EXPLANATORY STATEMENT

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2015 (which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report) and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 8622 2300, and you may request that this occurs on a standing basis for future years. Alternatively you may access the annual report at the Company's website: www.unitymining.com.au or via the Company's announcement platform on ASX. Except for as set out in Resolution 1, no resolution is required on these reports.

Resolution 1: Adoption of Remuneration Report

Section 250R(3) of the Corporations Act requires that a resolution to adopt the remuneration report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2015 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and key management personnel of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the remuneration report at the Annual General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the remuneration report represented less than twenty five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Directors Recommendation

The Directors encourages all eligible Shareholders to cast their votes in favour of Resolution 1 (Remuneration Report).

Voting Exclusions

The Company will disregard any votes cast on this resolution (in any capacity) by or on behalf of a member of the Key Management Personnel (being those persons described as such in the Remuneration Report) or a closely related party of such a member unless the vote cast as proxy for a person entitled to vote in accordance with a direction on the proxy form.

Any undirected proxies held by Directors or other Key Management Personnel or their closely related parties for the purposes of Resolution 1 (excluding the Chairman) will not be voted on Resolution 1. Accordingly, if you intend to appoint a member of Key Management Personnel as your proxy, please ensure that you direct them how to vote. The Chairman will vote undirected proxies in favour of Resolution 1.

Resolution 2: Election of Mr Frank Terranova as a Director of the Company

Mr Frank Terranova was appointed as a Director on 25 May 2015 as a casual vacancy and is eligible for election.

Mr Terranova is a senior executive with extensive experience in corporate finance and executive management in the mining and agricultural sectors. He is a Fellow of the Institute of Chartered Accountants Australia and New Zealand and has held a number of executive roles in ASX listed companies including Managing Director of Allied Gold Mining PLC which was acquired by St Barbara Limited in 2012 for A\$560M. He subsequently became

Managing Director of Polymetals Mining Limited overseeing its merger with Southern Cross Goldfields Limited and led the organisational transformation and a re-capitalisation program of that Group. Mr Terranova is a former Chairman of Chesser Resources Limited and is currently Chairman of Taruga Gold Limited and a Non-Executive Director of the Australia Pet Welfare Foundation and currently provides advisory services to a number of companies across various sectors.

Directors Recommendation

The Board (with Mr Terranova abstaining), recommends that shareholders vote in favour of the election of Mr Terranova. The Chairman of the meeting intends to vote undirected proxies in favour of Mr Terranova's election.

Resolution 3: Re-election of Mr Clive Jones as a Director of the Company

The Constitution of the Company requires that at every annual general meeting, at least one Director shall retire from office and provides that such Directors are eligible for re-election at the meeting. Mr Clive Jones being eligible, offers himself for re-election.

Mr Jones has been involved in the minerals industry for 25 years and has worked on the exploration for and development of projects covering a range of commodities including gold, base metals, uranium, mineral sands, iron ore and industrial minerals both in Australia and overseas. His experience covers both corporate and technical roles at senior management level. Mr Jones is currently Joint-Managing Director of Cazaly Resources Ltd, a Non-Executive Director of Bannerman Resources Ltd and is Non-Executive Chairman of Corazon Mining Limited. All of these companies are currently listed on the Australian Stock Exchange whilst Bannerman is also jointly listed on the Toronto and Namibian Stock Exchanges. He joined the Board in January 2013 as Non-Executive Chairman and is also a member of the Company's Remuneration & Nomination Committee, Health, Safety and Environment Committee and Audit & Risk Committee.

Directors Recommendation

The Board (with Mr Jones abstaining), recommends that shareholders vote in favour of the re-election of Mr Jones. The Chairman of the meeting intends to vote undirected proxies in favour of Mr Jones' re-election.

