Dear Sir

Re: Trading update for full year June 2011

The Directors are please to advise stronger than expected revenue growth in Australian and New Zealand operations and an improved outlook for the full year. Based on unaudited management accounts to 31 March 2011, forecast full year EBIT is expected to be in the range \$3.5m to \$3.8m, which is around 15% higher than the previous EBIT guidance of \$3.1m to \$3.3m provided in February 2011.

Yours faithfully

Peter Gill
Company Secretary
