Stonehenge Completes Acquisition of Korean Uranium Properties

Stonehenge Metals Limited (**Stonehenge** or the **Company**) advises that the Company's wholly owned subsidiary Chong Ma Mines Inc. (**Chong Ma**) has, pursuant to the Acquisition Agreement announced on 6 January 2010, made the final payment of US\$400,000 to secure the remaining 4/9 interest in the Daejon, Miwon and Gwesang uranium projects.

Stonehenge, via Chong Ma, now holds 100% of the title to the three (3) uranium projects which comprise of 42 granted mining rights and 14 mining right applications.

Managing Director Richard Henning commented *"In just 18 months since the initial terms were agreed, we have made substantial progress in Korea, particularly at the Daejon Project. Having substantially increased the size of the resource base and with positive test results on metallurgy, we are in no doubt of the potential of this project and accordingly, we are delighted to make the final payment to secure 100%".*