Resolution 4: Removal of Auditor

Deloitte Touche Tohmatsu are currently appointed as the Company's auditors and the current audit partner is due for audit rotation. On that basis the Board of Directors considered it is an appropriate time in the lifecycle of the Company to put the audit out to tender. The Company sought tenders from 5 suitable and appropriate Audit firms in Melbourne. As a result of this tender process, Deloitte were unsuccessful in their tender. Due to the timeframe for obtaining a consent of resignation from ASIC to resign as auditor, the Company needs to undertake a removal and appointment process in order to change the Company's auditors.

Directors Recommendations

In respect of Resolution 4, the Directors recommend that shareholders vote in favour of the Resolution.

Resolution 5: Appointment of Auditor

Section 327D of the Corporations Act provides that when an auditor is removed from a company, the company may appoint a new auditor at a general meeting by special resolution. Resolution 5 provides for the auditor vacancy to be filled if Resolution 4 is passed.

The Director's propose that Grant Thornton Audit Pty Ltd be appointed as the Company's auditor effective from the date of this meeting. A copy of the nomination of Grant Thornton Audit Pty Ltd as auditor is attached to this Notice.

Grant Thornton Audit Pty Ltd has given written consent to act as the Company's auditor in accordance with Section 328A(1) of the Corporations Act.

Directors Recommendations

In respect of Resolution 5, the Directors recommend that shareholders vote in favour of the Resolution.

Resolution 6: Approval of 10% Placement Facility

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting ("10% Placement Facility"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company continues actively seeking to increase work on its current exploration assets and reviewing new potential projects and investments. Should the Company utilise the 10% Placement Facility, it intends to use the funds to acquire new resource assets or investments, to conduct further work on its current projects or to meet additional working capital requirements.

Directors Recommendations

The Directors of the Company believe that Resolution 6 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

Voting Exclusions

The Company will disregard any votes cast on Resolution 6 by any person who may participate in the proposed issue or any person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary shares, and any associate of such person.

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue two classes of Equity Securities, Shares and unlisted Options.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;

- (D) less the number of fully paid shares cancelled in the 12 months.

Note that A is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) *Listing Rule 7.1 and Listing Rule 7.1A*

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 1,140,312,866 Shares and therefore has a capacity to issue:

- (i) 171,046,930 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being obtained under Resolution 6, 114,031,287 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

(e) *Minimum Issue Price*

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

Listing Rule 7.1A

The effect of Resolution 6 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 trading days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or

- (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 6 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Listed Options, only if the Listed Options are exercised). Shareholders may be exposed to economic risk and voting dilution, including the following:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

| Variable 'A' in Listing Rule 7.1A.2 | | Dilution | | |
|--|------------------------------------|---|------------------------|--|
| | | \$0.009 50% decrease in Issue Price | \$0.017 Issue Price | \$0.034 100% increase in Issue Price |
| Current Variable A 1,140,312,866 Shares | 10% Voting Dilution | 114,031,287 Shares | 114,031,287 Shares | 114,031,287 Shares |
| | Funds raised | \$969,266 | \$1,938,523 | \$3,877,064 |
| 50% increase in current Variable A 1,710,469,299 Shares | 10% Voting Dilution | 171,046,930 Shares | 171,046,930 Shares | 171,046,930 Shares |
| | Funds raised | \$1,453,899 | \$2,907,798 | \$5,815,596 |
| 100% increase in current Variable A 2,280,625,732 Shares | 10% Voting Dilution | 228,062,573 Shares | 228,062,573 Shares | 228,062,573 Shares |
| | Funds raised | \$1,938,532 | \$3,877,064 | \$7,754,127 |

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Listed Options (including any Listed Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.

- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - The issue price is **\$0.017**, being the closing price of the Shares on ASX on **7 October 2015**.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 6 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration for the acquisition of the new resources assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expense associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.
- (e) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.
- The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).
- The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.
- Further, if the Company is successful in acquiring new resources assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.
- (f) A voting exclusion statement is included in the Notice. At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a security holder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.
