

ASX ANNOUNCEMENT

15 January 2014

Stirling Products Limited
(Subject to Deed of Company Arrangement)
ACN 077 105 429
Update on Administration

As Deed Administrator I attach the December 2013 Appendix 4C and this update to shareholders on the position of the company in progressing the Deed of Company Arrangement (DOCA) and its quotation on the ASX.

Stirling Products Limited (STI) has as a result of negotiations undertaken by the Deed Proponent today entered into a binding Letter of Intent (LOI) with the owners of a new method in virus detection technology known as REVAC (Rapid Enhanced Viral Amplification Culture).

STI is currently conducting due diligence and finalising negotiations with the REVAC owners to inject into the company cash and assets which will ultimately enable the company to be in a position to be quoted on the ASX.

It is expected that final agreement and subsequent formal documentation should be settled within the next 6-8 weeks, at which time the company will be in a position to provide further details to shareholders. It is also anticipated that within this timeframe the company will attend to the completion and lodgment of outstanding annual reports.

I am advised by the deed proponents that it anticipates that a meeting of shareholders will be held in the first quarter of this calendar year wherein approval for such transaction will be sought from shareholders.

Yours faithfully
Stirling Products Limited
