## DIAMOND DRILLING PROGRAM UPDATE

Korab Resources Ltd ("Korab", or "Company") (ASX: KOR) wishes to advise that diamond drilling program currently under way at the Company's Bobrikovo gold and silver project is expected to be completed by the end of this week.

The program is targeting potential extensions of near-surface high-grade gold and silver mineralisation discovered in historical drilling. The cores are being logged and cut. Following completion of the program, core will be submitted for assays while the Company will undertake a downhole geophysical survey of the drill holes completed during the program.
