 Sydney NSW 2000

### RE: Correction to NTA disclosed in the Appendix 4D – Half Year Report for the period ending 31 December 2010

We advise that the NTA per share disclosed in the half year report published on 28 February 2011 was incorrect due to a typographical error.

The amounts were disclosed as-

NTA Backing	Current Period 31 December 2010	Previous Corresponding Period 31 December 2009
Net tangible assets backing per ordinary security – cents per share	1.396	1.356

But should have been disclosed as-

NTA Backing	Current Period 31 December 2010	Previous Corresponding Period 31 December 2009
Net tangible assets backing per ordinary security – cents per share	13.95	1.356

Please note that the uplift in the NTA from December 2009 is primarily due to the 10:1 share consolidations that occurred on 16 March 2010.

Yours Sincerely

Willemien deRie  
 Company Secretary
