Issue of Loan Fee Options and Appendix 3B

As announced in July 2013, Citation Resources Limited (**ASX:CTR**) ("**Company**" or "**Citation**") entered into short term loan agreements with third parties to provide working capital prior to the subsequent capital raising in August 2013. The loans were unsecured, interest free and the lenders had the right to have the loans repaid or convert them on equivalent terms to any capital raising undertaken by the Company prior to maturity.

As advised by the Company on 31 October 2013, the maturity date on the loans was agreed to be extended to 31 December 2013, on similar terms as the original loans. The Company repaid \$250,000 of the loans in January and extended the loan balance of \$450,000 until 31 March 2014. As consideration in lieu of interest, security and establishment fees for both the 31 December 2013 and 31 March 2014 loan extensions, the Company has issued the lenders a total of 41,964,750 listed options, exercisable at 4 cents per option, on or before 15 December 2015 (ASX: CTRO).

An Appendix 3B for the listed option issue is attached.
