### 2. RESOLUTION 1: ADOPTION OF REMUNERATION REPORT

#### 2.1. Background

Pursuant to Section 250R(2) of the Corporations Act, the Company submits to Shareholders for consideration and adoption, by way of a non-binding resolution, its remuneration report for the financial year ended 30 June 2019 (the **Remuneration Report**). The Remuneration Report is a distinct section of the annual directors' report (the **Directors' Report**) which deals with the remuneration of Directors, executives and senior managers of the Company. More particularly, the Remuneration Report can be found within the Directors' Report in the Company's 2019 Annual Report. The Annual Report is available on the Company's website at <https://cardiex.com/investors/company-reports/>.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out the remuneration details for each Director and executive officer named in the Remuneration Report for the financial year ended 30 June 2019.

The remuneration levels for Directors, executives and senior managers are competitively set to attract and retain appropriate Directors and key management personnel.

The Chair of the Annual General Meeting will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

## **2.2. Regulatory Requirements**

The Corporations Act provides that Resolution 1 need only be an advisory vote of Shareholders and does not bind the Directors. However, the Corporations Act provides that if the Company's Remuneration Report resolution receives a "no" vote of 25% or more of votes cast at the Annual General Meeting, the Company's subsequent Remuneration Report must explain the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons for not making any changes. The Board will take into account the outcome of the vote when considering the remuneration policy, even if it receives less than a 25% "no" vote.

## **2.3. Board Recommendation**

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

---

## **3. RESOLUTION 2: RE-ELECTION OF MR. CRAIG COOPER AS A DIRECTOR**

### **3.1. Background**

Clause 6.1(f) of the Company's Constitution requires that at least one third of directors (not including the Managing Director or any person appointed as an addition to the Board and also standing for election), rounded down to the nearest whole number, must retire from office at each Annual General Meeting as must any Director who has been in office for three or more years at the conclusion of the Meeting or it is three or more AGM's since he or she was last elected to office. Accordingly, Mr. Craig Cooper is offering himself for re-election in accordance with clause 6.1(f) of the Company's Constitution.

### **3.2. Biography**

Mr Cooper was appointed as Chief Executive Officer effective 1 December 2017 and is the driving force behind the transformation of the Company into a global health products and services business focused on hypertension management and cardiovascular disease. Mr Cooper has founded multiple successful health, digital media, technology, and wellness businesses – and was also the co-founder of the telecommunications company Boost Mobile - one of the leading mobile phone business in the USA. He is recognised as a global expert and thought leader in mobile and wireless technology as well as digital health and med-tech-related businesses. His venture capital funds have raised over A\$1 billion in capital and have funded some of the most significant global digital media technology companies including BuzzFeed and The Huffington Post. Mr Cooper, together with Niall Cairns (CardieX's Executive Chairman) are the largest shareholders in CardieX through their investment company C2 Ventures, Pty Limited.

### **3.3. Board recommendation**

The Directors (other than Mr. Cooper) recommend that shareholders vote in favour of this Resolution.

---

## **4. RESOLUTION 3: APPROVAL OF ADDITIONAL 10% PLACEMENT CAPACITY**

### **4.1. Background**

Listing Rule 7.1A enables an eligible entity to issue Equity Securities totalling up to 10% of its issued ordinary share capital through placements over a 12 month period following the entity's annual general meeting (**Additional 10% Placement Facility**). The Additional 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, at the time of the entity's annual general meeting. If the Company does not meet the eligibility criteria on the date of the Meeting, the Resolution will be withdrawn and Shareholders will not be required to vote on this Resolution.

Resolution 3 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional 10% Placement Facility throughout the 12 months after the Annual General Meeting. The effect of Resolution 3 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the period set out below in section 5.2(c).

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at the Annual General Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Equity Securities issued under the Additional 10% Placement Facility must be in the same class as an existing class of quoted Equity Securities of the Company. As at the date of this Notice of Annual General Meeting, the Company has on issue two classes of quoted Equity Securities, being Shares (ASX:CDX) and Listed Options (ASX:CDXO).

The exact number of Equity Securities that the Company may issue under the Additional 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

### **4.2. Listing Rule 7.3A Requirements**

In compliance with the information requirements of Listing Rule 7.3A, Shareholders are advised of the following information:

#### **(a) Minimum Issue Price**

The issue price of Equity Securities issued under the Additional 10% Placement Facility must not be lower than 75% of the volume weighted average price for securities in the same class calculated over the 15 trading days on which trades in that class were conducted immediately before:

- (i) the date on which the Equity Securities are issued; or
- (ii) the date on which the price of Equity Securities is agreed, provided that the issue is thereafter completed within 5 business days.

#### **(b) Dilution**

As at the date of this Notice of Annual General Meeting, the Company has 695,502,228 Shares on issue. Accordingly, if Shareholders approve Resolution 3, the Company will have the capacity to issue approximately 69,550,222 Equity Securities under the Additional 10% Placement Facility in accordance with Listing Rule 7.1A.

