### **About Altium**

Altium Limited (ASX:ALU) creates electronic design software based on the belief that anyone who wants to create electronic products that make a difference should be able to do so. Altium's unified electronics design environment links all aspects of electronics product design into a single application that is priced to be as affordable as possible. This helps electronics designers break down barriers to innovation, harness the latest devices and technologies, manage their projects across broad design "ecosystems", and create connected, intelligent designs.

Founded in 1985, Altium operates worldwide. For more information, visit [www.altium.com](http://www.altium.com).
