Dear Sir,

Re: **TECHNICHE LIMITED (ASX code TCN) ABN 83 010 506 162**

Further to the Company announcement on 9 August 2011 that it had implemented a share sale facility for shareholders who held unmarketable parcels of Techniche shares, the Company now advises that the sale facility has been completed.

Proceeds of the share sale have now been mailed to the relevant shareholders.

The completion of the facility has seen shareholder numbers reduce from around 2200 to under 700 which will result in saving in administration time and costs into the future.

Yours faithfully,

Kevin J Sheppard  
COMPANY SECRETARY
