingent liabilities as at 31 December 2024.

### 17. Events occurring after the reporting date

Beonic's Board of Directors and Executive Team have conducted a comprehensive organizational review and, in February 2025, launched a new initiative to further support ongoing efforts to optimize the company's cost structure. This initiative focuses on strategic adjustments and a disciplined approach to expansion. Once fully implemented, these measures are expected to generate additional annualized cost savings of \$2.0m, strengthening our objectives of improving gross margins, achieving cash flow breakeven from operations, and sustaining EBITDA profitability in FY25. As we pursue these objectives, Beonic remains dedicated to disciplined financial management and continuous innovation, ensuring long-term value for our customers and stakeholders.

There are no other matters or circumstances that have arisen since 31 December 2024 that have significantly affected, or may significantly affect:

- the consolidated entity's operations in future financial years, or
- the results of those operations in future financial years, or
- the consolidated entity's state of affairs in future financial affairs.

## Directors' Declaration

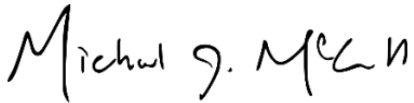

In the Directors' opinion:

The financial statements and notes, as set out on pages 9 to 24, are in accordance with the Corporations Act 2001, including:

- Complying with Accounting Standard AASB 134: Interim Financial Reporting; and
- Giving a true and fair view of the consolidated entity's financial position as at 31 December 2024 and of its performance for the half-year ended on that date.
- There are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

On behalf of the Directors,

A handwritten signature in black ink that reads "Michael J. McConnell".

## Independent Auditor's review report

### INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF BEONIC LIMITED (ABN 20 009 264 699)

#### Conclusion

We have reviewed the half-year financial report of Beonic Limited (the Company) and its controlled entities (the Group), which comprises the consolidated statement of financial position as at 31 December 2024, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year then ended, and notes to the financial statements, including material accounting policy information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our review of the half-year financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

#### Material Uncertainty Related to Going Concern

We draw attention to Note 1(d) in the financial report, which indicates that the Group incurred a total comprehensive loss of \$2,264,623 for the half-year ended 31 December 2024, and as of that date, the Group's current liabilities exceeded its current assets by \$2,794,817. As stated in Note 1(d), these events or conditions, along with other matters as set forth in Note 1(d), indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

## Independent Auditor's review report

HALL CHADWICK  (NSW)

**INDEPENDENT AUDITOR'S REVIEW REPORT (page 2)  
TO THE MEMBERS OF  
BEONIC LIMITED (ABN 20 009 264 699)**

***Responsibilities of the Directors for the Financial Report***

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

***Auditor's Responsibilities for the Review of the Financial Report***

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