The precise number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

$$(A \times D) - E$$

Where:

- A =** the number of fully paid ordinary shares on issue 12 months before the date of issue or agreement:
- (i) plus the number of fully paid ordinary shares issued in the 12 months under an exception in Listing Rule 7.2;
  - (ii) plus the number of partly paid ordinary shares that became fully paid in the 12 months;
  - (iii) plus the number of fully paid ordinary shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4; and
  - (iv) less the number of fully paid ordinary shares cancelled in the 12 months.

*Note that A is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.*

**D =** 10%

**E =** is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Facility, existing Shareholders' voting power in the Company will be diluted as shown in the table below. There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (v) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice of Annual General Meeting.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.0145 50% decrease in Issue Price	\$0.0290 Issue Price	\$0.0435 50% increase in Issue Price
<b>Current Variable A</b>  695,502,228 Ordinary Shares	<b>Shares issued</b>  <b>(10% Voting Dilution)</b>	69,550,222 New Shares	69,550,222 New Shares	69,550,222 New Shares
	<b>Funds raised</b>	\$1,008,478	\$2,016,956	\$3,025,435
<b>50% increase in current Variable A</b>  1,043,253,342 Ordinary Shares	<b>Shares issued</b>  <b>(10% Voting Dilution)</b>	104,325,334 New Shares	104,325,334 New Shares	104,325,334 New Shares
	<b>Funds raised</b>	\$1,512,717	\$3,025,435	\$4,538,152
<b>100% increase in current Variable A</b>  1,391,004,456 Ordinary Shares	<b>Shares issued</b>  <b>(10% Voting Dilution)</b>	139,100,445 New Shares	139,100,445 New Shares	139,100,445 New Shares
	<b>Funds raised</b>	\$2,016,956	\$4,033,913	\$6,050,869

**The table has been prepared on the following assumptions:**

1. Variable A is 695,502,228 being the number of Shares on issue at the date of this Notice of Meeting.
2. The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Facility.
3. No options or performance rights are exercised into Shares before the date of issue of the Equity Securities.  
The Company currently has 36 million performance rights and 161,307,625 Options on issue.
4. The Company has not issued any other Equity Securities using its placement capacity under Listing Rule 7.1 or 7.1A in the 12 months preceding this Notice of Meeting.
5. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
6. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
8. The issue price is \$0.029, being the closing price of the Shares on ASX on 24 October 2019.

**(c) Issue Period**

If Shareholders approve Resolution 3, the Company will have a mandate to issue Equity Securities under the Additional 10% Placement Facility under Listing Rule

7.1A from the date of the Annual General Meeting until the earlier of the following to occur:

- (i) the date that is 12 months after the date of the Annual General Meeting; and
- (ii) the date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(the **Additional 10% Placement Period**).

The Company will only issue and allot Equity Securities during the Additional 10% Placement Period.

**(d) Purpose of issues**

At the date of this Notice of Annual General Meeting, the Company has not identified any persons to whom it intends to offer securities under Listing Rule 7.1A. In the event that the Company issues any Shares under Listing Rule 7.1A, the funds raised from such an issue would be used by the Company to advance its business activities and the development of new products using the Company's ATCOR technology. This would be in the way of new salaries, development of additional intellectual property, and development costs of establishing new markets in new territories and providing the necessary working capital to the group for these initiatives. While no transactions are currently contemplated, it is possible that securities issued under Listing Rule 7.1A may be issued for non-cash consideration.

**(e) Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional 10% Placement Facility. The identity of the persons to whom Equity Securities will be issued to will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The persons to whom Equity Securities will be issued under the Additional 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new Shareholders who, in either case, are not related parties or associates of a related party of the Company. Further, if the Company is successful in acquiring new assets or investments, it is likely that the persons to whom Equity Securities will be issued to under the Additional 10% Placement Facility will be the vendors of the new assets or investments.

**(f) Previous issues of Equity Securities under Listing Rule 7.1A**

The Company previously obtained Shareholder approval under Listing Rule 7.1A on 30 November 2018. Subsequent to obtaining that approval and in conduct of a placement completed throughout December 2018 20,210,514 ORD shares were issued on terms equivalent to other placement shares issued at \$0.03 on 14/12/18. These shares were later ratified by shareholders at an EGM held on 26/02/19.

<b>Total</b>	<b>701,771,418</b>

The total number of Equity Securities issued in the past 12 months (203,528,266) is 29% of the total Equity Securities on issue at 30/11/18.

**(g) Voting exclusion statement**

A voting exclusion statement for Resolution 3 is included in the Notice of Annual General Meeting preceding this Explanatory Statement.

As at the date of this Notice of Annual General Meeting, the Company has not approached any particular existing security holder or an identifiable class of existing security holders to participate in the issue of the Equity Securities. Accordingly, the proposed persons to whom any Equity Securities may be issued under the Additional 10% Placement Facility are not as yet known or identified.

In these circumstances, for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

**4.3. Board recommendation**

The Board believes that the Additional 10% Placement Facility is beneficial for the Company as it will give the Company the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months. Accordingly, the Board unanimously recommends that Shareholders approve Resolution 3.

### VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) return both forms together.
