SUBJECT	Suspension		

Dear Ms Kidson

Viridis Investment Management Limited (VIML), as responsible entity for Viridis Clean Energy (VIR), requests that the securities of Viridis Clean Energy be suspended from quotation with effect from the commencement of trading on 3 February 2011.

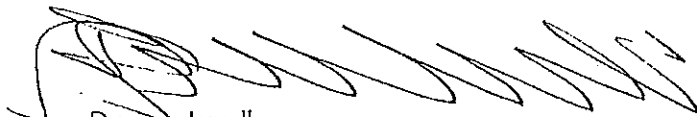

A trading halt was granted yesterday, 1 February 2011, while VIML sought to progress discussions with its corporate lenders and the parties involved in the recapitalisation proposal. That trading halt is due to be lifted prior to commencement of trading tomorrow, 3 February 2011.

As VIML is not yet in a position to provide the market with an update in respect of those discussions, it considers that the securities of Viridis Clean Energy should be suspended from quotation.

VIML expects that it will be in a position to update the market prior to the commencement of trading on Friday 4 February 2011.

VIML is not aware of any reason why the securities should not be suspended.

Yours sincerely,

Duncan Jewell
