

## MINT COMPLETES SHARE PURCHASE PLAN

**Wednesday 16<sup>th</sup> October 2019:** Mint Payments Limited (ASX: MNW) (**Mint or the Company**) is pleased to announce that it has completed its 2019 Share Purchase Plan (**SPP**). The offer, which closed on 4 October 2019, generated \$271,000 in new funds for the Company.

Following the formula set out in the SPP Offer Booklet, the issue price for the shares under the SPP was \$0.021 (2.1 cents) per share, being the volume weighted average price of Mint shares traded on ASX in the 5 days on which shares were traded up to and including the closing date, less a 2.5% discount.

The SPP follows Mint's recently completed Placement to sophisticated and professional investors which, once completed, will raise \$2.5 million to the Company, as announced on 30 August 2019.

The Company's recent fundraising has been conducted with a view to investing further into accelerating growth and capturing as much of the large and attractive travel market opportunity.

Funds raised under the SPP will be used to:

- fund technology development to build out Mint's payment platform functionality and further integrate with the Company's new global banking partner that will grow revenue margins;
- increase sales and marketing resources to capitalise on the direct payments opportunity in the Australian SME travel industry; and
- assist with the Company's general working capital requirements.

Attached is the Appendix 3B in relation to the shares issued under the SPP.
